**Ephesians 5:11, 13-16:** "And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, Redeeming the time, because the days are evil."

The 1828 Noah Webster Dictionary defines:

**Reprove:** To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

**Circumspectly:** Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

**Matthew 24:24:** "...if it were possible, they shall deceive the very elect."

**II Corinthians 2:11:** "Lest Satan should get an advantage of us: for we are not ignorant

of his devices."

**II Chronicles 7:14:** "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

### **London Olympics – False Flag, Diversion or Prelude?**

By Zen Gardner--[theintelhub.com](http://theintelhub.com)--July 29, 2012

Too many people are "getting it" for the string-pulling Cabal to be comfortable.

**The Colorado shooting scam is way too obvious for too many & the militarized Olympic Zionfest is a blatant bread and circus socialist propaganda ploy.**

**That's why they need another mega shocker like 9/11 to keep the program in line. That, or a series of carefully planned smaller false flags that accomplish the same purpose.**

I'm not saying the big one's going to be at the Olympics. But it may be as there will most likely be some type of 'event' to justify the security scenario there.

**Just as we track their trends and obvious motives, they're monitoring the pulse of the masses as well as the alternative community, and when people get too alert and awake, they drop another bomb.**

**Allegorically, literally, or both. They'll do whatever is necessary. The masses must be kept under the spell.**

**"If you tell a lie big enough and keep repeating it, people will eventually come to believe it." - Joseph Goebbels Nazi Propaganda Minister**

**Pro 29:12 If a ruler hearken to lies, all his servants [are] wicked.**

**Pro 19:5 A false witness shall not be unpunished, and [he that] speaketh lies shall not escape.**

**Psa 63:11** But the king shall rejoice in God; every one that sweareth by him shall glory: but the mouth of them that speak lies shall be stopped.

**Psa 62:1** Truly my soul waiteth upon God: from him [cometh] my salvation.

**Psa 62:2** He only [is] my rock and my salvation; [he is] my defence; I shall not be greatly moved.

**Psa 62:4** They only consult to cast [him] down from his excellency: they delight in lies: they bless with their mouth, but they curse inwardly. Selah.

**Psa 62:5** My soul, wait thou only upon God; for my expectation [is] from him.

There's a maintenance plan for the big lie behind it all. If the power of the lie starts to wane, you have to beef it up again. It's as simple as that. It's like someone coming out from under anesthesia; if you don't want them to wake up yet you have to re-administer the drug once more.

People are waking up, collectively and individually. No doubt.

Even mainstream news commentators are catching on and demanding answers to this latest round of staged stupidity.

Believe me, they're watching. Things will be evolving quickly no doubt, but if you're aware of motives and trends and who's who you won't be caught off guard.

**Just keep an eye out for the closing ceremony. 12-8-12. Could be significant.**

Be on your toes, because something's very likely about to side-swipe all of us so hard it's gonna make our heads spin.

### Obama Observations

**Psa 12:8** The wicked walk on every side, when the vilest men are exalted.

**Isa 32:6** For the vile person will speak villany, and his heart will work iniquity, to practise hypocrisy, and to utter error against the LORD, to make empty the soul of the hungry, and he will cause the drink of the thirsty to fail.

**WND writes:** The truth, in this case, is that the current occupant of the White House lies about virtually everything of importance to Americans. Barack Obama has lied about his birth, his childhood, his education, his influences and associations, his religion, his accomplishments, his policies, his true beliefs and his plans for America's future. In fact, after more than three years as president, Obama's lying has become so embarrassing and undeniable that the only defense his supporters have is to change the subject or to claim "Republicans do it too."

But as documented in the July issue of WND's monthly Whistleblower magazine – titled "[WHY OBAMA LIES](#)" – **America has never seen a chief executive misrepresent the truth as deliberately, recklessly and effortlessly as this one.**

**One columnist writes:** The present U.S. Corporate CEO represents the epitome of lies and liars. Nothing about his past, present or future reveals Truth. He represents nothing of Goodness! True to his Master Satan, he has a clever tongue and has deceived nearly everyone by his charade of evil. He is supported in his mission to complete the destruction of America and control the world by his entourage of evil doers and his supposed wife, who matches him as Queen of Liars.

**Another columnist writes:** The Obama administration is now running newspaper ads calling for people, including those in the country illegally, to apply for food stamps and other welfare benefits. One hundred million Americans are now receiving some form of welfare excluding S.S. and Medicare. This intentional outcome enforces the permanent re-election of the Liberals/Democrats as their voters will not bite the hand that feeds them. Never mind that they are destroying the country and the people they profess to be helping, all they care about is control of the country by maintaining themselves in power. While continuing to attack businesses not funded by government ('you didn't build that') he (Obama) speeds up, via public solicitation and advertising, the implementation of the plan to bankrupt America 'by spending it

into oblivion' and to establish upon its ashes a Socialist/Communist State. This mindset is foreign to the principles upon which our country was founded. Now the second most listened to radio broadcaster in the country has publically called Obama 'the most evil president in history'. Since last WE wrote he has signed still more Executive Orders most in direct contradiction of our true/original/legitimate Constitution. He is attacking the Constitution with a machete in one hand and a box of matches in the other.

**Another report reads:** Tennessee where state Rep. Kelly Keisling (R) is telling his constituents he believes President Obama plans to fake his own assassination and declare martial law all to avoid an election against Republican challenger Mitt Romney.

The communications came in an email sent from a government email address in his office. Keisling forwarded the email along with a warning that the President is coordinating the rouse with the Department of Homeland Security. According to [The Huffington Post](#), the rumor was apparently started by a [Florida-based conservative blogger](#), and was based on an article written by Doug Hammon and posted on CanadaFreePress.com.

**[Iranian Ayatollah: "War Within Weeks" Iran Preparing for Strike on its Nuclear Facilities](#)**  
Wednesday, August 1, 2012--Iran's supreme leader Ayatollah Ali Khamenei told top Iranian military chiefs to expect "war within weeks," at a recent war council meeting, according to Israeli news outlet DebkaFile.

**Play Video:** [http://www.youtube.com/watch?feature=player\\_embedded&v=GE5c\\_9reXz4](http://www.youtube.com/watch?feature=player_embedded&v=GE5c_9reXz4)

Despite more substantive reports speculating that any decision to attack Iran on behalf of Israel had been [delayed until spring 2013](#), **a parallel narrative that a military strike could take place in September or October has been doing the rounds more recently.** Whether the DebkaFile report is accurate or not, Iran has finalized preparations for conflict with its [recent announcement](#) that plans for closing the Strait of Hormuz, a key choke point through which 33% of the world's oil shipments pass every day, are now complete.

The United States responded last month by [sending underwater sea drones](#) that would find and destroy mines and prevent Iran from being able to block the Strait.

U.S. aircraft carriers Eisenhower and Enterprise [remain stationed in the waters surrounding Iran](#) supported by several smaller attack ships.

Although [U.S. Secretary of Defense Leon Panetta denied](#) reports that his upcoming trip to Israel would include discussions on a potential time frame for attacking Iran's nuclear facilities, during a recent **visit presidential candidate Mitt Romney signaled that he would back an assault by Israel.**

[According to the London Guardian](#), leading Israeli military figures are opposed to attacking Iran in the short term, with Prime Minister Binyamin Netanyahu insisting he would make the decision.

However, **Chief of Staff Lt.-Gen. Benny Gantz publicly denied that he is opposed to a strike and re-affirmed that the IDF will carry out orders to attack Iran's nuclear facilities if they are given.**

**[Iran's President Ahmadinejad says World Forces must Annihilate Israel](#)**

By JOANNA PARASZCZUK--02/08/2012

In a speech published on his website Thursday, **Iranian President Mahmoud Ahmadinejad said the ultimate goal of world forces must be the annihilation of Israel.**

Speaking to ambassadors from Islamic countries ahead of 'Qods Day' ('Jerusalem Day'), an annual Iranian anti-Zionist event established in 1979 by Ayatollah Khomeini

Ahmadinejad added that "liberating Palestine" would solve all the world's problems, although he did not elaborate on exactly how that might work.

"Qods Day is not merely a strategic solution for the Palestinian problem, **as it is to be viewed as a key for solving the world problems**," he said.

He added: "Anyone who loves freedom and justice must strive for the annihilation of the Zionist regime in order to pave the way for world justice and freedom."

**Ahmadinejad, who has called the Holocaust a myth, has previously called for Israel's annihilation, in a 2005 speech in which he used a Persian phrase that translates literally as "wiped off the page of time."**

## **U.S. and Israel Intensify Talks on Iran War Options**

August 1, 2012 By [ELISABETH BUMILLER](#) and [JODI RUDOREN](#)

ASHKELON, Israel — A series of public statements and private communications from the Israeli leadership in recent weeks set off renewed concerns in the Obama administration **that Israel might be preparing a unilateral military strike on Iran, perhaps as early as this fall.**

**But after a flurry of high-level visits, including one by Defense Secretary [Leon E. Panetta](#) to Israel on Wednesday, a number of administration officials say they remain hopeful that Israel has no imminent plans to attack and may be willing to let the United States take the lead in any future military strike, which they say would not occur until next year at the earliest.**

The conversations are part of delicate negotiations between the United States and Israel that have intensified over the past month. On Wednesday they continued with Mr. Panetta, who appeared with the Israeli defense minister, [Ehud Barak](#), **and declared that the United States would stand by Israel if Iran developed a nuclear weapon.**

In Jerusalem, Mr. Netanyahu continued on Wednesday with his tough rhetoric of recent days, arguing that sanctions against Iran were largely useless. **"Right now the Iranian regime believes that the international community does not have the will to stop its nuclear program,"** Mr. Netanyahu said. **"This must change and it must change quickly because time to resolve this issue peacefully is running out."**

In Israel, there remains feverish speculation that **Mr. Netanyahu will act in September or early October. Besides the prime minister's fear that Israel's window of opportunity will close soon, analysts cite several reasons for the potential timing: Israel does not like to fight wars in winter. Mr. Netanyahu feels that he will have less leverage if President Obama is re-elected, and that if Mr. Romney were to win, the new president would be unlikely to want to take on a big military action early in his term.**

**"If I were an Iranian, I would be very fearful of the next 12 weeks,"** said [Efraim Halevy](#), a former chief of Israel's intelligence agency and national security adviser.

## **Report: Russia Moves Nuclear Missiles to Cuba Cuban missile crisis part two?**

Thursday, August 2, 2012--**A report out of Pravda quotes President Vladimir Putin as saying that Russia has moved strategic nuclear missiles to Cuba in response to the United States' continuing efforts to encircle Russia in Eastern Europe.**

[The article](#), written by Lyuba Lulko, explains how Russia is reviving its military operations in Vietnam, Cuba and the Seychelles. In October 2001, President Vladimir Putin announced that the Lourdes radio-electronic center in Cuba had been shut down as a "gift" to President George W.

Bush on the basis of promises given by Bush that the U.S. missile defense system would never be deployed in Eastern Europe.

However, with the missile defense system under the auspices of NATO now reaching "interim operational capability" in Europe at the end of May, that promise has been shattered.

"The Russian Federation has fulfilled all terms of the agreement. And even more. I shut down not only the Cuban Lourdes but also Kamran in Vietnam. I shut them down because I gave my word of honor. I, like a man, has kept my word. **What have the Americans done? The Americans are not responsible for their own words. It is no secret that in recent years, the U.S. created a buffer zone around Russia, involving in this process not only the countries of Central Europe, but also the Baltic states, Ukraine and the Caucasus. The only response to this could be an asymmetric expansion of the Russian military presence abroad, particularly in Cuba,**" the report quotes Putin as saying.

"With the full consent of the Cuban leadership, on May 11 of this year, our country has not only resumed work in the electronic center of Lourdes, **but also placed the latest mobile strategic nuclear missiles "Oak" on the island. They did not want to do it the amicable way, now let them deal with this,**" added Putin.

### **Government Silently Positions for Martial Law as Financial Collapse Arrives in America**

truther August 2, 2012-- Susanne Posel-- *Occupy Corporatism*

The US government has been scheming on how to provide for continuity of government for many decades now. According to Peter Santilli, an informant who is an ex-marine and worked on portions of the contingency plans known as Rex 84, civil unrest will come after a financial collapse.

The Readiness Exercise 1984, a.k.a. Rex 84, outlines continuity of government wherein the US Constitution is suspended, martial law is declared and the US military command take over state and local governments in order to ensure stabilization of our nation at any cost. Any American who is deemed a "national security threat" would be detained in an interment or FEMA camp.

The author of Rex 84 was Lieutenant Colonel Oliver North, National Security Council (NSC) White House aids and NSC liaison to FEMA.

**Rex 84 is the plan; the triggers are a series of executive orders . It is the continuity of government under specific contingency strategies that are laid out in various operations guide manuals. Operation Garden Plot is a subprogram of Rex 84.**

Twice before, Rex 84 was implemented – during the LA riots and on 9/11. In these scenarios, only small portions of the entire set of documents were used. Within the series of contingency plans, implementation of them depends on the severity of the situation.

Some of the plans include internment camps where all or portions of the active or inactive military bases would be transformed into work camps where all considered to be dissonant

would be held. **The NORTHCOM army manuals clearly state that NATO forces will be used in every phase of the operation.**

**+Shocking: The Alaskan Island Tradeoff**

Posted by Old Timer on July 31, 2012

I read the article about Odumbo supposedly giving away 7 Alaskan islands to the Russians back in February.

**See:** *The Obama Administration is reportedly giving away Wrangell, Bennett, Jeannette and Henrietta islands in Alaska to Russia. The federal government drew the line to put these seven Alaskan islands on the Russian side Former senatorial candidate Joe Miller broke this story at [World Net Daily](#)*

**A high up inside source says those 7 islands are payment for the 350,000 Russian troops here that will disarm and kill Americans when the collapse comes! It includes their training, wages, guns, ammo, tanks, assault weapons and housing in underground bunkers.**

So in reality Odumbo, gave away our land as payment to kill most of us, while most of our troops are overseas... Back in February the deal was made just like the article says about the giving away of the 7 islands. So they say no money in the article was given because there wasn't any US dollars paid! **Instead they made a deal for the slaughter of our blood and lives for the rich oil based islands, and will let their Russian troops do the dirty work! Besides, how could they afford to pay the Russian troops you ask to attack the American people? They can't! We are already 16 trillion in debt. In reality it is over 200 trillion! They don't want our soon to be useless dollars anyways. So payment was made with the oil rich 7 islands for the Russian troops. It all fits the puzzle and the mystery behind what the payoff was.** You may post or do what you want with this information.

Pass this along to everyone you know.....

**Sidebar:**

**[Resumed NATO Convoys Mean Millions for Taliban](#) -- 31 Jul 2012** *As the United States trumpeted its success in persuading Pakistan to end its seven-month blockade of supplies for NATO troops in Afghanistan, another group privately cheered its good fortune: the Taliban. **One of the Afghan war's great ironies is that both NATO and the Taliban rely on the convoys to fuel their operations - a recipe for seemingly endless conflict.** The U.S. military estimated last year that **\$360 million in U.S. tax dollars ended up in the hands of the Taliban**, criminals and power brokers with ties to both. More than half the losses flowed through a \$2.1 billion contract to truck huge amounts of food, water and fuel to American troops across Afghanistan.*

Should a situation warrant serious attention; crowd control methods would be implemented. One possible scenario was the use of cluster bomb units (CBUs) that will emit upon detonation, a "sleep and kill" [chemical weapon](#) that will not disturb infrastructure, but is lethal to all living things within the effected zone.

**This is just one example, says Santilli, as to the lengths the [US armed forces](#) are trained to make sure continuity of government is preserved.**

**Santilli explained that the use of foreign troops on US soil, as described in Rex 84 and other subsequent manuals, would have a two-fold purpose.**

Firstly, to provide extra security in designated areas, cities or highways; and secondly, as scapegoats were violent action used against American citizens should the US military be directed to attack civilians.

Santilli explains that his knowledge of Rex 84 provides that within the document, one of the scenarios that would cause a complete suspension of the US Constitution, Bill of Rights and implement martial law would be a financial collapse. He says once the collapse occurs, the US government and defense agencies estimate they have a 72 hour window to activate all procedures to ensure continuity of government as well as a lockdown of the general population as civilian unrest, riots and outbreaks of violence are anticipated.

A source in the Deutsche Bank claims that in 2008 our financial and monetary system completely collapsed and since that time the banking cartels have been "propping up the system" to make it appear as if everything was fine. In reality our stock market and monetary systems are fake; meaning that there is nothing holding them in place except the illusion that they have stabilized since the Stock Market Crash nearly 5 years ago. Since this time, the Department of Homeland Security (DHS) in conjunction with FEMA and other federal agencies have been quickly working to set in place their directives of control under a silent martial law.

The Deutsche Bank informant says that the financial collapse that happened in 2008 will be realized here in America very soon. Once that happens, there must be full implementation of marital law to control the potential riots and control over citizens that will be desperate to feed their families.

The attacks of recent on the 2nd Amendment play a significant role in attempting "amicably" to remove the possibility of civilian retaliation against the US military's presence throughout the nation. However, if they cannot remove the guns from our hands in time, they will continue on with the guidelines set out in Rex 84 with directives to kill any dissenters that refuse to obey.

**DARPA's Blue Angel - Pentagon prepares millions of vaccines against future global flu**

Published: 28 July, 2012

Pentagon's cutting edge research lab says that they've used a massive harvest of tobacco plants to help produce a plethora of flu-fighting vaccines.

The Pentagon's DARPA lab has announced a milestone, but it doesn't involve drones or death missiles. Scientists at the Defense Advanced Research Projects Agency say they've produced 10 million doses of an influenza vaccine in only one month's time.

This "Blue Angel" project, as it's called, suddenly puts the Pentagon in the forefront of the vaccine business. The big question is: why is the Army involved in vaccines at all? And the answer is no surprise. According to DARPA, it's all about readiness in containing bio-threats. Translated, that means terrorist attacks caused by flu viruses.

This is a sinister development. It creates a potential scenario in which the military can invent the "bio-threat" and then step in and provide the solution. It doesn't really matter whether the bio-threat is real or imaginary.

The threat would offer the chance to initiate a martial-law scenario, after which the military vaccine would be made mandatory, destroying the right of each state in the union to permit, as is now the case, people to opt out of vaccination on religious, medical, or ethical grounds.

The Pentagon is famous for developing weapons and then lobbying for battlefield opportunities to use them. This is part and parcel of their "war is forever" mentality. Well, in this case, the vaccine becomes the defensive weapon, and you can be sure the Pentagon will strive to deploy it in a situation that "demands it"---a chilling prospect.

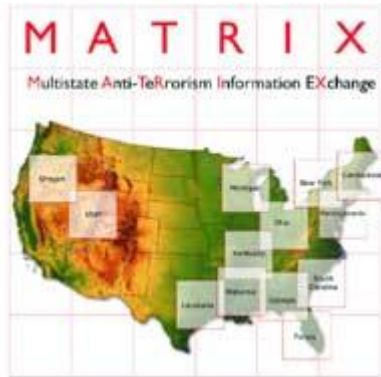

**What is DARPA?**

DARPA is the same agency that announced the Total Information Awareness Network (TIA) in 2002, a big brother network using the Pentagon integrated with local police to spy on the activities of all Americans.

Both DARPA programs use the new world order pyramid symbol in their logos. The pyramid logo for the Total Information Awareness Network is even complete with the image of the all-seeing eye of Lucifer radiating the earth.

DARPA established the MATRIX (see below).

In truth, the matrix was set up decades ago as the local data collection point for the NSA's Echelon system. They have been taking all of your personal data for years and uploading it to Fort Meade. Divorce records, credit card purchases, phone bills, gun records, where you work, you name it public and private they greedily grab it. You see, they built this control grid a long time ago. Long before the September 11th attacks, DARPA was building the architecture of a cashless society control grid. After September 11th when citizens complained about the Total Information Awareness network plans to spy on them, the continuity government agency claimed that it de-funded the program. The truth is, DARPA simply changed the name to Terrorism Information Awareness and got increased funding from Congress through dozens of other sub-agency projects..

Surveys show that on US college campuses **over 70% of all science funding comes directly from DARPA.** Interestingly in 1960 outgoing President Dwight D. Eisenhower warned of the dangerous undue influence that the **military-industrial complex was having in America's infrastructure, and especially on college campuses.**

**There are thousands of facets to this nightmare agency.** One was reported on in the August 5, 2003 Boston Globe. The paper ran the headline, "Defense Department funding brain-machine work." The project is developing technology that "promises to directly read thoughts from a living brain - and even instill thoughts as well." On DARPA's own website, they promote the "Centibots." These tiny 5-pound robots have their own artificial intelligence and hunt fugitives or provide surveillance and security for government agencies in wolf packs of twenty. They are identical in many aspects to the police spiders in Minority Report.

#### **Back to the main report:**

In a press release out of the agency's office this week, **scientists with DARPA say they've reach an important step in being able to combat a flu** pandemic that might someday decimate the Earth's population.

By working with the Medicigo Inc. vaccine company, the Pentagon's cutting edge research lab says that they've used a massive harvest of tobacco plants to help produce a plethora of flu-fighting vaccines.

*"Testing confirmed that a single dose of the H1N1 VLP influenza vaccine candidate induced protective levels of hemagglutinin antibodies in an animal model when combined with a standard **aluminum** adjuvant,"* the agency (**speaking on Satan's behalf**) writes.

**"Vaccinating susceptible populations during the initial stage of a pandemic is critical to containment,"** Dr. Alan Magill, DARPA program manager, says in an official statement.

**Comment: Yeah just like the 1918/1919 Spanish Flu that killed at least 50 million worldwide and coincidentally the victims that dropped dead were the ones that got vaccinated. See my teaching above.**

The World Health Organization has gone on the record to say that as much as half of the people on the planet could be affected by a pandemic in the near future, and it could take as much as nine months for a vaccine for a pandemic virus strain to become made available. With the lives of billions of people across the world at stake, DARPA has been trying to determine new ways of churning out antidotes in as little time as possible. Now its researchers say, **that in only a month**, scientists “produced more than 10 million doses of an H1N1 influenza vaccine candidate **based on virus-like particles** (VLP).”

Andy Sheldon, Chief Executive Officer of Medicago, says in the company’s own press release that “The completion of the rapid fire test marks a substantial achievement in demonstrating our technology and **the potential for Medicago to be the first responder in the event of a pandemic flu outbreak.**”

Medicago’s research was conducted in a 97,000-square-foot vaccine facility in North Carolina that was funded through a \$21 million Technology Investment Agreement with DARPA.

### [New strain of avian flu responsible for the death of 162 seals- scientists warn it could jump to humans](#)

August 1, 2012 – HEALTH – A new strain of avian flu that jumped from birds to mammals is responsible for the death of more than 160 seals off the New England coast last year, scientists announced Tuesday. **The virus could theoretically pose a threat to human health, they said.** Harbor seals — most of them babies less than 6 months old — began appearing with severe pneumonia and skin lesions in September of last year, the researchers said. Over the next few months, at least 162 dead seals were recovered along the coast from Maine to Massachusetts, they said. **Mutant bird flu would be airborne, scientists say. Testing pointed at a new strain of the H3N8 flu virus being called seal H3N8.** “When initial tests revealed an avian influenza virus, we asked the obvious question: How did this virus jump from birds to seals?” lead researcher Simon Anthony of Columbia University said. **The virus developed the ability to attack mammalian respiratory tracts, scientists learned. It may also have developed enhanced virulence and transmission in mammals,** they said. Avian flu has spread to humans before, most

notably H1N1 and H5N1, so the new strain could pose a threat to public health, scientists warned. "HIV/AIDS, SARS, West Nile, Nipah and influenza are all **examples of emerging infectious diseases that originated in animals**," said W. Ian Lipkin, director of the Center for Infection and Immunity at Columbia University. "Any outbreak of disease in domestic animals or wildlife, while an immediate threat to wildlife conservation, **must also be considered potentially hazardous to humans**," he said. [CNN](#)

### US officials warn of swine flu outbreak at fairs

US health officials on Friday warned the public to be careful around pigs after an outbreak of flu among visitors to county fairs.

The virus does not appear to have evolved to the point where it spreads **easily** among humans, but it does contain a gene from the pandemic H1N1 flu that sickened millions worldwide in 2009 and 2010.

"We are concerned that... **may confer the potential for the virus to infect or spread among humans to a greater extent**," said Joseph Bresee, an influenza epidemiologist at the Centers for Disease Control and Prevention.

With county fair season in full swing, health officials expect more people will get sick.

### **[Why is GMO Hepatitis B Vaccine Given to Newborn Babies?](#)**

**Barbara H. Peterson Farm Wars**

In the United States, the Hepatitis B (Hep B) vaccine is scheduled to be given to babies at birth.

**Since babies do not normally go out and indulge themselves in high risk behavior such as tattooing, body piercing, IV drug use, sharing heroin needles with others, having intercourse with multiple partners, or engaging in any high risk activity other than being born in a hospital, and "the duration of protection after hepatitis B vaccination of infants is unknown," why give them the shot?**

Here is the CDC vaccination schedule, with the Hep B vaccine to be given at birth and several boosters thereafter:

**FIGURE 1: Recommended immunization schedule for persons aged 0 through 6 years—United States, 2012** (for those who fall behind or start late, see the catch-up schedule [Figure 3])

Vaccine ▼	Age ►	Birth	1 month	2 months	4 months	6 months	9 months	12 months	15 months	18 months	19–23 months	2–3 years	4–6 years	
Hepatitis B <sup>1</sup>	Hep B		HepB			HepB		HepB						Range of recommended ages for all children
Rotavirus <sup>2</sup>			RV	RV		RV <sup>2</sup>								
Diphtheria, tetanus, pertussis <sup>3</sup>			DTaP	DTaP	DTaP		see footnote <sup>3</sup>		DTaP				DTaP	
<i>Haemophilus influenzae</i> type b <sup>4</sup>			Hib	Hib	Hib <sup>4</sup>			Hib						Range of recommended ages for certain high-risk groups
Pneumococcal <sup>5</sup>			PCV	PCV	PCV			PCV					PPSV	
Inactivated poliovirus <sup>6</sup>			IPV	IPV				IPV					IPV	
Influenza <sup>7</sup>								Influenza (Yearly)						
Measles, mumps, rubella <sup>8</sup>								MMR		see footnote <sup>8</sup>			MMR	Range of recommended ages for all children and certain high-risk groups
Varicella <sup>9</sup>								Varicella		see footnote <sup>9</sup>			Varicella	
Hepatitis A <sup>10</sup>									Dose 1 <sup>10</sup>				HepA Series <sup>10</sup>	
Meningococcal <sup>11</sup>													MCV4 — see footnote <sup>11</sup>	

This schedule includes recommendations in effect as of December 23, 2011. Any dose not administered at the recommended age should be administered at a subsequent visit, when indicated and feasible. The use of a combination vaccine generally is preferred over separate injections of its equivalent component vaccines. Vaccination providers should consult the relevant Advisory Committee on Immunization Practices (ACIP) statement for detailed recommendations, available online at <http://www.cdc.gov/vaccines/pubs/acip-list.htm>. Clinically significant adverse events that follow vaccination should be reported to the Vaccine Adverse Event Reporting System (VAERS) online (<http://www.vaers.hhs.gov>) or by telephone (800-822-7967).

Newborn babies ARE NOT high risk individuals! **And to receive the recommended 4 doses all within a 24 week period? That's a whole lot of aluminum and formaldehyde for a baby from birth to 6 months old.**

## [Big Pharma Sales Agent Dr. Oz Pimps Vaccines on Public After Not Vaccinating His Own Children](#)

June 8, 2012--Vaccinations have far more benefits than risks, and when children are not vaccinated, their own health and the health of everyone around them is at serious risk. **These are some of the outrageously false statements made by the infamous Dr. Mehmet Oz in a recent shill piece published by the Herald-Tribune promoting the vaccine agenda.**

Perceived by many as an unbiased source of health information, the professor of surgery at Columbia University and host of The Dr. Oz Show, Dr. Oz is now on the record as openly spreading fear and propaganda about vaccines in order to convince his followers to get them. In a piece co-written with Dr. Michael Roizen, **who just so happens to have worked with Dr. Oz to create the pharma-backed RealAge.com scam**

([http://www.naturalnews.com/027647\\_RealAge\\_scam.html](http://www.naturalnews.com/027647_RealAge_scam.html)), Dr. Oz claims that he interviewed **150 experts from both sides of the vaccination issue, and determined that vaccines are safe and necessary.**

He goes on to suggest that some parents' decision not to vaccinate was responsible for the 2010 whooping cough outbreak that reportedly afflicted more than 21,000 children, 22 of whom died. **But as we reported previously, most of the children stricken by this outbreak had actually been vaccinated against whooping cough** (<http://www.naturalnews.com>). **Dr. Mercola documented that 92% of those that came down with Whooping Cough in a recent CA**

**outbreak were actually vaccinated against whooping Cough!!! See:**  
[http://articles.mercola.com/sites/articles/archive/2012/07/30/whooping-cough-vaccine.aspx?e\\_cid=20120730\\_DNL\\_artNew\\_1](http://articles.mercola.com/sites/articles/archive/2012/07/30/whooping-cough-vaccine.aspx?e_cid=20120730_DNL_artNew_1)

Nevertheless, Dr. Oz continues by making the same false implications as the rest of the mainstream medical system, **that so-called “herd immunity” is stunted when some children are not vaccinated. He then urges his followers to get vaccinated for the “protection [of] the whole community.”**

**Comment: This theory is pretty much debunked when you have 92% more people becoming infected with Whooping Cough who were actually vaccinated for that; and that is just one documented group for one vaccine. Also if vaccines are so great why would you worry about an unvaccinated individual being around a vaccinated individual? I mean the vaccinated group are protected according to the Satanic Pharma MD’s pushing them.**

Though at times he appears to promote alternative forms of medicine that are not widely accepted by the medical establishment, **Dr. Oz has shown himself to be nothing more than a Big Pharma shill that now pushes vaccines and other unproven quackery on the public as valid medicine.**

This is hardly shocking in light of the fact that Dr. Oz has a financial stake in the drug industry, which was revealed back in 2009 during the time when the phony H1N1/swine flu scam was occupying the statist airwaves

([http://www.naturalnews.com/027451\\_vaccine\\_RealAge\\_technology.html](http://www.naturalnews.com/027451_vaccine_RealAge_technology.html).)

In an interview with CNN’s Anderson Cooper that has mostly been removed from the internet, **Dr. Oz admitted that his wife and children would not be receiving the H1N1 vaccine.** Most copies of this interview with Dr. Oz have been pulled from the internet, but the clip in question begins around the one-minute mark of the linked YouTube video:

<http://www.youtube.com/watch?v=DGwiquLgcjk>

**You can also check out this thorough review of Dr. Oz’s involvement in promoting the very H1N1 vaccine that his wife and children would not be receiving:**

<http://www.youtube.com/watch?v=04gaxcrVRxY>

None of this is really all that surprising, considering **Dr. Oz was exposed for quietly holding shares in SIGA Technologies, a vaccine technology company that has an obvious interest in vaccine promotion. Dr. Oz even sat on its SIGA’s board of directors, if that tells you anything about his interests in promoting vaccines.**

**The Dr. Oz show is also highly funded by pharmaceutical interests, as is most television news these days. So even if he seemed to somewhat oppose at least some vaccines several years ago, he is obviously being muzzled for the benefit of his corporate overlords, and thus cannot be trusted as a source of unbiased health information.**

**Subject:** [Testimony regarding military experimental vaccines](#)

Due to the audios you have provided me and shared I wanted to share this with you. Before I was saved back in 2001, I decided to join the navy...I will never forget what I had to go through when i reached The Great Lakes Training center in Illinois, when I graduated and when I reached my station in Puget Sound.

Now I believe by the grace of God, Lord and Savior Jesus Christ with all the stuff that was injected into me forcefully I was fully delivered from most side effects or other dangers from these poisons but I believe it also came with a price as far as some damage; **for one I have constant shaking in my right arm (very light now) and essentially all the places i been jabbed I have psoriasis type sores on me which are basically scars now...** Now when I first got to basic I went through the regular yelling and screaming from the drill instructors on our way to the med lab, this was our very first stop after we were rushed off the bus, and were accompanied by a slew of medical doctors and looking around **I couldn't believe what I saw and each examination booths had on its table 17 different syringes and yes it was 17 different types of vaccinations and I know for sure one of them was to "protect" from anthrax I forgot the actual name of it and 6 different flu vaccinations the other 10 was unknown they didnt tell me anything when i asked all I got is "these will be beneficial for you," (exact words from the MD).**

**Comment: Bill Clinton issued Executive Order 13139 on September 30, 1999. It denies servicemen the right to refuse experimental vaccines that are "not yet approved by the FDA for its intended use," and denies them the right to be even be provided with informed consent of what they are receiving.**

It didn't stop there as after graduation we went through two more weeks of actual schooling and **were required to get 5 more UNKNOWN shots and after I reached the USS Sacramento again i was injected 14 more times &...I didn't get one answer from any one as to what these were, all I got was severe illness, lack of strength numerous times, vomiting blood and many days where I would be in a constant state of a brain dead stare into space zombie basically.** To this day i still don't know what these poisons actually where but I firmly believe as being a former guinea pig that these where all trial vaccinations to later being placed into the public....**Now this was back in 2001 so who knows what there experimenting with now but I can almost believe that these swine flu vaccines (and any other newer vaccines they have brought out since 2001) were in use when I was jabbed a total 36 times in one year and many others were as well and all but 6 different flu shots they never told any of us what they were or what they were suppose to prevent**

Thank you for reading this and feel free to share this on a future teaching, this is real, i experienced it firsthand that they actually do this. We are the governments lab guinea pigs when we enlist and i can't imagine how worse it has gotten 11 years later

God bless you and yours
