**Ephesians 5:11, 13-16:** "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil."

The 1828 Noah Webster Dictionary defines:

**Reprove:** To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

**Circumspectly:** Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

**Matthew 24:24:** "...if it were possible, they shall deceive the very elect."

**II Corinthians 2:11:** "Lest Satan should get an advantage of us: for we are not ignorant of his devices."

**II Chronicles 7:14:** "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

**I Chronicles 12:32:** "And of the children of Issachar, which were men that had understanding of the times, to know what Israel ought to do; the heads of them were two hundred; and all their brethren were at their commandment."

**Acts 20:31:** "Therefore watch, and remember, that by the space of three years I ceased not to warn every one night and day with tears."

**I Corinthians 16:13:** "Watch ye, stand fast in the faith, quit you like men, be strong."

I Thessalonians 5:6: "Therefore let us not sleep, as do others; but let us watch and be sober."

II Timothy 4:5: "But watch thou in all things, endure afflictions, do the work of an evangelist, make full proof of thy ministry."

Luke 21:8: "And he (Jesus) said, Take heed that ye be not deceived: for many shall come in my name, saying, I am Christ; and the time draweth near: go ye not therefore after them."

II Corinthians 4:4: "In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them."

They will appear at the proper time to enable mankind to make that Quantum Leap of Collective Consciousness -- when the Christ appears." (Bill Lambert, New England Director, House of Theosophy, Seminar, August 18, 1991)**

**Rom 1:21 Because that, when they knew God, they glorified [him] not as God,**

**neither were thankful; but became vain in their imaginations, and their foolish heart was darkened.**

**Rom 1:22 Professing themselves to be wise, they became fools,**

**"[New World Order Planners] have plans to bring about things like earthquakes, war, the Messiah, an extraterrestrial landing, and economic collapse. ## NEW AGERS COMMENTARY--The Final Days and Life After First Contact

Submitted by [Marcus Titus](#) on Wed, 08/17/2011

Although it seems as if nothing has changed, it seems as if there have been mass changes behind the scenes since Mid-July. Very recently, most sources have begun to claim that the **Illuminati are officially finished and that new world is right around the corner.** (*Comment: Good Cop, Bad Cop Lies*) Yet, the Mainstream Media is still pumping out propaganda as usual. Odds are, the Earth allies along with the Galactic Federation (*Comment: The "Good Guys"*) are continuing to allow the Mainstream Media to continue while announcements and other plans are being made. Also, they are giving their ground crew some final time to prepare for the final phase of the mission. The latest full moon on August 13<sup>th</sup> was big in the sense that a lot of energy was present that could be **used to initiate an awakening.** **Evidence of an awakening in the American People can be found in the fact that Ron Paul is finally beginning to get the recognition he deserves.** He was able to finish second in the Iowa Straw Poll last week. Besides that, websites that have run a poll of their own about the GOP nomination (including Fox News) yielded results that have Ron Paul winning by large margins over all the other candidates. This is despite the fact that he is receiving almost zero coverage on Mainstream Media stations. This shows that the American people are beginning to realize the dire situation the United States is in. Also, it shows that the American people are beginning to realize the extent of corruption that exists within Congress. Let's remember that **Ron Paul is running on a platform that he will phase out the Federal Reserve and end both wars immediately.** These were two topics that were basically blasphemy a few years ago. The awakening being experienced by many people now **is only a precursor to the spiritual awakening that comes next.**

**Mat 24:24 Regarding the end times Jesus said: For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if [it were] possible, they shall deceive the very elect.**

**1Ti 4:1 ¶ Now the Spirit speaketh expressly, that **in the latter times** some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils;**

**1Ti 4:2 Speaking lies in hypocrisy; having their conscience seared with a hot iron**

**2Ti 3:1 ¶ This know also, that in the **last days perilous times shall come.****

**2Ti 3:12** Yea, and all that will live godly in Christ Jesus shall suffer persecution.

**2Ti 3:13** But **evil men and seducers shall wax worse and worse, deceiving, and being deceived.**

**2Ti 3:14** But continue thou in the things which thou hast learned and hast been assured of, knowing of whom thou hast learned [them];

**2Ti 3:15** And that from a child thou hast known the holy scriptures, which are able to make thee wise unto salvation through faith which is in Christ Jesus.

Although there will not be a 2012 election, Ron Paul will mostly likely play a major role in the New Governments that will soon emerge in response to the new financial system and UFO disclosure.

**Obama has done exactly what he was supposed to do. His job was to let the old systems of the Illuminati fade away. Once announcements begin,** we will most likely find out that Obama has done a lot behind the scenes that the public does not know about.

As of early August, the only remaining faction that hadn't signed on to the implementation of the new governments was the shadow government of the United States. If or when they have officially signed on then announcements might commence any minute.

If you are awake it is most likely obvious now that the world can never go back to the way it once was. **Announcements will come suddenly without any warning.** If you are awake it will be your job to sit down with the people you know and talk to them about what is happening. **A lot of people's beliefs are going to become obsolete so make sure you are there for them.** If they do not want help, do not push. They will come around eventually. **The world is going to be radically different.** There is going to be no more room for giant egos and the politics of the past. **The people who are extremely immersed in the present reality will probably be completely shell shocked and will go into denial. When our brethren from the stars land, it will be our job to act as liaisons between them and the other people. This will probably go a lot smoother than most people realize simply because these ETs will look exactly like us. With the permission of the people in your household, invite them into your homes and have a chat. (Comment: Hmm... kind of like how Vampires and Black Eyed Beings, etc. have to be invited into your home to gain entrance) They will have a lot to say on a variety of topics. Introduce them to your friends and your neighbors. The idea is that once people see that the ET's are friendly, they will open up.**

**2Jo 1:10** **If there come any unto you, and bring not this doctrine, receive him not into [your] house, neither bid him God speed:**

**2Jo 1:11** **For he that biddeth him God speed is partaker of his evil deeds.**

The world will not go into 2012 without seeing major changes. October 28<sup>th</sup> is coming up which is supposed to be a significant date in the Mayan Calendar. Also, 11/11/11 is going to be a major upliftment that will most likely push the group consciousness into

the 4<sup>th</sup> dimension completely, if we aren't already there by then. **The energies are not going away. (Comment: You mean the mass witchcraft that is taking place all over the world.)**

**+New Age Commentary--Agenda for Disclosure— Nesera --The opening of Pandora's suitcase**

**December 28, 2007--High-status disclosures of previously suppressed information will bring the following changes: The Bush-Cheney-Clinton-Obama political clique will be removed from American public life permanently.**

**The identities of the hidden Khazar Zionist political bosses embedded in corporate America will be disclosed.**

**Joseph Ratzinger, the present Pope, will be obliged to retire. Queen Elizabeth II of England will abdicate or, at the very least, will begin to withdraw from active personal involvement in Constitutional, Church of England, and international banking affairs. **The occult connection between the Vatican in Rome and The Crown Temple in London will be revealed.****

**All around the world, national leaders and regimes which have political, corporate and legal connections with the American governing establishment will be removed from power.**

**The NESARA global prosperity programmes will be announced and activated. One of the funds involved is The Saint Germain World Trust. It contains deliverable precious metals and currencies worth upwards of one quattuordecillion USA dollars. This is \$1 with forty zeros after it.**

**Among other projects, this money will be used to buy out all oil corporations, banks and pharmaceutical cartels. And it will zero out (permanently cancel) all personal, corporate and national debts worldwide.**

**The whole human population will benefit from NESARA. Earth is a most abundant planet. There is more than enough gold-backed human money currently in existence on Earth for each and every human being to be a GBP millionaire without debts of any kind. GBP = Great Britain Pound. NESARA is about sharing the resources of the planet around fairly. And NESARA is about putting benevolent banking systems in place worldwide to deliver this monetary fairness. No individual anywhere on Earth will be beyond the reach of the NESARA wealth redistribution programmes. And no individual or organisation anywhere on Earth will be able to stop it. (Comment: The ultimate "Carrot")**

**NESARA will cancel all credit card, mortgage and other bank debt due to illegal banking and government corruption worldwide. Income tax will be abolished. A new 14% flat rate tax on non-essential new items will provide the necessary revenue stream for national**

governments. Money will cease to be spent on war, elite security and covert militarism. There will be increased benefits for senior citizens. In the USA, there will be a return to Constitutional Law at every level of the legal system. **(Comment: Kind of sounds like the Utopian Zeitgeist system & the recent miniseries "V")**

**Movie 'Zeitgeist Addendum' Exposed October 19th, 2008**

**Zeitgeist Movie Rebuttal to Its Attack on Jesus Christ October 28th, 2007**

And in the USA, a new banking system - American Banking Central - will click into function and will involve twenty nine new banks. The Federal Reserve Board will be abolished. The Internal Revenue Service will be abolished.

Free-energy Tesla technologies suppressed by the Illuminati's corporate energy cartel will become freely known and freely available. There will be no further need to burn fossil fuels once the Tesla technologies are in place in industry, homes and vehicles.

**Things will be seen in the skies, on the surface of the Earth and inside the Earth which mainstream corporate media and mainstream western education say do not exist and cannot happen. The core signifiers of ancient mythologies will be found to be real. (Comment: What you mean the Fallen Angels and Nephilum?)**

**The covert interaction of several world governments with negative extraterrestrial groups (Comment: Bad Cop Aliens) will be exposed. The role of positive extraterrestrial groups in promoting the energisation of the planet and the manifestation of the NESARA process will be explained. The significance of the agriglyphs (crop circles) will become better understood. The availability of off-planet technologies for pollution control, human transport, and information retrieval will be revealed. Sonic healing machines will be released for the free use of all.**

**Books will be opened. Human histories will be corrected. Many veridical accounts of human history still exist but have been hidden away and protected for final release during this end-time. They will be released and published in many languages and will be held safe beyond the censorship of dogmatic religion.**

**Remote viewing of suppressed texts in closed libraries will become common. Extraterrestrial text-energy reading technologies, along with manuscript reconstitution and multiplication techniques will become available.**

It will become evident that no history, no event, no experience, no exchange, no conversation, no train of thought, and no feeling can ever be totally erased. Everything that has ever happened still exists perfectly in its original energy pattern. **With extraterrestrial and spiritual technologies, past histories can be comprehensively**

**accessed and published. Every event that has ever taken place can be retrieved, reproduced and replayed in sound, vision, tactuality and multiple sensation.**

The dark side rulers in the U.S. will be replaced with constitutionally acceptable NESARA President and Vice President Designates, thought to be Congressman Dennis Kucinich (Democrat - Ohio) & ex-Vice President, Al Gore (Democrat), may also have a substantive role. So may Congressman Ron Paul (Republican - Texas). There will be new Presidential and Congressional elections within 120 days of NESARA's announcement. These elections will be carefully monitored to prevent vote theft and other illegal election activities by special interest groups.

A new USA Treasury rainbow currency will come into being, backed by gold, silver, and platinum precious metals. A new USA Treasury Bank System will be initiated in alignment with Constitutional Law. The Federal Reserve Board System will be abolished. Personal financial privacy will be restored. All judges and attorneys will be retrained in Constitutional Law. All aggressive USA government military actions worldwide will cease and global peace will be established. Similar reforms will take place in every country in the world. Enormous sums of money will be made available for humanitarian purposes.. Apart from Dennis Kucinich (Democrat - Ohio), only one other American Presidential candidate has begun to articulate NESARA signifiers in his public speeches. He is Congressman Ron Paul (Republican - Texas). Speaking on C-SPAN's morning Washington Journal, in August 2007, Dr Paul said that there should be no Federal Reserve Board, no income tax, no Internal Revenue Service, and no welfare for big corporations. He asserted that the only Constitutional money is gold and silver, not notes redeemable in them - not "fed funny money." There should be no federal judges usurping states' rights, and no federal attacks on private property. Many of Dr Paul's ideas here are central to the NESARA process.

Ron Paul has not yet addressed the issues of [Morgellons Disease](#) or the regulation of the underground base at [Denver International Airport](#) (Colorado). DIA is, by land size, the largest airport in the USA. It was designed by [Charles Ansbacher](#) and [David Rockefeller](#) for Illuminati / New World Order use. The multi-level underground base beneath it is **thought to be a centre for off-limit genetics and human / alien hybrid research. Some say that it also has a connection with recent child disappearances in Colorado and neighbouring states.** It is not clear which US federal government agency is now running the underground base at Denver International Airport. The independent media have always been rigorously excluded from the facility. Ron Paul has yet to speak explicitly on these two issues of public concern.

More young people and old people, inside and outside world governments, will speak the truth with greater energy, greater clarity and less fear than ever before in human history.. They will tell of Earth changes to come and they will tell of Earth changes past. **They will tell of how freak weather conditions in the USA, and earthquakes in Japan, have been deliberately man-made by covert government agencies. They will tell of the fate of the thousands of missing children worldwide. They will tell how diseases such as Ebola, AIDS, SARS, H5N1 and Morgellons were the results**

**of deliberate bioterrorism by government agencies seeking to reduce the world's population.** More information about the Morgellons mystery can be found [here](#).

On the web, a new democratic social encyclopedia to replace Wikipedia will arise. Unlike Wikipedia, this will be constructed in such a way that security, corporate and Zionist misinformers will be unable to manipulate its content. Truth will become clean and free for all.

**Into this climate of disclosure will emerge the greatest discloser of all - the long expected World Teacher of The Aquarian Age. Called variously The Imam Mahdi, The Fifth Buddha, The Messiah, Krishna, or The Christ, The World Teacher and his team of spiritual masters will disclose openly the diseases of past history and the healing of the present. And The World Teacher - no surprise here - will not be a religious figure. More information about the emergence of The World Teacher can be found [here](#). There will be further disclosures about endemic professional corruption in Western healthcare systems. Modern allopathic medicine will be shown to be a manipulative con designed by the corporate controllers of the pharmaceutical industry to make people ill, keep them ill, and kill them prematurely. The tools of this manipulation are sophisticated poisons dressed-up as expensive medicines. The medicines in most cases are unnecessary, as is the fashion for casual intrusive surgery which makes even more expensive medicines necessary. Follow the money. Notice also the establishment attempts to suppress or outlaw alternative herbal remedies which work better and cost less. The story of what going is to happen in the near future is the biggest story in the history

of human civilization on this planet. It is too big a story to be handled accurately by the corporate mainstream media. The news will be broken, initially, through alternative news, and progressive spirituality sites on the web. **But most of all, the story will be discovered in personal experience. As more and more people learn the spiritual exercises of meditation, invocation, affirmation and dream management, more and more people will break free, see clearly and speak openly of that which was, and that which is to come.**

**On the Day of Declaration, Maitreya will present His credentials to all of humanity. On this day, "every eye shall see him."(Fulfilling Rev.1:7) Everyone will (simultaneously) hear his voice inwardly-- telepathically in their own language. At the same time, we will all deeply feel His omnipotent love and hundreds of thousands of spontaneous healings will take place throughout the world. After the Day of Declaration several Masters of Wisdom will join Maitreya on the world stage. Each will have different functions depending upon His particular line of work. Some will teach, while others will be concerned more with world problems of a political & economic nature.**

The dark is crumbling. Thirteen millennia of elite-led disinformation are coming to an end. Disclosure is light. Disclosure is change. Disclosure is free.

#### **+The Lies of NESARA**

NESARA is the economic and political program of the Antichrist. Known as the National Economic Security And Reformation Act.

They will promote it as a Restoration of our Constitutional freedoms, cures for illnesses and new energy sources, financial and banking improvements, removal of corrupt government officials, and the beginning of more peace on Earth and more -- all alleged improvements to begin with NESARA's announcement.

**They will use this platform to get their feet on the earth and then once they are here they will blame their failures on not being able to implement their program on true believers of the Most High and begin a cleansing program on earth! Others refer to it as "First Contact."**

**Our first official publicized contact with Space Aliens will involve a treaty that implements NESARA here in America. This will be enforced on the entire world as well. These aliens will not look like little green men. Many appear just like us and some as tall, angelic humanoid creatures coming as Ascended Masters, Space ship Commanders, Messiahs, those who have reached Godhood, angels, etc.... In Revelation chapter 13 the Bible describes the second beast, the False Prophet, who will enforce a worldwide economic program. NESARA will eventually implement this prophecy.**

**And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. Here is wisdom, Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.**

(verses 16-18).

NESARA is a foot in the door for Satan's alien forces. If they can get people to buy this "peace and prosperity" agenda then they are getting acceptance to come on earth and implement it. **Once these devils are in control they will ratify parts 2 & 3 of NESARA that will nullify part 1 and begin their own agenda of cannibalism and murdering the inhabitants of America.**

**Aliens are liars. They are incapable of telling the whole truth,** and nothing but the truth about anything. They are fallen angels, Lucifer's minions spouting the "we want to help mankind" theology. They also refer to themselves as Omegans.

There are two leaders of NESARA. Sananda Immanuel also known as Sananda Jesus and St. Germaine. Germaine will present NESARA, "Jesus" will try and deceive mankind he's the Jesus of the church and Christianity. The false prophets in the churches will hail him as the Jesus of the Bible. The deceptions in the last days are going to be extensive, how many would see this guy and not think he's the Jesus of the Bible that they've been conditioned to believe? They have seen this face and picture of "Jesus" all their lives. This isn't what Jesus looks like. The churches have been plastering pictures of Sananda Jesus for years deceiving their congregations that this was Jesus the Messiah who died on the cross 2000 years ago. **This is a picture of Sananda Jesus. The Jesus of the Bible DOES NOT look anything like this.**

Listen: [Deception Afoot: Maitreya & 'Master Jesus'](#)

**\*\*These images were first portrayed to the masses (hundreds of years ago) by the Catholic Church, and is now also promoted by New Age movement as well. Now this Jesus is always portrayed with long hair and many times a halo (AKA Pagan Egyptian Sun Disk) over his head.**

Turin shroud  
of Jesus

***Sananda Immanuel claims/admits that Sanat Kumera is his father - Sanat Kumera is another name for Satan***

**[Shroud of Turin- Biblically Debunked](#)**

Also this "Jesus" doesn't line up with the Word of God:

**1Cr 11:14 Doth not even nature itself teach you, that, **if a man have long hair, it is a shame unto him?****

**Sananda Immanuel Or the Master Jesus**

A New Age Site Reads: Sananda Immanuel plays the role of "Jesus" in the astral realm and near death experiences. **He's the one Michaelangelo painted a portrait of, that the churches then accepted as the picture of "Jesus."** Most churches today have pictures of this Sananda hanging in them somewhere. Most believers correlate the picture of Jesus that they see as the real Jesus when it is really this Sananda Immanuel who will come to earth playing Jesus, the Son of God. A very good deception. **The church was groomed for hundreds of years for this one.**

NESARA sounds good until you realize you're selling your soul to the devil to save a few bucks. It's just exchanging one global agenda for another. **NESARA vs. Illuminati with Satan playing both sides.**

Yes, we would all like everything NESARA promises to give, but on OUR TERMS, not THEIRS, and without mocking the depiction and resemblance of our Lord Jesus Christ with their Germaine and Sananda.

How many will be deceived by Sananda when they realize he "looks" and "sounds" just like the Jesus of the Bible? Will they know **this is a DECEPTION?**

**"For many shall come in My Name saying, I am Christ; and shall deceive many"**

**Matt. 24:5**

**Sanat Kumara - Also known as Satan, Lucifer**

**Their plan is to overtake the US government, implement Alien Disclosure resulting in First Contact, and then finish off their staged productions with a grand finale: THE SECOND COMING OF their false JESUS.**

**Their charades will deceive many. Most pastors in the churches will support them and lead many people into the pit of hell for following this false Jesus**

Dear J. B.:

**Thank you for your letter and very serious questions about ending the Dark Cabal's control of our world.**

There are many layers of good people carrying various authorities in this struggle to defeat the Darkside on Shan. What I call "The People's Movement", includes the White Hats, the Constitutional Lawyers, some enlightened military, Casper and "WE", the White Dragon Society, etc., are **all working to bring Goodness to the nations of our world by throwing off the forces of repression.** Basically, this is a "Grass-roots"

movement with various groups of good people working to bring change, and reporting from their perspectives.

The signs all point to change to Goodness soon, as the Divine Plan appears to be merging with the work of "The People's Movement" in establishing an international gold standard money system and the removal of the Old World Order, including the U. S. Corporate Government, U.K. Corporate Government, Israeli Zionist Government, etc..

Dear Patrick - I have read the 'Phoenix Journals' for over ten years and am amazed at how 'inept' some of the articles are in their content, confusing dialogue, supposedly using 'theological terms, direction, and frankly, the promotion of that age old 'song' accusing others of that which the accuser is guilty.

Isn't it interesting that the 66 Books of The Bible answer ALL of the mysteries about man, his Creator God, His creation, and His Son Jesus who was the Christ - and it's answers always promote the 'Simplicity of Christ' - not complexity as your Phoenix Journal does **2 Cor. 11:3** **But I fear, lest by any means, as the serpent beguiled Eve through his subtilty, so your minds should be corrupted from the simplicity that is in Christ.**

**Yet you dare deprecate the Bible - and then promote the enemy of man in your journal as the Jehovah God Satan- over and over again!**

Never, it seems, is there a copy of 'The Phoenix Journal that doesn't, in some way twist, bend, mis-represent, and promote confusion about the truth - and Christ himself defines 'Truth' **John 17:17** **Sanctify them through thy truth: thy word is truth. Also see Proverbs 13:13**

Sorry Patrick, I'm not 'buying' what you're selling which is telling me that 'a rose is not a rose if one puts another name on it! The Phoenix Journal is just another pretentious, dressed up in a tuxedo, splashed with perfume, but inculcated with clever supposedly alternative philosophical fables masquerading as truth. The Apostle Paul, whom you deprecate, describes deceived people like you in all of 2 Tim. 3. **Also see Col. 2:8** Read the whole chapter and think about it especially verses 15 through 17. You've told me all I need to know about you and your philosophy

When you asked me to define the names Shan, Creator God Aton, Violinio Germain and Esu Immanuel, I knew that you had not read any of the Phoenix Journals with even an elementary understanding. You have now confirmed to the whole world that you have not read them with any spiritual understanding at all!

It is your choice to trash the Truth and condemn the Truthbringer, **as do most Christian Cult advocates, but you do it to your own demise. God Jehovah Satan has done a great job of fooling millions of people like yourself with his "war book", you call the Bible. **May you not get dizzy on the Great Wheel of Reincarnation, as you ponder your regrets.** I send you Love and Light because you really need it.
