- **The Silence of the 501c3 Pulpits**

**Ephesians 5:11, 13-16:** "And have no fellowship with the unfruitful works of darkness, but rather **reprove** them. **But all things that are reprov**ed are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

**Reprove:** To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

**Circumspectly:** Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

**Matthew 24:24:** "...if it were possible, they shall deceive **the very elect.**"

**II Corinthians 2:11:** "Lest Satan should get an advantage of us: for we **are not** ignorant of his devices."

**II Chronicles 7:14:** "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

## Startling Evidence That Central Banks And Wall Street Insiders Are Rapidly Preparing For Something BIG

If you want to figure out what is going to happen next in the financial markets, carefully watch what the insiders are doing. **Those that are "connected" have access to far better sources of information than the rest of us have, and if they hear that something big is coming up they will often make very significant moves with their money in anticipation of what is about to happen.** Right now, Wall Street insiders and central banks all around the globe are making some very unusual moves. In fact, they appear to be rapidly preparing for something really big. **So exactly what are they up to?** In a previous article entitled "[Are The Government And The Big Banks Quietly Preparing For An Imminent Financial Collapse?](#)", I speculated that they may be preparing for a financial meltdown of some sort. As I noted in that article, [more than 600 banking executives](#) have resigned from their positions over the past 12 months, and I have been personally told that a **substantial number of Wall Street bankers have been shopping for "prepper properties" this summer.** But now even more evidence has emerged that quiet preparations are being made for an imminent financial collapse. That doesn't guarantee that something will happen or won't happen. Like any good detective, we are gathering clues and trying to figure out what the evidence is telling us.

### **So why Is George Soros Selling So Much Stock And Buying So Much Gold?**

I am certainly not a fan of George Soros. He has funneled millions upon millions of dollars into organizations that are trying to take America in the exact wrong direction.

However, I do recognize that he is extremely well connected in the financial world. **Soros is almost always ahead of the curve on financial matters, and if something big is going to go down George Soros is probably going to know about it ahead of time.**

That is why it is very alarming that he has dumped all of his banking stocks and that he is massively hoarding gold. The following is from [shtfplan.com](#). reads:

*In a harbinger of what may be coming our way in the Fall of 2012, billionaire financier George Soros has sold all of his equity positions in major financial stocks according to a [13-F report filed with the SEC for the quarter ending June 30, 2012.](#)*

*Soros, who manages funds through various accounts in the US and the Cayman Islands, has reportedly unloaded over one million shares of stock in financial companies and banks that include Citigroup (420,000 shares), JP Morgan (701,400 shares) and Goldman Sachs (120,000 shares). **The total value of the stock sales amounts to nearly \$50 million.***

*What's equally as interesting as his sale of major financials is where Soros has shifted his money. **At the same time he was selling bank stocks, [he was acquiring some 884,000 shares \(approx. \\$130 million\) of Gold via the SPDR Gold Trust.](#)***

Why would you dump over a million shares of stock in major banks and purchase more than 100 million dollars worth of gold?

**Well, it would make perfect sense if you believed that a collapse of the financial system was about to happen.**

### [Lord Rothschild Betting On Euro Collapse?](#)

Monday, August 20, 2012--If the actions of Lord Jacob Rothschild are anything to go by, the long predicted collapse of the Euro may not be far away, with the banking titan placing a \$200 million dollar bet **against** the troubled single currency.

“Lord Rothschild, an elder member of the Rothschild dynasty banking family, has taken the **position against the euro** through RIT Capital Partners, the 1.9 billion pound investment trust of which he is executive chairman,” [reports CNBC](#).

RIT has upped its short against the Euro from 3 per cent in January to 7 per cent in July. The European Central Bank continues to try to re-animate a dead corpse by continually pumping bailout money into debt-ridden countries like Greece, Ireland, Portugal and Spain. **However, top investors only see it as a matter of time before the single currency is consigned to the landfill of economic history.**

Last week, influential German newspaper [Der Spiegel reported](#) that **“Banks, companies and investors are preparing themselves for a collapse of the euro.”**

Meanwhile, billionaires like John Paulson and George Soros are throwing their financial muscle behind gold as the financial picture looks increasingly unstable heading towards the end of the year.

---

### [Jacob Rothschild, John Paulson And George Soros Are All Betting That Financial Disaster Is Coming](#)

**The Economic Collapse | Are you willing to bet against three of the wealthiest men in the entire world?** **Jacob Rothschild recently bet approximately 200 million dollars that the euro will go down. Billionaire hedge fund manager John Paulson made somewhere around 20 billion dollars betting against the U.S. housing market during the last financial crisis, and now he has made huge bets that the euro will go down and that the price of gold will go up. And as I wrote about in my last article, George Soros put approximately 130 million more dollars into gold last quarter.**

### [Republicans eye return to gold standard](#)

Robin Harding and Anna Fifield--[Financial Times](#)--August 23, 2012

**The gold standard has returned to mainstream US politics for the first time in 30 years, with a “gold commission” set to become part of official Republican party policy.**

Drafts of the party platform (which it will adopt at the RNC convention in Tampa Bay Florida this week) **call for an audit of Federal Reserve monetary policy and a commission to look at restoring the link between the dollar and gold.**

**The move shows how the once-fringe idea of returning to gold (as real money) as a legitimate part of Republican debate. [Read full article](#)**

## [Fed Court Rules Banksters Can Steal Pensions](#)

August 21, 2012--In a court case glossed over by the corporate media earlier this month, the U.S. Court of Appeals, Seventh Circuit **has ruled that individual segregated bank accounts may be turned into the property of a third-party under circumstances of duress.**

**So with this ruling the Bankster psychopaths can now raid pension funds with impunity.**

**“In other words, if a financial institution fails, clients, depositors and pension funds may not get some or all of their money back in a bankruptcy,”** writes [Dominique Bailleul](#) for Beacon Equity Research.

**The Sentinel ruling has legalized the theft of segregated customer funds and pensions by large banks and financial institutions.**

**Moreover, the ruling overrides protection afforded by Federal Deposit Insurance and other government insurance programs and leaves “millions of investors, depositors and retirees unaware that they are no longer account holders of their own funds, per se, but, instead, have suddenly become stockholders of the institution with which they have deposited their money,”** Bailleu writes.

Ann Barnhardt points out that **the ruling sets the stage for bankster consolidation ahead of an economic collapse.**

[Barnhardt writes on her blog](#) that **“all customer funds in the United States are now the legal property of JP Morgan, Goldman Sachs”** and other mega-banks and financial institutions.

---

## [Customer Deposits Are Property of the Bank: Close Your Account NOW](#)

**Susanne Posel** | When a banking customer deposits their money into their bank account, the [Federal Deposit Insurance Corporation](#) (FDIC) and [Securities Investor Protection Corporation](#) (SIPC) are in place to protect the customer from fraud or theft. The ruling from the CCA (we just cited in the above report) **means that these regulatory systems will not insure customer funds, investments, depositors and retirees who hold accounts in banks. In fact, the banking institution is now legally allowed to use those customer funds deposited as collateral, payment on debts for loans made, or free use on the stock market to purchase investments as the bank sees fit.** Fred Grede, SMG trustee, [explained](#) that brokers are no longer required to keep customer money separate from their own. **“It does not bode well for the protection of customer funds.”**

**Since the ruling gives banks the right to co-mingle customer funds with their own, no crime can be committed for the use of customer deposited monies.**

## [Greg Mannarino – People Are Going to Suffer on a Biblical Scale](#)

Greg Mannarino is a former Bear Stearns floor trader in the mid 1990's. He has written seven books on the ongoing financial crisis. His latest is called **“The Politics of Money.”** He says, **“The global debt bubble is the biggest in all of mankind, and every single one has burst**

in the past.” He thinks what has been going on since the 2008 financial meltdown, “Is theft on a scale that is unimaginable.” When this debt bubble bursts, Mannarino thinks, “People are going to suffer on a Biblical scale. . . . People are not going to be able to acquire basic resources.” He predicts, “I am certain we are going to see violent crime erupt on a global level.”

### **Congressman Bartlett: “Every Citizen Should Develop an Individual Emergency Plan to Prepare for the Absence of Government Assistance for Extended Periods”**

Mac Slavo--August 21st, 2012--In the documentary *Urban Danger*, **Maryland’s Congressional Representative Roscoe Bartlett warned those who can, to move their families out of major cities.**

Outspoken in his belief that each individual American should prepare for a crisis where the government would be unable to provide for the basic needs of the national population, Bartlett has himself created a hideaway deep in the West Virginia forest. His cabin runs on independent power, he has put away food and canning equipment, stockpiled supplies for the long-term, and is ready for a worst-case scenario should it ever come to pass. “We don’t really think of those (necessities) today, because it’s so convenient to go to the supermarket,” he cautions. “But you know, you’re planning because the supermarket may not always be there.”

**The electrical grid could fail tomorrow, he frequently warns. Food would disappear from the shelves. Water would no longer flow from the pipes. Money might become worthless. People could turn on each other, and millions would die.**

### **Federal Auditor: 2,527 DHS Employees and Co-Conspirators Convicted of Crimes since 2004**

Edwin Mora--[CNSNews.com](http://CNSNews.com)--August 23, 2012

**There have been 2,527 Department of Homeland Security (DHS) employees and co-conspirators convicted of corruption and other criminal misconduct since 2004, according to a federal auditor.**

#### **Luke 6:44 For every tree is known by his own fruit.**

Charles Edwards, the acting inspector general (IG) at DHS, made that revelation in written testimony prepared for an Aug. 1 hearing held by the House Oversight and Government Reform Subcommittee on Government Organization, Efficiency, and Financial Management.

### **DHS and FBI: Anarchists May Use IEDs at Conventions**

August 23, 2012--The **Department of Homeland Security** and the FBI have issued a bulletin to law enforcement **warning that “anarchist extremists” may use IEDs, or Improvised Explosive**

Devices, at the Republican and Democrat national conventions. “FBI and DHS **assess with high confidence** anarchist extremists will target... infrastructure in Tampa and Charlotte, with potentially significant impacts on public safety and transportation,” [CNN](#) reports. The Pentagon is pushing the threat of domestic IEDs in order to finish off what remains of Posse Comitatus and further militarize state and local law enforcement and contrive additional pretexts for the eventual implementation of martial law.

### [Pre-Crime Cameras For RNC In Tampa](#)

Tuesday, August 21, 2012--The **Tampa Police Department will deploy dozens of ‘behavior recognition’ surveillance cameras at the Republican National Convention later this month, with the cameras remaining in place and more being added after the event finishes.**

“The police department in Tampa, FL, is deploying behavioral recognition software from BRS Labs on dozens of the video cameras that **will provide round-the-clock surveillance at many of the venues where the GOP national convention will take place August 27-30,**” [reports Government Security News.](#)

The cameras work by using a software program called AISight 3.0, **which is pre-programmed to acknowledge what behaviors are considered “normal” and then report any “suspicious activity” if it is spotted to police headquarters.**

**Equipped with the ability to track up to 150 suspects at a time, the cameras build up a “memory” of suspicious behavior to determine what constitutes potential criminal activity.**

Critics have labeled the surveillance system one step away from “pre-crime,” the technology inextricably linked with the 2002 science fiction film *Minority Report* starring Tom Cruise, based on the short story by Philip K. Dick. **The movie depicts a ruthless police state that employs psychics called “precogs” to apprehend criminals before crimes occur.**

**However, instead of being removed after the RNC concludes, more behavior recognition cameras will be added to keep tabs on the general public.** BRS Labs president John Frazzini told GSN that once the convention is over, Tampa police will continue to deploy the technology “in an expanded footprint.”

### [Tampa Jail Cleared To House RNC Protesters](#)

Thursday, August 23, 2012--Police in Tampa have cleared inmates out of the Orient Road Jail in preparation for “a mass amount” of arrests of protesters at next week’s **Republican National Convention**. “In an unprecedented move, Hillsborough County jail officials announced one facility is completely cleared and essentially reconstructed just for the Republican National Convention,” [reports ABC Action News](#).

[DHS Informant Leaks a Shocker Regarding Russian Troops in America](#)

Rick of TruNews recently reported: “But I spoke with a close friend, whom I’ve known for many years. This couple is well-connected to important business and political people. They have a personal friend who is an agent for [the Department of] Homeland Security. The agent promised to alert them if he ever heard anything significant that warranted immediate preparation. “For years, he said nothing until now. He told them there’s talk inside Homeland Security offices that Russian Spetsnaz commandos are infiltrating into the U.S.A from Canada. He said it’s been underway all summer, and he estimated the number of commandos at the present time inside the U.S.A to be in excess of 20,000.” <http://www.beaconequity.com/new-dhs-informant-leaks-a-shocker-2012-08-17/>

[The Russians Are Coming? Yes, But That's Not All...](#)

The author of this article writes: For the past few months I have been getting reports that I have to say are a bit disturbing. In fact most people tend to blow this off and call in for the “Tin Foil Hat Brigade” When so many are dismissing the information saying “surely this isn’t true” then tossing it on the conspiracy pile, that is when I start to do some digging and see what is going on. So what seems to be happening that no one wants to acknowledge? It appears that Russian military forces are being staged for what appears to be a possible US Invasion or UN Police action. [The Manufactured US Veteran Threat Against Obama That Will Justify Martial Law](#)

Susanne Posel--August 23, 2012--Forget about al-Qaeda and state-sponsored radicalized Muslims, the newest Boogeyman that the US government wants the American public to fear are our own US veterans.

The US Armed Forces are now [preparing to fight](#) what they call “rahowa” or racial holy war. They claim that white supremacists are joining the military to infiltrate and overthrow what is referred to as the Zionist Occupation Government (ZOG). Academics are proposing that the

infiltration scheme includes white supremacists hiding their ties to neo-Nazi groups in secret in order to get pass screeners when applying for the armed forces in recruitment offices.

**In reality, there is a great deal of former and current soldiers who have realized that our government has been takeover by the global Elite that have been working in the shadows to instill global governance; and the Illuminati does not like it. So as a result veterans are being increasingly demonized in the press.**

The mainstream media are using the false flag attack on the Sikh Temple because the patsy, [Wade Michael Page](#) was a US veteran who was purported to have ties to white supremacy groups according to the FBI-sponsored Southern Poverty Law Center (SPLC).

### **[Blaze Exclusive: 'Orwellian': Lawyer of Former Marine Over Facebook Posts Says 20k 'Civil Commitments' Each Year in VA Part of Bigger Problem\)](#)**

Earlier today, 26-year-old former U.S. Marine Brandon Raub was [released from a psychiatric facility](#) via a judge's order, who ruled that the government had no legal grounds to hold him. Tonight on Glenn Beck's show on GBTV, **John Whitehead, Raub's lead attorney** and president of the [Rutherford Institute](#), gave his first interview following his client's release to discuss the case.

**Whitehead said that veterans have since been contacting him from across the country claiming they too were victims of wrongful detention in psychiatric institutes like Raub. Apparently, there are civil commitment laws in other states as well, he said.**

**"It happens. There's about 20,000 civil commitments alone in Virginia each year,"** he added.

It was actually Raub's mother, who took to Facebook in a rage after he son was taken by federal and local law enforcement officers, that sounded the alarm and made the entire country aware of his situation.

"Did they have a warrant for his arrest?" Beck asked.

**"No warrant for his arrest and no search warrant," Whitehead replied. "They haven't [charged him with a crime] and they're not going to."**

**Stunned, Beck asked how this could take place in the United States of America, where the Constitution provides protections from such things, most notably the First Amendment.**

**"Is this America," the attorney said. "That's what I keep asking."**

*John Whitehead (Source: Rutherford.org)*

Further, in a surprising twist, Whitehead revealed a startling allegation that his client made regarding an incident that occurred before his release. **Raub complained to his attorney that one of the psychiatrists that he was seeing threatened to "brainwash" him and force him to take medication.**

## Radical Islam Joins the DNC

Posted by [Breeanne Howe](#) ([Diary](#)) Tuesday, August 21st

Starting at the end of this month the Democratic National Convention **will open with a focus on Islam. 20,000 Muslims are expected to attend according to the Bureau of Indigenous Muslim Affairs (BIMA), the national Muslim American non-profit coordinating the two days of events they claim are non-political. "Jumah at the DNC" begins August 29 and will start with a Friday afternoon jumah prayer followed by other unnamed programs and events, leading up to the Islamic Regal Banquet. The following day will be an all day Islamic Cultural and Fun Fest which will include discussions on the topics of Islamophobia, Anti-Shariah, Middle Eastern Crisis, Patriot Act, National Defense Authorization Act and more. The purpose, according to BIMA, is to attract national and international attention to the plight of American Muslims and to hold political parties accountable for issues that affect them.**

However, not all Muslims feel that BIMA represents them and Zuhdi Jasser M.D., Founder and President of the [American Islamic Forum for Democracy](#), has [expressed serious concerns](#). **The leaders of this event – Jibril Hough and Imam Siraj Wahhaj as advertised are no moderates. They are radicals. These individuals embrace Islamist supremacy and have demonstrated support for radical ideologies.**

A quick Google search by the DNC would have shown them that Hough and Wahhaj are leaders in the separatist American Islamist movement. While they may be able to get a few thousand Muslims to attend the event, **they are NOT going to be mainstream Muslims. Most will likely come from Hough and Wahhaj's radical networks that have long been entrenched in the Charlotte area.**

---

## Help Expose the Danger Posed by Radical Islamists to our National Security!

**Muslim extremists, including the Muslim Brotherhood, have repeatedly called for the annihilation of Israel and "The Great Satan," the United States of America. The Muslim Brotherhood's goal is to see Islamic law (Sharia) as the governing political and religious legal code over every facet of life in the United States – and the world, for that matter.**

In light of recent foreign and domestic policies viewed to be favorable to Muslim activities, five Members of Congress have issued formal requests to U.S. Government Inspectors General to investigate potential Muslim Brotherhood infiltration into key positions inside our government. **The request was designed to uncover "the extent to which Muslim Brotherhood-tied**

**individuals and entities have helped achieve the adoption" of Islam-friendly policies and initiatives.**

The letter states, "... information has come to light that raises serious questions about the involvement of organizations and individuals with the Muslim Brotherhood. **Given that the U.S. Government has established in federal court that the Muslim Brotherhood's mission in the United States is 'destroying the Western Civilization from within' - a practice the Brothers call 'civilization jihad' - we believe that the apparent involvement of those with such ties raises serious concerns that warrant your urgent attention.**"

TEHRAN, Iran (AP) — **Israel's existence is an "insult to all humanity,"** Iran's president said Friday in one of his sharpest attacks yet against the Jewish state (as Israel openly debates whether to attack Iran over its nuclear program). **Ahmadinejad said confronting Israel is an effort to "protect the dignity of all human beings."** **"The existence of the Zionist regime is an insult to all humanity,"**

A new Middle East will definitely be formed. With the grace of God and help of the nations, in the new Middle East there will be no trace of the Americans and Zionists,"** he said.

**President Ahmadinejad--Hear the Word of God!!!!:**

**Gen 12:1 ¶ Now the LORD had said unto Abram, Get thee out of thy country, and from thy kindred, and from thy father's house, unto a land that I will shew thee:**

**Gen 12:2 And I will make of thee a great nation, and I will bless thee, and make thy name great; and thou shalt be a blessing:**

**Gen 12:3 And I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed.**

**2Sa 7:22 Wherefore thou art great, O LORD God: for [there is] none like thee, neither [is there any] God beside thee, according to all that we have heard with our ears.**

**2Sa 7:23 And what one nation in the earth [is] like thy people, [even] like Israel, whom God went to redeem for a people to himself, and to make him a name, and to do for you great things and terrible, for thy land, before thy people, which thou redeemedst to thee from Egypt, [from] the nations and their gods?**

**Jer 31:10 ¶ Hear the word of the LORD, O ye nations, and declare [it] in the isles afar off, and say, He that scattered Israel will gather him, and keep him, as a shepherd [doth] his flock.**

**Joe 3:2 I will also gather all nations, and will bring them down into the valley of Jehoshaphat, (Comment: This is symbolical name of a valley near Jerusalem which is the place of ultimate judgment on the heathen that comes against Israel); and will plead with them there for my people and [for] my heritage Israel, whom they have scattered among the nations, and parted my land.**

**Joe 3:11 Assemble yourselves, and come, all ye heathen, and gather yourselves together round about: thither cause thy mighty ones to come down, O LORD.**

**Joe 3:12 Let the heathen be wakened, and come up to the valley of Jehoshaphat: for there will I sit to judge all the heathen round about.**

**Joe 3:13** Put ye in the sickle, for the harvest is ripe: come, get you down; for the press is full, the fats overflow; for their wickedness [is] great.

**Joe 3:14** Multitudes, multitudes in the valley of decision: for the day of the LORD [is] near in the valley of decision.

**Joe 3:15** The sun and the moon shall be darkened, and the stars shall withdraw their shining.

**Sidebar:**

**Mat 24:29** ¶ Immediately after the tribulation of those days shall the sun be darkened, and the moon shall not give her light, and the stars shall fall from heaven, and the powers of the heavens shall be shaken:

**Mat 24:30** And then shall appear the sign of the Son of man in heaven: and then shall all the tribes of the earth mourn, and they shall see the Son of man coming in the clouds of heaven with power and great glory.

**Joe 3:16** The LORD also shall roar out of Zion, and utter his voice from Jerusalem; and the heavens and the earth shall shake: but the LORD [will be] the hope of his people, and the strength of the children of Israel.

**Joe 3:17** So shall ye know that I [am] the LORD your God dwelling in Zion, my holy mountain: then shall Jerusalem be holy...

**Joe 3:19** Egypt shall be a desolation, and Edom shall be a desolate wilderness, for the violence [against] the children of Judah, because they have shed innocent blood in their land.

**Joe 3:20** But Judah shall dwell for ever, and Jerusalem from generation to generation.

**Joe 3:21** For I will cleanse their blood [that] I have not cleansed: for the LORD dwelleth in Zion.

**Israel TV: Netanyahu 'determined to attack Iran' BEFORE US elections...**

Israel's Prime Minister Benjamin Netanyahu "is determined to attack Iran before the US elections," Israel's Channel 10 News claimed on Monday night, and Israel is now "closer than ever" to a strike designed to thwart Iran's nuclear drive.

## [Israel – Many Trying to Replace What God Has Not](#)

At a time when Bible prophecy is most important, we find the church having less knowledge of it, especially when it relates to Israel. Most Christians have supported the Jews and the modern state of Israel, but things are changing. The church from its infancy believed that God had a future plan for Israel based on Scripture this included a national restoration of Israel in the same land they were eventually dispersed from.

**[Rom 11:1](#) ¶ I say then, Hath God cast away his people? God forbid. For I also am an Israelite, of the seed of Abraham, [of] the tribe of Benjamin.**

**[Rom 11:2](#) God hath not cast away his people which he foreknew...**

**[Rom 11:25](#) For I would not, brethren, that ye should be ignorant of this mystery, lest ye should be wise in your own conceits; that blindness in part is happened to Israel, until the fulness of the Gentiles be come in.**

**[Rom 11:26](#) And so all Israel shall be saved: as it is written, There shall come out of Sion the Deliverer, and shall turn away ungodliness from Jacob:**

**[Rom 11:27](#) For this [is] my covenant unto them, when I shall take away their sins.**

**[Rom 11:28](#) As concerning the gospel, [they are] enemies for your sakes: but as touching the election, [they are] beloved for the fathers' sakes.**

**[Zec 12:8](#) In that day shall the LORD defend the inhabitants of Jerusalem; and he that is feeble among them at that day shall be as David; and the house of David [shall be] as God, as the angel of the LORD before them.**

**[Zec 12:9](#) And it shall come to pass in that day, [that] I will seek to destroy all the nations that come against Jerusalem.**

**[Zec 12:10](#) ¶ And I will pour upon the house of David, and upon the inhabitants of Jerusalem, the spirit of grace and of supplications: and they shall look upon me whom they have pierced, and they shall mourn for him, as one mourneth for [his] only [son], and shall be in bitterness for him, as one that is in bitterness for [his] firstborn.**

**[Zec 13:8](#) And it shall come to pass, [that] in all the land, saith the LORD, two parts therein shall be cut off [and] die; but the third shall be left therein.**

**Zec 13:9** And I will bring the third part through the fire, and will refine them as silver is refined, and will try them as gold is tried: they shall call on my name, and I will hear them: I will say, It [is] my people: and they shall say, The LORD [is] my God.

As time went on and the church moved further away from her beginnings and roots, many began to believe the church replaced Israel. But in the day and age when we see biblical prophecy being fulfilled, with God's continual protection and restoration of the Jews to the land, there should be none that hold unbelief of his promises; BUT THERE ARE. There are some within the Church that take the position that Israel as a people and a nation have no further place with God and that Israel is eternally cast off for their rejection of the Messiah. They believe that National Israel no longer has a future in the plan of God and that all the promises given to Israel are forfeited and are now transferred to the church – the church is now the true Israel. Some go so far as to say disparaging remarks like the Jewish people are now no longer a “chosen people of God” and are cursed because of their unbelief or that the Jews have inherited all the curses of the law found in Deuteronomy chapters 28-33. They believe that ALL the blessings to Israel are now transferred to the church.

**See Scott Johnsons Teaching:**

**Biblical Cause of Jewish / Israel Affliction, John Hagee, Christian Zionism Warning**

The adherents to this Replacement Theology teaching claim the Church was in the Old Testament and was an assembly of believers, so the Church becomes the continuation of Israel. Since Pentecost of Acts 2, the term “Israel” now refers to the Church, they say. One only needs to look at how the words in the Book of Acts are used to see this is not so. If this is true, then why are there distinctions of Israel and the Church throughout the Book of Acts and why are distinguishing statements made through the epistles? This is a man-made doctrine built on a false presupposition.

The first occurrence of the Greek word ekkleesia in the New Testament is found in Matthew 16:18. The word Church (ekkleesia –assembly) is often referred to mean Israel by replacement theologians as a generic meaning for an assembly of worshipers. Thus, they assume the word Church (Ekkleesia) is a Greek word for Israel. They believe this is what Jesus Messiah meant in Matthew 16:18 & Matt.18 for the word Church. This would mean there always was the Church (i.e., “the Church” is Israel continued in the New Testament). However, in Matthew 16:13-20, the word “church” literally means “those called out,” but it also refers to those, like Peter, who confess Jesus is the Son of the Living God, something that was not revealed in the Old Testament (this will be further explained as we look at Romans 11). These called-out ones are not in reference to the Mosaic Law that was given the nation Israel, but to a whole new Covenant.

In the New Testament, the term is used also in the narrower sense of a single church, or a church confined to a particular place. There is the church in the house of Aquila and Priscilla (Romans 16:5); the church at Corinth; the churches in Judea; the church at Jerusalem, etc. If one were to use the word Israel for Church throughout the New Testament, they would begin to see the problems it would create:

In Acts 8:3, Saul persecuted the Christians from house to house. He certainly was not persecuting Israel.

**Act 2:47** ...And the Lord added to the church (Israel) daily such as should be saved..”

**Act 8:1** ¶ And Saul was consenting unto his death. And at that time there was a great persecution against the church (Israel) which was at Jerusalem;

**Act 11:26** And when he had found him, he brought him unto Antioch. And it came to pass, that a whole year they assembled themselves with the church (Israel), and taught much people. And the disciples were called Christians first in Antioch

The fact that Jews were called out of unbelieving Israel to be part of the Church does, in all sense, go against the Church being Israel.

Israel was always referred to as the nation made up of Jews who are physical

descendants of not just Abraham but Abraham, Isaac, and Jacob. 73 times in the New Testament the term "Israel" is used. The majority of the times it refers to national ethnic Israel. **In Romans 9:6 the apostle distinguishes two Israel's, one that believes, the other unbelieving; both are ethnic Israelites, but only one has faith that keeps them in the covenant.**

**This replacement view is often held within groups such as Reconstructionists, Dominionists, British Israelists (Lost Ten Tribes), Christian Identity and Kingdom Now adherents.**

God has an unconditional commitment to the people of Israel; He has made a covenant and cannot break His Word. There are those in the "church" who take the position that the first covenant promises to the Jews are nullified and void. Paul makes it clear to the church in Rome, **Rom 11:1 ¶ I say then, Hath God cast away his people? God forbid. For I also am an Israelite, of the seed of Abraham, [of] the tribe of Benjamin.**

**Rom 11:2 God hath not cast away his people which he foreknew...**

On this alone, we have evidence that replacement teaching is wrong. In Ezekiel 36, God makes it very clear that He will never abandon Israel. **Not for their sakes, but because He cannot lie.** Jeremiah wrote right after the promise of a new covenant:

**Jer 31:31 ¶ Behold, the days come, saith the LORD, that I will make a new covenant with the house of Israel, and with the house of Judah:**

**Jer 31:32 Not according to the covenant that I made with their fathers in the day [that] I took them by the hand to bring them out of the land of Egypt; which my covenant they brake, although I was an husband unto them, saith the LORD:**

**Jer 31:33 But this [shall be] the covenant that I will make with the house of Israel; After those days, saith the LORD, I will put my law in their inward parts, and write it in their hearts; and will be their God, and they shall be my people.**

**Jer 31:34 And they shall teach no more every man his neighbour, and every man his brother, saying, Know the LORD: for they shall all know me, from the least of them unto the greatest of them, saith the LORD: for I will forgive their iniquity, and I will remember their sin no more..**

**Jer 31:35 ¶ Thus saith the LORD, which giveth the sun for a light by day, [and] the ordinances of the moon and of the stars for a light by night, which divideth the sea when the waves thereof roar; The LORD of hosts [is] his name:**

**Jer 31:36 If those ordinances depart from before me, saith the LORD, [then] the seed of Israel also shall cease from being a nation before me for ever. For Israel to no longer be a nation would mean the sun, moon, and stars would also not exist.**

God made a blood covenant (unconditional) with Abraham:

**Gen 12:1 ¶ Now the LORD had said unto Abram, Get thee out of thy country, and from thy kindred, and from thy father's house, unto a land that I will shew thee:**

**Gen 12:2 And I will make of thee a great nation, and I will bless thee, and make thy name great; and thou shalt be a blessing:**

**Gen 12:3 And I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed.**

**This has not been revoked. To this nation, God will give the land of Canaan (Genesis 12:1, 7; 13:14-15, 17; 15:17-21; 17:8). God will bless those who bless this nation and curse those who curse it (Gen. 12:3) God laid down a divine principle that has been seen and proven throughout history.**

Another point to take into account is

**Joel 3:1 ¶ For, behold, in those days, and in that time, when I shall bring again the captivity of Judah and Jerusalem,**

**Joe 3:2 I will also gather all nations, and will bring them down into the valley of Jehoshaphat, and will plead with them there for my people and [for] my heritage Israel,**

**whom they have scattered among the nations, and parted my land:**

Israel was given laws and ways to be distinguished and separate from the Gentiles; now we have teachers saying the Gentile church is now Israel. For those who are Gentile who claim they are the true Jews because of their belief in the Messiah now means they replace Israel, Jesus has this to say:

**Rev 2:8 ¶ And unto the angel of the church in Smyrna write; These things saith the first and the last, which was dead, and is alive;**

**Rev 2:9 I know thy works, and tribulation, and poverty, (but thou art rich) and [I know] the blasphemy of them which say they are Jews, and are not, but [are] the synagogue of Satan.**

Israel has become the focus for the world but unfortunately many people that would call themselves 'Christians' no longer believe in the nation's relevance today. It is Satan who has instigated hatred towards the Jewish people throughout the centuries; in the end he will furiously try everything possible to annihilate them (like the Nazis did) so as to negate the promises concerning them in the Bible that have not been fulfilled yet. Just like Gen. 6

Any doctrine or interpretation must be from the context of Scripture and its complete teaching on the subject (both Old and New Testament passages) and not based upon a single verse. We must take the whole counsel of God's Word. When we study Israel, there is a major amount in the Bible concerning the people, the nation, and its future.

Replacement theology and its antagonistic view of Israel are perpetuating an anti-Semitic stance in the Church.

What one believes about Israel is of utmost importance to understanding the Bible and the end times. It should be apparent when we study the Word of God, that the Old Testament promises made to national Israel will literally be fulfilled in the future just as they were literally fulfilled in the past. The details needed are found in the Old Testament, and we find Paul and John in the book of Revelation often draw on a number of passages to prove their points.

If Israel is no longer in God's Biblical timetable then we will find numerous problems springing from this position that cannot be reconciled with God's character or His promises.

Romans 11 contains Scripture passages important to understand. To get the complete picture, Chapters 1-10 of Romans need to be read thoroughly. Romans 2 discusses the Jew and the law. It points out the futility of trying to obtain salvation through the law, that Jews do not have any advantage over the Gentiles for salvation. That all have sinned. The law shows

us how short we fall of God's holiness. In fact, the Jews who have more knowledge of God will have more to answer for. The chapter closes with the statement that it is not enough to be circumcised externally to be a Jew, but rather God's concern is for the heart to be changed, not change in the flesh but in the inner man.

**In Romans 3-8, we are told that the Jews had an advantage over the Gentiles in that they were given the truth of God's Word (the oracles of God) and were entrusted to keep it. However, both the Jew and Gentile have sinned, and the law did not justify them, neither one is justified outside of faith in Jesus Christ.**

Paul raises the question regarding the place of Israel in Romans 9, 10, 11. In Romans 9:3, he said: "**For I could wish that myself were accursed from Christ for my brethren, my kinsmen according to the flesh.**" If the Church replaced Israel, this could not be stated.

### **The Silence of the Pulpits**

By [Bill Warner](#) August 19, 2012--If you are even slightly awake about the world news today, it is no surprise that **Christians are being killed, raped, and brutalized throughout the Islamic world.** However, there is a place where you can go to escape the dreadful and relentless details of Christian annihilation by Islam. **You can just go to church.**

For example, [Christians were killed](#) this week in Nigeria. Nothing out of the ordinary -- indeed, in the world of Christian persecution, this is routine.

**And so the response found in nearly every church to the murder of Christians is...wait for it...complete silence. Not a mention or reference to it, or to the brutality against Christians that happens almost every day in the Islamic world.**

**This is not a passive silence, because if you try to change it, you will fail. The silence is an active, working conspiracy that goes throughout nearly all of Christendom.**

**Take a simple example: prayer for the persecuted.** From a Christian perspective, this falls under the heading of obvious. **Try taking the idea of prayer for the routinely murdered Christians in Nigeria or Egypt to ministers, boards, and any part of the structure of the church, and see how far you will get. You will usually get rejection with a myriad of lame and evasive excuses, since the people in power fear to recognize the suffering of Christians around the world.**

If you acknowledge the suffering, you might wind up asking the question: *why* are these Christians suffering? Ah, there is the rub. **The suffering is caused by Muslim jihadists who are following the Islamic doctrine of jihad against the Christian as found in Koran, Sira, and Hadith. Islam is the cause of suffering of Christians, as well as of Jews, Hindus, Buddhists, etc...**

But stop! We cannot say those things! **Facts are now considered the new hate speech, so we cannot speak about the jihad against Christians. Therefore, we get no prayers for the persecuted, because it would lead to talk about why the murder of Christians keeps happening. And that truth would lead to being called an Islamophobe, so we are not going there. Result: silence.**

It is ironic that the *Wall Street Journal*, a financial newspaper, has run [an article](#) about the silence at the pulpit concerning the suffering of Christians. We live in a time of moral inversion, when Christian leaders are chastised for their moral bankruptcy by money men. It is supposed to be the other way around.

Actually, there are few religious leaders left in America. **Instead we have chief-executive-officers (CEO) who manages a 501(c)(3) institution that has meetings on Sunday. The Deacons are Board of Directors in this corporation according to IRS guidelines which dictate how the church is to conduct itself. This is because this corporate church received its permission to exist (in this case its corporate charter) by the government & IRS; making them the creator of this type of church which comprise 99.9% of all churches are in the USA.** In too many cases this type of church has devolved into an hour long meeting that is supposed to make you feel good for a week.

This 501(c)(3) corporate mentality is another one of the roots of the denial of the Christian suffering. **If you are willing to see the doctrinal roots of the ongoing murder of Christians by Muslims, then you might have to speak about it from the pulpit, and that could be seen as political speech, which is forbidden according to the IRS guidelines this corporate church is to abide by.** So if a minister is worried about the IRS revoking his 501(c)(3), then whom is the minister serving? Caesar or Christ?

The government, universities, many churches, synagogues, and the media have become enforcers of multiculturalism and political correctness. They are very powerful and believe that their dogma rules all peoples.

**The silence of the pulpits is the greatest aider and abettor of Islam in the U.S. No one serves and advances Islam better than the silent ministers. They have abandoned their duty of courage in the face of persecution, but the rest of the flock still looks for moral leadership from them. Islam triumphs when Christian leaders do not condemn the murderous evil of political Islam.**

Even worse than the silent ministers are those who go to "interfaith dialogs" and smile while the Muslims assert religious and political dominance over them like Rick Warren. The nice, oh so nice Christians and Jews show up to tie, while the Muslims are there to win, and they do. Christians need to follow the example of Jesus and willingly suffer the condemnation by the Establishment and fight against the political Islam that murders Christians. Said another way, Christians should demonstrate courage and sacrifice to support their cruelly murdered brothers and sisters.

**We cannot defeat political Islam until we get Christian boots on the ground. Do the math. The pulpits must become a source of courage and knowledge and stand up for Christians, Jews, Hindus, Buddhists, and all others who suffer under Islam's persecution today and who have suffered for the last 1,400 years.**
