Matthew 24:24: "...if it were possible, they shall deceive **the very elect.**"

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we **are not** ignorant of his devices."

II Chronicles 7:14: "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

I John 4:18: "There is **no fear** in love; but **perfect love** casteth out fear: because fear hath torment. He that feareth is not made perfect in love."

Heb 13:6: "So that we may boldly say, The Lord *is* my helper, and I **will not fear** what man shall do

unto me."

II Timothy 1:7: "For God **hath not** given us the spirit of fear; but of power, and of love, and of a sound mind."

Ephesians 5:11-16: "And have no fellowship with the unfruitful works of darkness, but rather reprove them. For it is a shame even to speak of those things which are done of them in secret. (Comment: In other words we don't need to get into the gory details of their sin done "in secret" but at the same time we are commanded in the previous and following verses to "reprove" and "manifest" their wicked actions. See the definition below of "reprove" & "manifest".) But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. (Comment: "Light" always overcomes and exposes darkness) Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and **Christ shall give thee light**. See then that ye walk circumspectly, **not as fools**, but as wise, Redeeming the time, **because the days are evil.**"

The 1828 Noah Webster Dictionary defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Manifest: Plain, open, clearly visible to the eye or obvious to the understanding; apparent; not obscure or difficult to be seen or understood.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

"Religion of Peace": Decapitation Central

9/7/2010-- **Bryan Fischer-Focal Point**--Imam Feiz Muhammad operates freely in Australia as a leading Islamic cleric, and preaches the "Religion of Peace" on a weekly basis to its followers.

The latest target of the "Religion of Peace" is Dutch parliamentarian Geert Wilders, whose offense in the imam's eyes is telling the truth about Islam. Remember now that in our Alice-in-Wonderland world, where everything has been turned upside down, truth is now hate speech.

And so it has become for Mr. Wilders, who had the gall to produce a **15-minute documentary, "Fitna," which consists entirely of verses from the Koran calling for violence against the infidels interspersed with video footage of, well, of Muslims committing violence against the infidels.**

For his troubles, Wilders is on trial in the Netherlands and may wind up in prison even though his stance on Islamic immigration is so popular now he'd likely win an election for prime minister if one were held today. He's on trial for insulting Muslims, discrimination against Muslims, and incitement to hatred. In other words, sharia law is now in effect in the land of the Dutch.

In other words, Wilders is on trial for blasphemy in a supposedly Christian country. Not blasphemy against the God of the Bible or the Savior of the world, mind you, **but against the pedophilic prophet of Islam.**

Incidentally, Wilders is under 24-hour security protection from Dutch authorities to protect his very life from, well, from Muslims who want to obey their god by committing violence against this infidel.

Meanwhile, Christopher Hitchens and Richard Dawkins can insult, ridicule, and belittle the Bible and Christians as much as they like, and travel and speak anywhere they'd like in the Christian world, since Christians respond to criticism with reason and debate while Muslims respond with bullets and bombs.

Apparently, brain-addled Dutch authorities want to keep Wilders alive long enough to experience the perverse satisfaction of putting him leg irons themselves. Don't want some devout Muslim spoiling their fun by going jihad on him in the meantime.

So Wilders is in danger from Muslims, who want to kill him, and from his own government, which wants to throw him in prison.

Let's hear from the Australian imam who knows just what Muslims ought to do with Mr. Wilders. The instructions from the kind-hearted and moderate Imam **Muhammad are not just to kill him but to cut off his head.**

Here is a transcript of an excerpt from a just-released sermon from this representative of the "Religion of Peace" (listen to it yourself [here](#)).

After referring to Wilders as "this Satan, this devil," the imam elaborates (emphasis mine)::

"In Islam, anyone that mocks Islam, anyone that laughs about Islam, degrades Islam, the punishment, whether he is a Muslim or a non-Muslim, of mocking Islam is death. If there was an Islamic leader and someone mocks Islam, and makes fun about Islam, the leader of Islam will say, okay, bring him forward. It's been justified that he did this, it's been confirmed. Behead him! Chop his head off!

"And so you will see people like that, that dirty filthy politician, whether in Holland or anywhere else in the world, continually trying to mock Islam, laugh at Islam, degrade Islam and degrade the greatest man that walked this earth."

Here is a fundamental difference between Islam and Christianity: when people ridicule Christianity, Christians debate them and pray for them. When people ridicule Islam, Muslims take their heads off.

Anybody see the difference here? Anybody see the gross incompatibility between Islam and Christian civilization? Anybody see the profound threat that Islam represents to our values and our way of life? Anybody else think that letting them build mosques willy-nilly all over the fruited plane is not such a terrific idea?

911 Mosque Imam issues a not-so-veiled threat

Have you signed our [petition](#)?

In a series of interviews the past two days, Ground Zero Mosque Imam Feisal Rauf significantly raised the stakes.

The self-described “bridge builder” has proven to be anything but, **warning America that dire consequences await us if the mosque is not built.**

In doing so, he described those who oppose the mosque at Ground Zero as “radicals,” a description one Fox News analyst termed “insulting.” In effect, he is asserting that 71% of Americans must yield or we will inflame the Muslim world.

Brigitte Gabriel participated in a heated debate with a friend of this imam on Sean Hannity’s radio program yesterday. **The imam’s friend went so far as to say that the “smoke” caused by this controversy will cause “fire” against America.**

Click on this link: [“Brigitte Gabriel and Jehan Harney Audio File”](#) to listen to the debate.

Imam Rauf’s true colors continue to become more visible to the American people. Now, to argue that America must capitulate or face the consequences, Rauf actually makes the case for ACT! for America’s core mission—rising up against the threat of radical Islam in whatever form that threat takes.

We will stand for freedom and our national security. We will not be intimidated.

DOES ISLAM CONDONE CHILD RAPE AND MURDER?

By Roger Fredinburg--August 31, 2010--NewsWithViews.com--This article is inspired by a shocking video I received of a young Muslim girl, 17 years old, her name was Dua, and she was brutally murdered by a mob of “peaceful” Muslim men and women. ([See Video Warning... If you have a weak stomach, don’t watch it](#))

The girl had rejected an older 50 something man her parents had arranged for her to marry.

By not wanting to be forcibly married off and date raped by some twisted old child molesting “peaceful” Muslim man, she had violated Sharia law, and her sentence, death by stoning. Without the formality of due process and a fair trial of course.

Women and Property the Koran says:

*When one is given a **woman, servant, or cattle**, one should seize its forehead and pray to Allah. Ibn-i-Majah vol.3 no.1918 p.157. See, also Muwatta’ Malik 28.22.52*

I try to imagine the kind of people who could commit such evil; it’s hard for me to even contemplate.

Do they believe they are charged with a religious commandment to kill?

Even innocents including women in their families?

Is it really a matter of fact that if a daughter or wife somehow brings embarrassment or shame through such egregious and heinous acts as being the victims of gang rape that they should be killed for it? ... Really?

It seems to me that daughters and wives of Muslim men have no rights, no freedom, and are treated worse than the family goat.

In the Koran, its standard teaching to associate anyone who disapproves of their beliefs as infidels and the Koran requires that infidels be killed.

Many Muslim men are polygamists and apparently gifted fornicators who long for a place called Paradise where they believe that Allah's ultimate pay-out for killing innocent people is eternal sexual pleasure with 72 perpetual virgins and young boys with pearly white skin?.

Ghilman (Young Boys): In sura: (52:24) Allah promises to supply young diamond-sparkling beautiful boys for some inhabitants of Islamic heavens.

I am not sure how many times a girl or young boy can be de-flowered in paradise and maintain their virgin status, but in this uniquely Muslim fantasy it seems virginity is restored after each bout of intercourse.

I think that exemplifies the sheer stupidity of the Muslim religion.

One might conclude that any organization that uses violence as a recruiting tool might be considered something other than a religious entity. Would a follower of Jesus threaten violence if the faith was rejected? Can you name any other religion where they teach their followers that folks who disagree should be beheaded or slaughtered (Catholics when in a majority position)?

In America, and I suppose internationally, political and media folks shy away from any public expression or negative comments about Muslims out of fear.

Muslims continually threaten all detractors with what they refer to as a Fatwa.

In the American vernacular, that means they put out a hit on a person they dislike... to be killed.

An example of how this effects news cycles is best observed at FOX News where the Muslims own a percentage of the network.

Fox News is partially owned by Saudi Prince Alwaleed bin Talal. More importantly, nobody in the news world or in the American political machine will comment on what seems like an evil force of Muslim driven global terror **because they are fearful of becoming a target.**

Psalms 118:6: The LORD [is] on my side; I will not fear: what can man do unto me?

Prov. 29:25: The fear of man bringeth a snare: but whoso putteth his trust in the LORD shall be safe.

Hebrews 13:6: So that we may boldly say, The Lord [is] my helper, and I will not fear what man shall do unto me.

Deut. 11:25: There shall no man be able to stand before you: [for] the LORD your God shall lay the fear of you and the dread of you upon all the land that ye shall tread upon, as he hath said unto you.

Josh. 10:8: And the LORD said unto Joshua, Fear them not: for I have delivered them into thine hand; there shall not a man of them stand before thee

Americans need to pull their heads out of the deep dark recesses of Politically correct stupidity and renounce Islam as a criminal conspiracy, a global crime syndicate disguised as a religion.

Should Islam be outlawed? Have we been duped into believing that Islam is a religion, when it's not? Should we make illegal, any "religion" that promotes overthrowing our Republic, pedophilia, murder, rape etc.? Or any religion that champions violence against people for simply disagreeing?

I think all Americans agree, murder and terrorism are not a Godly endeavor by any standard. Forcing people to accept a "religion" using death threats as a motivator is beyond wrong. .

Including elected officials and government employees who condone this craziness and perpetuate the lie that violent groups portraying themselves as religions are protected under our constitution.

If Americans can't decide why I recommend completely outlawing Islam and the Muslim religion here at home, then watch that stoning video a few times more.

It appears to me Islam is a planned global conspiracy to destroy Christians and Jews and all people considered infidels by Islam.

Khomeini Sexually Assaulting Crying and screaming 4 year old Girl - with parental consent
blogspotKitmanTV | September 06, 2010

Ayatollah Khomeini, The Supreme Leader of Iran, the Shia Grand Ayatollah, 1979-89 said in his official statements: "A man can marry a girl younger than nine years of age, even if the girl is still a baby being breastfed. A man, however is prohibited from having intercourse with a girl younger than nine, other sexual act such as forplay, rubbing, kissing and sodomy is allowed. A man having intercourse with a girl younger than nine years of age has not committed a crime, but only an infraction, if the girl is not permanently damaged. If the girl, however, is permanently damaged, the man must provide for her all her life. But this girl will not count as one of the man's four permanent wives. He also is not permitted to marry the girl's sister." Hi,

I am asking if you have any knowledge about a website <http://www.wakeupproject.com/Index.asp> and if you've watched any of the dvds of THE ARRIVALS.

Please guide me....I have very little knowledge on the quran; Part 48 Ending.....The Arrivals. Truth or deception?

Take care,

Dr. Johnson's response: These are Muslims trying to brainwash Christians. This is leavened poison. Unfortunately I they even play a quote from me in one of their videos. They try to lump all true Christians in with the Catholics which is what all these apostate cults try to do to demonize true Christianity. This is a whole section of their site devoted to attacking the deity of Jesus Christ and the Word of God:

Feds give DOD child porn buyers a pass--Report says only a handful even investigated
September 07, 2010—WorldNetDaily--**A new report documents how the federal government, busy suing Arizona for upholding national law regarding illegal aliens, has ignored all but a handful of documented cases of the purchase of child pornography by workers at the Department of Defense.**

The report comes from [Yahoo News](#), which said the information comes from a 2006 Immigration and Customs Enforcement review of the online purchases of child porn.

The report said the investigation discovered more than 250 workers – both civilian and military – in the Defense Department who charged porn to their credit cards or used their PayPal accounts.

However, only a "handful" even were investigated, the report said, citing Defense Department records.

The report said the "Project Flicker" work provided to ICE investigators the names and card information of 5,000 Americans, including those who gave military e-mail addresses when they bought the porn.

Judith Reisman, author of "[Sexual Sabotage: How One Mad Scientist Unleashed a Plague of Corruption and Contagion on America.](#)" said the case recalls the securities officials and "[scores](#) of other institutional leaders, including President Bill [Clinton](#)."

"So pornography is not addictive? And what people do in their privacy of their own homes is nobody's business?" she said. "A significant number of these **criminal addicts will have been sexually victimizing children, their own or others.**"

"When I completed my study in 1985 of Images of Children, Crime & Violence in Playboy, Penthouse and Hustler,..., I predicted a massive increase in child sexual abuse and a mimicking of the child pornography in Playboy and its satellites. When I was a kid, in the 1940s living in a Christian moral environment, America was laughed at by Europeans as a 'Child Centered Society.' But Post-Kinsey, we are a 'Child Abuse Society.' [Holy book burnings spark hypocrisy](#)

Chad Groening - OneNewsNow - 9/9/2010--A pro-family organization says it's hypocritical for high-**ranking officials in the Pentagon** to condemn a Florida church's plans to burn Qurans when U.S. military personnel burned Bibles last year in Afghanistan.

Pastor Terry Jones told reporters outside his church in Gainesville Wednesday afternoon that he remains unconvinced that "backing down is the right thing" to do regarding the planned burning of Qurans on Saturday. That protest has drawn objection from Gen. David Petraeus, the top U.S. and NATO commander, who says images of burning Qurans will be used by extremists to inflame public opinion and incite worldwide violence. ([See earlier story](#))

Earlier today on ABC's *Good Morning America*, President Barack Obama [criticized the event](#), calling it a "stunt" and warning it could become "a recruitment bonanza for al-Qaeda." Other notable Obama administration officials, including Defense Secretary Robert Gates and Secretary of State Hillary Clinton, have also condemned the planned Quran burning.

But Bryan Fischer, director of issues analysis at the [American Family Association](#) (AFA), thinks it is the height of hypocrisy for the U.S. government to condemn the church, considering the fact that [the U.S. military incinerated Bibles](#) that were sent to Afghanistan in May 2009. Back in 2009, Bibles printed in native dialects were shipped to American servicemen stationed in Afghanistan, intended for free distribution to interested Afghans.

When out-of-the-mainstream media outlets caught wind of the plan and raised a fuss, military brass, in order not to offend the delicate sensitivities of Muslims, confiscated all the Holy Bibles and incinerated them. Yes, the government of a supposed Christian nation burned Bibles to a crisp. They weren't even returned to the U.S. so they might be distributed to Afghani refugees on American soil. So much for the free exercise of religion under American control.

There is a reason you probably forgot all about this, or never heard about it in the first place. Christians don't riot and throw bombs when their holy book is burned to ashes, even when it's done by their own government.

But now a lone pastor of a small church just threatens to burn the holy book of Muslims, and it's Armageddon. Protests ensue, rocks are thrown at military vehicles, and death threats are issued to Pastor Jones, America itself and to President Obama, the latter just for being president while all this was going on.

This, of course, is exactly the calm, measured reaction you would expect from what everybody tells us is a religion dedicated to moderation, tolerance, harmony, and the well-being of all mankind.

"There's really a staggering level of hypocrisy and double standard here for the military to burn the Holy Bible and then complain when a pastor's going to do the same thing to the Quran," Fischer contends. "You know, if the military was going to be fair here and even-handed, they would count up the number of Holy Bibles that they incinerated in Afghanistan, and then they would allow Reverend Jones to burn the same number of Qurans."

The AFA issues analysis director believes the whole incident illustrates the difference between Christianity and Islam. "When these Bibles were burned [in May 2009], the Christian community did not riot in the streets; we did not threaten violence against anyone," he points out. "[But] when even the threat of Qurans being burned takes place, it's like we're dealing with Armageddon [or] with World War III."

[Colin Hart, Director of The Christian Institute--Comment: Koran book burning is not Christian](#)

Fri, 10 Sep 2010--**By Colin Hart--Director of The Christian Institute**

In today's news there is confusion over whether Pastor Terry Jones of Florida in the US will go ahead with his planned burning of Korans on the anniversary of 9/11.

Whether he does or he doesn't, his Koran-burning idea is wrong, provocative and dangerous.

Like many, I am concerned about the growing influence of Islam. I am concerned that a militant Islamic belief in political domination is a threat to the liberty of us all. But the answer isn't the burning of books.

If copies of the Koran are burned by those who claim to be 'Christian', will this encourage Muslims to read and consider the Bible? Hardly.

It will almost certainly make it more dangerous for Christians living in Muslim-majority countries. And our brave servicemen serving in Iraq and Afghanistan will also be put at greater mortal risk.

The Bible tells Christians: live at peace with all men, as far as it depends upon you. In a democracy we can debate, we can protest, and we can seek to persuade. But we must not deliberately provoke anger or violence.

"Truth Behind Joels Army: Sarah Palin and the Fallen Angels of Rev 9"

What on earth does Joel's Army, Sarah Palin and the Fallen Angels foretold in Revelation 9 got to do with each other?

Pastor Hoggard reveals the startling truth behind a movement that is making huge inroads into the Charismatic/Neo-Pentecostal movement in America and around the world. This movement, called

"Joel's Army" is being promoted by many, including Rick Joyner, who, as Pastor Hoggard proves, is a member of the Catholic Knights of Malta organization, the same organization that "knighted" Rupert Murdoch. Joyner, Sarah Palin and others are teaching untold thousands about a 'new breed' that is going to take over the kingdom and give it to Jesus. This heresy is called 'Dominionism' and is the fatal foundation on which President Bush based his Iraqi and Afghan invasions -- with the full support of thousands of Christian pastors!

Pastor Hoggard also reveals that the army mentioned in the book of Joel, is a perfect match for the fallen angels that are released in Revelation 9!

Sarah Palin Warning

DVD <http://cuttingedge.org/newsletters/newsalert.htm>

I. Governor Sarah Palin twice honored Prince Hall Masonry with official state proclamations!

NEWS BRIEF: "Prince Hall Masonic Week", Alaska Government Archives, April 19, 2008

Since this official announcement was signed by Governor Palin just a few months ago, it is important to recognize the extremely positive view the Governor has toward Freemasonry! Since we have just posted an article showing the Masonic poses which Governor Palin and her husband, Todd, have publicly flashed, it is extremely relevant to realize that Governor Palin holds the Masonic Lodge in very high regard!

"WHEREAS, the Most Worshipful Prince Hall Grand Lodge of Alaska Inc., Free and Accepted Masons of the Alaska Jurisdiction has been in existence since September 1969.

"WHEREAS, the members of the Prince Hall Grand Lodge, F. & A.M. and the Prince Hall Grand Chapter Order of Eastern Stars have rendered valuable service in all levels of government and in their communities. The Prince Hall Masonic Family has become a valuable resource in Alaska, through its civic contributions.

"WHEREAS, special recognition is extended to the Prince Hall Masonic family for its commitment to civic contributions, demonstrated through the awarding of educational scholarships and its substantial financial and volunteer participation in the commemoration of the Dr. Martin Luther King, Jr. celebration.

"WHEREAS, the Prince Hall Grand Lodge will convene its 39th Annual Communication and the 36th Annual Communication of the Prince Hall Grand Chapter, Order of Eastern Stars, beginning April 19, 2008, in Anchorage, Alaska.

"NOW, THEREFORE, I, Sarah Palin, Governor of the state of Alaska, do hereby proclaim April 19-22, 2008, as: "Prince Hall Masonic Week in Alaska, and encourage all citizens to observe these days."

[Order of the Eastern Star](#)

On [March 19, 2007](#), Governor Palin issued a proclamation with almost exact wording. The only difference came at the end, as I demonstrate below:

"NOW, THEREFORE, I, Sarah Palin, Governor of the State of Alaska, do hereby proclaim April 14-17, 2007, as:

Prince Hall Masonic Week in Alaska, and urge everyone to show appreciation this week on behalf of the members of the Prince Hall Grand Lodge and the Prince Hall Grand Chapter Order of Eastern Stars for all their contributions to the State of Alaska."

Notice that Palin singled out the ["Order of Eastern Star"](#) for special recognition!

This inverted Pentagram represents the heart and soul of the women's Masonic organization, "Order of the Eastern Star". As we shall demonstrate, this type of Pentagram is one of the most evil Satanic symbols in the entire world, as it is the "Goatshead of Mendes".

Let us now compare this Eastern Star Pentagram with the Satanic Goatshead of Mendes, so you will see that the two are identical, and realize that Freemasonry is Satanic at its very core!

Now, examine this Eastern Star to the Satanic Goats Head of Mendez to the right. Once you examine these two symbols carefully, you can have no doubt but that the Eastern

Star symbol is nothing more nor less than the Satanic Goatshead, one of the most evil symbols ever created by the Satanist! Can you sense the presence of those pagan demonic spirits lurking behind the "Christian" mask of Freemasonry?

Not only is the emblem itself in the shape of the Goats-head of Mendez, but the inner part of the emblem is clearly the Goats-head of Mendez! Now, you should clearly sense those pagan demonic spirits lurking behind Freemasonry!

Yet, this is the very organization which Sarah Palin has honored in each of her years as the Governor of Alaska!

This information calls into question the motive behind the Masonic / occult poses which Todd and Sarah Palin flashed to the world, as we reveal in our current Headline News article, NEWS2314, ["Todd Palin IS MOST DEFINITELY Flashing A Masonic Handsign During The August 29 Photo Shoot With Governor Sarah Palin and Their Children!"](#)

In NEWS2314, we stated our belief that Governor and Todd Palin are genuine Christians and simply do not know what kind of national and international stage upon which they have stepped. We believe they simply were told to pose the way they did, and do not know the significance of their pose. Since there is no evidence that Todd Palin is a Mason, we still believe that Sarah

Palin does not know the evil nature of Masonry, that she has simply accepted their claims of being Christian at face value.

However, this further information simply reinforces our statement in NEWS2314 that Illuminized Freemasonry is attempting to tell occultists throughout the world that they are in control of the Republican Presidential Ticket and of the Fall election. Occultists are being told not to panic that Senator McCain has chosen a hated Conservative Christian as his running mate. In the end, the Illuminati agenda will be completed through McCain.

We shall attempt to warn Governor Palin of the dangers of Illuminized, "Invisible Freemasonry" and of their Luciferian plan to produce the Masonic Christ on the world scene. You should attempt to warn her, too. And, we all need to pray fervently that the Holy Spirit will open her spiritual eyes to the Truth.

Sarah Palin working the churches. The Islam/Christian world war sought appears right on track.

<http://www.youtube.com/watch?v=qEH6zA33sOI>

Speaking of her water baptism at a young age, Palin said:

As a young kid, middle school aged kid, she figured it'd be really smart to dedicate herself to "something" bigger than she. Something?? A rather cold way to refer to her savior and Lord Jesus Christ, but of course she is not a born again believer.

She knew she "wouldn't be able to handle all that is laid out in front of me in life". She needed strong faith in her Creator to fulfill her destiny in life in trying to make the world a bit better for others. Palin attempting to establish herself as sent by God to work her magic on the world.

Sarah Palin the "Christian", next US president.

New Obama/Soetoro Executive Order - Court Martials

By Devvy Kidd--9-4-10--Ltc. Terry Lakin is under going court martial proceedings for challenging Obama/Soetoro's eligibility.

The judge ruled a couple of days ago that he will not be allowed discovery regarding any documents regarding the criminal in the White House and his citizenship status.

I went over to the WH web site and yes, how **timely, a new executive order dealing with court martials.**

Of course, we would not be going through this mess had just one real man stood up January 9, 2009, and gave objection to accepting the electoral college vote to seal Obama/Soetoro's fraud as the newly minted president.

[Psa 12:8](#) *The wicked walk on every side, when the vilest men are exalted.*

Not one man in the U.S. Congress had the courage to stand for the truth. That's why I will not vote for any incumbent in Congress for any office.

Rep. Bilbray told his constituents the reason he couldn't find the courage to make the objection is because "I would have been laughed at." There's a good reason to be a coward.

[US Courts Legalize CIA Abduction, Overseas Detention, Torture Of Innocent American Citizens](#)

Psa 94:20 Shall the throne of iniquity have fellowship with thee, which frameth mischief by a law? Psa 94:21 They gather themselves together against the soul of the righteous, and condemn the innocent blood.

Psa 94:22 But the LORD is my defence; and my God [is] the rock of my refuge.

Psa 94:23 And he shall bring upon them their own iniquity, and shall cut them off in their own wickedness; [yea], the LORD our God shall cut them off.

September 9th, 2010--(AlexanderHiggins) – The Associated Press reports that the Obama Administration has won a shocking victory in federal appeals courts when **the US federal appeals court ruled that innocent victims abducted and tortured by the CIA do not have a right to sue** companies involved in facilitating the torture programs.

The lawsuit involves litigation against Boeing for its involvement the US CIA torture program of innocent US citizens.

The lawsuit charges that US Citizens alleged to be terrorists were subject to illegal "forced disappearances" after which Boeing ran CIA black-op "torture flights" of the alleged terrorism suspects during which the tortured citizens were flown to secret overseas prisons where torture is legal.

The 5 men involved in the litigation were originally abducted by the CIA and shipped to the oversea the secret overseas torture prisons based on suspicions that they were involved with the 9/11 attack.

So far 3 of the 5 men have been released because they were innocent and had no involvement with the attacks.

According the Associated Press, the three-judge panel on the 9th Circuit court of appeals quickly dismissed the lawsuit after the US Government claimed the litigation would reveal state secrets along with top secret US Government intelligence by a vote of 2 to 1.

The ruling effectively legalizes the abduction, overseas detention and torture of innocent US civilian citizens by the CIA.

The decision also removes the remedies innocent people who are tortured or detained can take against the CIA or corporations contracted by the CIA to run its black-ops.

Can you say Fascism?

Psa 43:1 Judge me, O God, and plead my cause against an ungodly nation: O deliver me from the deceitful and unjust man.

Another huge building block in the building of a Fascist Economy may be about ready to implement--President Obama proposes a National Bank!

NEWS BRIEF: "**President Obama Pushing National Infrastructure Bank: White House Wants Government-Run Bank to Handle \$50 Billion Transportation Rebuilding Plan**", **ABC News**, September 8, 2010

"President Obama today in Ohio is touting a trio of economic proposals, including a \$50 billion plan to improve the nation's transportation system and in doing so, create jobs to boost the country's sluggish economic recovery. "

The President tries to put the best face on what can only be described as a nightmarish scenario -- the government operating its own bank!

" 'I want America to have the best infrastructure in the world', the President said Monday in Wisconsin, vowing that the funds would help build or repair 150,000 miles of roads, 4,000 miles of railways, and 150 miles of runways."

Of course, everyone understands the need for a nation to keep its roads and trains and airplanes running as efficiently as possible. However, this sugar-coating is a thin attempt to hide the real disaster here.

"If the plan is approved by Congress, the projects would be financed by a government-run bank, known as an Infrastructure Bank. According to the White House, the Infrastructure Bank would 'leverage federal dollars and focus on investments of national and regional significance that often fall through the cracks in the current transportation programs'."

Since the Federal Government ultimately messes everything up that it gets its hands into, it is not reassuring that now the Government is now going to have its own bank, thus competing with privately-owned banks. However, if you want to establish a fully-functional [Fascist Economy](#), then a government run bank makes a lot of sense.

The Illuminati agenda continues to unfold before our very eyes. The Bush Treasury began to move us into a [Fascist Economy](#) in September, 2008, by proposing massive government bailouts, which began to flow in December, 2008. Then, the Obama Administration continued this bailout plan. Today, the Government severely regulates the industries of Banking, Insurance, and the Automakers.

President Obama even fired the CEO of General Motors, a clear sign that our economy is now Fascist, not Capitalist!

And, now a really large piece of this Fascist puzzle is proposed: a Government Infrastructure Bank!

Welcome to the economy of the New World Order!

[Dealing With The Devil](#)

Although cases of demonic possession have been recorded for centuries, Christopher Haizmann's case was something special. According to available information, Johann Christoph Haizmann was born in Bavaria in 1651. After the death of his father, the destitute painter reportedly entered into a pact with the Devil in 1668 which involved nine years of service to

Satan. Haizmann actually claimed to have made two pacts: the first pact being written in ink and the second pact was written in blood a year later. While living in Austria, Haizmann began experiencing terrible seizures on August 19th, 1677. The seizures, which took place in a church, caused Haizmann to be "seized by heavy convulsions and thus brought to confess his bondage". After telling priests about his pact with Satan, **he went on a pilgrimage to a monastery at Mariazell, Austria to end his deal. The Mariazell Basilica is still the most important pilgrimage site in Austria and is known for its stunning architecture and religious icons. It must have been a natural choice for someone like Haizmann who wanted to rid himself of a demon. After a round of exorcisms, Haizmann found himself free of the Devil's influence and the blood pact was "miraculously" returned to him. Unfortunately, the seizures began again after Haizmann left the monastery to live with his sister in Vienna. As the seizures worsened (along with convulsions, hallucinations of Christ and the Virgin Mary, and paralysis in his legs), Haizmann confessed that he had a previous contract with Satan. A second pilgrimage to the monastery in May 1678 led to more exorcisms until the other contract with Satan was broken as well. Inspired by his rescue from the Devil's influence, Christoph Haizmann became a Brother Hospitaller and, under his new name of Brother Chrystosomus, he devoted himself to religious works (including artwork) until his death on March 14, 1700. The **Brothers Hospitallers of St. John of God** are a Roman Catholic order founded in 1572. They are also known commonly as the **Fatebenefratelli**, meaning "Do-Good Brothers" in Italian.**

AN OPEN LETTER TO CHRISTIAN LEADERS

Time running out to influence debate on transhumanism
September 14, 2010

by Thomas R. Horn

RaidersNewsNetwork.com

Dear Pastor and Christian Leader,

Brent Waters, Director of the Jerre L. and Mary Joy Stead Center for Ethics and Values has written, "If Christians are to help shape contemporary culture—particularly in a setting in which I fear the posthuman message will prove attractive, if not seductive—then they must offer an alternative and compelling vision; a counter theological discourse so to speak."

Although the Vatican in 2008 issued a limited set of instructions on bioethics primarily dealing with in vitro fertilization and stem cell research (*Dignitas Personae* or "the Dignity of the Person" [[pdf](#)]) and a handful of Christian scientists, policy makers, and conservative academics have hinted in public commentary on the need for a broader, manifesto-like document on the subject, the church as an institution has failed at any concerted effort to focus on the genetics revolution,...

While the **Vatican's Dignitas Personae** likewise failed to provide instructions on the greater issue of biological enhancement..., its positional paper did provide an important bird's-eye view on the clash developing between traditional morality and **the contradictory adoption of**

transhumanist philosophy by Christian apologists, who likewise have begun to question what it means to be human and ***whose competing moral vision could ultimately shape the future of society.***

Immediately following the release of **Dignitas Personae**, Catholic scientist **William B. Neaves**, in an essay for the **National Catholic Reporter**, reflected the new biblical exegesis, causing reporter Rod Dreher to describe it as clearly illustrating “the type of Christianity that is eager to jettison the old morality and embrace the new.”

Christian leaders are either asleep at the wheel or actively engaged in ideological warfare for the mind of a generation whose members today are desperately seeking reasons to believe, despite everything they are being told, that the church remains relevant. To fail this responsibility will be to abdicate to a frightening transhuman vision of the future such as was **predicted by theologian and Christian apologist C. S. Lewis** in *The Abolition of Man*. Lewis foresaw the day when transhumanist and scientific reasoning would win out, permanently undoing mankind through altering the species, ultimately reducing Homo sapiens to utilitarian products. **Lewis** foresaw the progressive abandonment of what we would call “moral law” based on Christian values giving way to “the dead hand of the great planners and conditioners” who would decide what men should biologically become.

Subject: **Jesse Woodrow selling out?!**

Hi Scott,

do you know Jesse Woodrow? He was a former actor and then became a christian and had a christian radio show and also many youtube movies about the nwo and stuff like that. Suddenly all his videos are gone and all he has left are some old snippets from his acting career. It looks like he sold out and now is going back to acting but some people think that it doesn't make sense and think that something might have happened to him. This is really weird.

<http://www.youtube.com/watch?v=WoGIDLjYF7A&feature=related>

<http://www.youtube.com/watch?v=kiGd2d40adE&feature=related>
<http://www.youtube.com/user/jessewoodrow>

I also didn't like his "enthusiasm" which he always had in his videos. It was really kinda annoying.

I am afraid he really sold out otherwise he also wouldn't be so proud of having made advertisement for those companies and playing in series like charmed also doesn't seem to bother him.

I listened to his last radio show and somebody called and asked him why he removed his video from youtube where he exposed Disney and he said he had to do it because he is a "youtube partner" now and that he should have become a youtube partner much earlier! It's really sad but he also had weird beliefs in the first place. He sold a dvd, which I unfortunately bought, where he claims that the big mystery which Paul mentions in his epistles is that Jesus is the same as the Father and that God's name is actually Jesus and that was the reason why God never told his name in the Old Testament because he wanted to keep it secret. Totally weird stuff. I commented on one of his videos and told him that this is false and quotes bible verses but he erased the comment.

Greetings
Eric

Man Arrested For Defending His Property

Posted by

[Tim Shoemaker](#) on 09/08/10 --[In Long Island, George Grier was arrested](#) for firing an AK-47 into his lawn to deter approaching gang members who were threatening his life and that of his family.

"I went around and went into the house, ran upstairs and told my wife to call the police. I get the gun and I go outside and I come into the doorway and now, by this time, they are in the driveway, back here near the house. I tell them, you know, 'Can you please leave?' Grier said.

Grier said the five men dared him to use the gun; and that their shouts brought another larger group of gang members in front of his house.

"He starts threatening my family, my life. 'Oh you're dead. I'm gonna kill your family and your babies. You're dead.' So when he says that, 20 others guys come rushing around the corner. And so I fired four warning shots into the grass," Grier said.

Grier was later arrested. John Lewis is Grier's attorney.

"What he's initially charged with - A D felony reckless endangerment - requires a depraved indifference to human life, creating a risk that someone's going to die. Shooting into a lawn doesn't create a risk of anybody dying," Lewis said.

Grier said he knew the police use "Shotspotter" technology, and by firing the warning shots into the ground, police would arrive within minutes.

The real issue here is whether or not a man owns his property and if he does, shouldn't he be able to defend that property with deadly force if necessary? A man's/woman's home is his/her castle. They ought to be able to defend such by whatever means are reasonably necessary.

The article doesn't state what happened to the gang after he fired the warning shots. My guess is they scattered pretty quick once they realized Grier was holding a loaded "peacemaker."

Biblical Resistance to Tyranny

Protection of our families is part of providing for our families:

1Ti 5:8 **But if any provide not for his own, and specially for those of his own house, he hath denied the faith, and is worse than an infidel.**

In the context of this verse the Noah Webster's 1828 defines the word 'Provide' as: *PROVI'DE, v.i. To procure supplies or means of defense; or to take measures for counteracting or escaping an evil.*
