Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather

reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The 1828 Noah Webster Dictionary defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive **the very elect**."

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we **are not** ignorant of his devices."

II Chronicles 7:14: "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

I John 4:18: "There is **no fear** in love; but **perfect love** casteth out fear: because fear hath torment. He that feareth is not made perfect in love."

Heb 13:6: "So that we may boldly say, The Lord *is* my helper, and I **will not fear** what man shall do unto me."

II Timothy 1:7: "For God **hath not** given us the spirit of fear; but of power, and of love, and of a sound mind."

[QUOTE: Lady Gaga Wants to 'Turn the World Gay'](#)

Perverse pop star wants to "inject gay culture into the mainstream"

Lada Gaga is on the current cover of openly gay OUT magazine. From the homosexual magazine *OUT*, September 2009, ["The Lady Is a Vamp."](#) p. 113 (Gaga's quotes in blue, emphasis added by AFTAH):

Her devotion to gay culture is unparalleled by any other artist operating at her level of visibility or success. **"When I started in the mainstream it was the gays that lifted me up,"** she says. **"I committed myself to them and they committed themselves to me, and because of the gay community I'm where I am today."** Earlier this year, in her acceptance speech for her MuchMusic award for best international video, Lady Gaga thanked **"God and the gays."**

Isa 5:20 Woe unto them that call evil good, and good evil;

Before agreeing to tour with Kanye West this fall, Gaga told the rapper, **"I just want to be clear before we decide to do this together: I'm gay. My music is gay. My show is gay. And I love that it's gay. And I love my gay fans and they're all going to be coming to our show. And it's going to remain gay."**

That's another clause in the Gagaland constitution: Gay culture shall gush undiluted into the rapids of society. It shall not be co-opted, fancified, dolled up, or Uncle Tommed. **"I very much want to inject gay culture into the mainstream,"** she says, **"It's not an underground tool for me. It's my whole life. So I always sort of joke the real motivation is to just turn the world gay."**

Lady GaGa made news last week when she allegedly **admitted that she was in fact a hermaphrodite.**

Lady Gaga has also admitted she is bisexual and that the song "Poker Face" is about bisexuality. Here's an excerpt from her interview with *XM Magazine*: Are you really as boy-crazy as your lyrics suggest?

Yeah. Well, I'm girl-crazy too. I really depends on where I am. I love men, I love women and I love sex...

Homosexuals Hiding an 'Inconvenient Truth'

The Bible is clear that God judges nations which give themselves over to homosexuality (Jude 7); that homosexuality is filthy conduct (2 Peter 2:6-7); that homosexuals will not inherit the kingdom of God (1 Cor. 6:9); that homosexuality is unnatural and shameful (Rom. 1:26-27); and the Bible makes clear that not only those who practice such things, but also those who approve such things are deserving of the righteous judgment of God (Rom. 1:32).

Issue Date: July/August 2008--The homosexual juggernaut has seemed unstoppable but there is one "inconvenient truth" that they hope will never get widespread attention. The organization, American's For Truth About Homosexuality (AFTAH) is calling for a breaking of the silence on the health risks of homosexual practices. (see <http://www.americansfortruth.com>)AFTAH cites the Federal Food and Drug Administration (FDA) reasons for banning male homosexuals from donating blood as proof of these risks.

FDA statistics are as follows: "Men who have had sex with men since 1977 have an HIV prevalence... 60 times higher than the general population, 800 times higher than first time blood donors and 8,000 times higher than repeat blood donors.... Infection with the Hepatitis B virus is about 5-6 times more common and Hepatitis C virus infections are about 2 times more common than in the general population...." Additionally, they have "an increased incidence and prevalence of Human Herpes Virus-8 [which] causes a cancer called Kaposi's sarcoma in immunocompromised individuals."

Pro 10:27 The fear of the LORD prolongeth days: but the years of the wicked shall be shortened.

Research by The Family Research Institute (FRI) of Colorado has discovered that the average lifespan of the male homosexual is only 39 years. Where 80% of married men lived past 65, only 2% of the homosexuals lived that long, as shown in the accompanying chart.

FRI found that sodomites "...were 116 times more apt to be murdered; 24 times more apt to commit suicide; and had a traffic-accident death-rate 18 times the rate of comparably-aged white males. Heart attacks, cancer and liver failure were exceptionally common. Twenty percent of lesbians died of murder, suicide, or accident—a rate 487 times higher than that of white females aged 25-44."

In their web site at <http://www.familyresearchinst.org/Default.aspx?tabid=73>, FRI details the disgusting and unsanitary sexual practices that contribute to this early death sentence. The "outing" of the homosexual lifestyle in our culture has unleashed over 50 sexually transmitted diseases (STDs).

Gays, Transgendered and Genetic Manipulation Exposed

Lady Gaga, superstar to teens, wears dress made of animal flesh

by Mike Adams, the Health Ranger, NaturalNews Editor

(NaturalNews) If you've ever wondered about the true mental sickness of the entertainment industry, look no further than Lady Gaga. Lady Gaga is largely responsible for the new craze of wearing "dilated pupil contact lenses" which make young girls appear to be either sexually aroused or stoned. These contact lenses are potentially dangerous, and they are being brought into the U.S. illegally, bypassing FDA approval. But thanks to Lady Gaga, young girls are increasingly interested in wearing them so they, too, can look "aroused and stoned" in order to arouse potential partners.

But there's more to this sick story: Lady Gaga was recently honored at the **2010 MTV Video Music Awards**, where she received a whopping eight "moonman" awards as well as *Video of the Year* honors. With two Grammy Awards under her belt, not to mention a record-breaking 13 nominations at the [MTV Video Music Awards](#) it seems there is nothing that Satan cannot do through the iconic Lady Gaga.

Luke 16:15 And he said unto them, **Ye are they which justify yourselves before men; but God knoweth your hearts: for that which is highly esteemed among men is abomination in the sight of God.**

Psalm 12:8 **The wicked walk on every side, when the vilest men are exalted.**

1John 2:15 **Love not the world, neither the things that are in the world. If any man love the world, the love of the Father is not in him.**

John 15:18 **If the world hate you, ye know that it hated me before it hated you.**

John 15:19 **If ye were of the world, the world would love his own: **but because ye are not of the world, but I have chosen you out of the world, therefore the world hateth you.****

James 4:4 **Ye adulterers and adulteresses, know ye not that the friendship of the world is enmity with God? whosoever therefore will be a friend of the world is the enemy of God.**

To accept these awards, Lady Gaga actually appeared on stage wearing a **dress made out of raw animal flesh**. Yes, she was literally draped in raw animal flesh. This has been reported as her "red meat dress."

But it goes far deeper than that. Anyone who would wear a dress made out of raw red meat is, for starters, mentally ill. But Lady Gaga goes far beyond just mentally ill, reaching to depths of necro-worship that make her appear totally **Satanic**.

In an upcoming live event, she promises to be surrounded by on-stage corpses. It is being widely reported across the 'net that she plans to put dead human bodies on stage as part of her "act."

Proverbs 8:36 **But he that sinneth against me wrongeth his own soul: all they that hate me love death.**

Now, for those who really know what goes on behind the scenes of the entertainment industry, this probably comes as no surprise. There has always been a bizarre element of dark energy at work at the fringes of this industry, but Lady Gaga may be taking it to a whole new depth of darkness. Here's why:

Google a woman named **Lina Morgana**. Lina is now dead, but she worked creatively alongside Lady Gaga **until one day she mysteriously fell ten stories from a tall building and was crushed to death when she hit the pavement.**

According to Lina's grieving mom, **Lady Gaga stole Lina's act and rose to fame following Lina's "suicide."**

An [article](#) on MyDeathSpace explains how everyone familiar with Lina was shocked to see how Lady Gaga stole her act: *"It was the same style, the same look, the same music, the same voice, the same jaw line - the way they expressed themselves," said Schwab. "And I was like, 'Is that Lina?' It was so, so shocking. It was like looking at a ghost."*

(<http://www.mydeathspace.com/article...>)

Lina Morgan was only 19 when she died (www.LinaMorgana.com). The circumstances of her death and the similarity between Lady Gaga's current act (wig, stage presence, attitude, etc.) and Lina Morgan's previous act is highly suspicious, lending an element of curiosity to some of the circulating theories about her death.

John 8:44 Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.

Lady Ga Ga – Ritual Sex Magic for our Children.

[Iamarzulli](#) on June 25, 2010--What drives the success of Ga Ga and others of her ilk is that they are immersed in the occult world of **Satanic, ritual sex magic**. I watched the video of Alejandro, while I was on the road. It was linked on the **Spirit Daily Web** site. I recoiled when I saw it and wondered how our culture could have slipped so far into the gutter. In one of the images Ga Ga is holding a pillow, with a crystal heart on it. The image brings to mind the Aztec human sacrifices that were made to their demon gods by the thousands. Is this a modern offering? The video is dark, and features jack-booted dancers that look as if it could have been made in Hitler's Germany in the 1930's. Ga Ga is clothed in "catholic" images – she's dressed as a nun with a red crusader cross on her habit – which hails directly from the Babylonian mystery schools. The man-made establishment of nuns and priests has nothing to do with anything the Bible admonishes.

Spiritual icons making their way into necklaces, bracelets, charms

By Melissa Magsaysay--Saturday, September 18, 2010--Pop stars **Miley Cyrus and Taylor Momsen wear rosary necklaces**, sometimes four at a time over a slinky corset dress or vintage rock T-shirt. **"Eat Pray Love,"** whose protagonist travels to India in search of enlightenment, has spawned a collection of charms, rings and bracelets. And the reality-bending Kardashian sisters are designing jewelry based on [Armenian religious icons](#).

It's official: The practice of incorporating religious or spiritual symbols in jewelry has become ubiquitous among smaller niche designers as well as more commercial brands. With the public's growing interest in yoga, meditation and personal talismans that offer protection or courage, jewelry and accessory designers are picking up the theme and adorning their work with icons deeply rooted in ancient beliefs and religions.

Jewelry designed around religious symbols or the use of religious tokens as jewelry might not seem like anything new. Who doesn't remember Madonna writhing around on a stage draped in rosaries during the 1980s? In 2004, it was David Beckham, shirtless (natch) with a delicate rosary hanging from his neck down his chest, on the [cover of Vanity Fair magazine](#). But the trend is bigger and bolder than ever today, with icons steeped in spirituality coming in all forms of familiar (and perhaps not so familiar) symbols dangling from bangles, necklaces, earrings and even emblazoned on belt buckles.

A sign that society is becoming more religious? Actually, it might be just the opposite. The rise in jewelry carrying evil-eye charms, [Hamsa hand](#) pendants and Hindu om symbols caters to people who are expressing their personal spirituality rather than an affiliation with organized religion.

Lady Gaga, The Illuminati Puppet

By [Vigilant](#) | August 4th, 2009 | *The symbolism surrounding Lady Gaga is so blatant that one might wonder if it's all a sick joke. Illuminati symbolism is becoming so clear that analyses like this one becomes a simple exercise of pointing out the obvious. Her whole persona (whether its an act or not) is a tribute to mind control, where being incoherent and absent minded becomes a fashionable thing.*

I suggest you research "project MK Ultra" to get a little background information on the subject. Here's a quick overview taken from the surprisingly accurate Wikipedia: **Project MK-ULTRA**, or **MKULTRA**, was the code name for a covert CIA mind-control and chemical interrogation research program, run by the Office of Scientific Intelligence. The program began in the early 1950s, continuing at least through the late 1960s, and it used United States citizens as its test subjects. The published evidence indicates that Project MK-ULTRA involved the surreptitious use of many types of drugs, as well as other methods, to manipulate individual mental states and to alter brain function.

Project MK-ULTRA was first brought to wide public attention in 1975 by the U.S. Congress, through investigations by the Church Committee, and by a presidential commission known as the Rockefeller Commission. Investigative efforts were hampered by the fact that CIA Director Richard Helms ordered all MK-ULTRA files destroyed in 1973; the Church Committee and Rockefeller Commission investigations relied on the sworn testimony of direct participants and on the relatively small number of documents that survived Helms' destruction order.

Although the CIA insists that MK-ULTRA-type experiments have been abandoned, 14-year CIA veteran Victor Marchetti has stated in various interviews that the CIA routinely conducts disinformation campaigns and that CIA mind control research continued. In a 1977 interview, Marchetti specifically called the CIA claim that MK-ULTRA was abandoned a "cover story."

An outgrowth of that project is unofficially referred to as "Project Monarch". It is a mind control technique which exposes the subject to a trauma so violent that his/her mind creates a dissociation. The victim's brain becomes compartmentalized and a new personality, which is then molded and educated by the manipulators, emerges.....Her name is also said to be inspired by Queen's song "Radio Gaga". The video of this song contains many scenes of the 1927 movie Metropolis. As seen in my article on [Beyonce/Sasha Fierce](#), the motion picture tells the story of a woman from the working class that was chosen by the elite to give life to a robot, through a mix of science and Black magic.

Scene from Metropolis – Maria giving her likeness to a robot. Is this a metaphor for mind control? Notice the inverted pentagram in the background: Black magic and Satanism.

This robot becomes a sexy and alluring performer and is given the goal to corrupt the working class. References to this movie abound in music videos, as if it was very significant for the occult elite. Madonna, Beyonce, Kylie Minogue and many others have taken the likeness of this female robot and, as you'll see in the "Paparazzi" video, Lady Gaga also continues this "tradition".

Her logo is pretty revealing and particularly fitting. It's a headless female body with a bolt of lightning going through her and exiting her genitalia. There is once again a focus on the lack of conscious thought by the singer. The body looks like the weird headless mannequins you find at clothing stores. The bolt of lightning implies that her thoughtless body has been "charged" with a force that gives it life (interesting note: trauma-based mind control is often induced using electro-shock treatments).

You only need to look at a couple of Lady Gaga pictures or videos to notice that she is constantly hiding one of her eyes. Most people will simply interpret this as "a cool thing to do" or a "fashion statement". Those who have passed the 101 of Illuminati symbolism know that the All-Seeing Eye is probably its most recognizable symbol. The gesture of hiding one eye, usually the left one, goes way back in occult orders. Here's an explanation of the origin of the Eye of Horus.

Horus, the sun of Osiris and Isis was called 'Horus who rules with two eyes'. His right eye was white and represented the sun: his left eye was black and represented the moon. According to the myth, Horus lost his left eye to his evil brother, Seth, who he fought to avenge Seth's murder of Osiris. Seth tore out of the eye but lost the fight. The eye was reassembled by magic, by Thoth, the god of writing, the moon and magic. Horus presented his eye to Osiris, who

experienced rebirth in the underworld.
-Dictionary of the Occult

One thing is for sure: Lady is Gaga for the All-Seeing Eye

Lady Gaga incorporates in her videos, photos and shows symbolism that refers to the Illuminati and mind control. Her symbolism is deep, esoteric and even spiritual yet she makes song like “Just Dance” which is about being totally numb. While masses of young people imitate Gaga’s gestures, her act is part of a bigger system that incorporates many other stars with the same symbolism. But at the end of the day, the “Lady Gaga” persona is a Fame Monster, doing everything required to be an international superstar, including incorporating in her act the symbolism of the elite, making her an Illuminati puppet.

Subject: **Christine O'Donnell--Witchcraft politician?**

Dr. J,

Christine O'Donnell is running for senate in Delaware. She claims to have practiced witchcraft, but now is a convert. Is that possible?

http://news.yahoo.com/s/yblog_upshot/20100920/el_yblog_upshot/witchcraft-comments-from-past-haunt-christine-odonnell

http://en.wikipedia.org/wiki/Christine_O'Donnell

Is she really a convert? Please solve this mystery! Thanks for all the Help!

Ronald Guy

My Response: No really don't think so as virtually everyone at her level has sold out to get there so I am apprehensive of all of 'them'. Christine O'Donnell, the [Republican nominee](#) seeking Delaware's open Senate seat, said on Bill Maher's "Politically Incorrect" in 1999: "I was a witch." "I dabbled into witchcraft. I never joined a coven." "One of my first dates with a witch was on a satanic altar, and I didn't know it. I mean, there's a little blood there and stuff like that," she said.

See the clip at: http://news.yahoo.com/s/yblog_upshot/20100920/el_yblog_upshot/witchcraft-comments-from-past-haunt-christine-odonnell

I just read an interesting take on this:

It is ironic that the establishment would claim O'Donnell is connected to occultism when the practice is at the core of their ideology. From Bohemian Grove to Skull and Bones, the elite are obsessed with the occult.

Skull and Bones, dismissed by the corporate media as a harmless college fraternity, is an offshoot of the German Brotherhood of Death Society. Its roster reads like a Who's Who of the global elite — Bush, Harriman, Phelps, Rockefeller, Taft, and Whitney. Bohemian Grove, centered around the occult Cremation of Care ceremony, is an offshoot of Skull and Bones. Its elite membership includes the likes of Bush and his son, Richard Nixon, Jimmy Carter, Helmut Schmidt, Arnold Schwarzenegger, Henry Kissinger and other high-powered luminaries, including members of the corporate media that is now demonizing Christine O'Donnell.

Arnold Schwarzenegger likes to wear the SS Totenkopf, or Death's Head — the German word for "skull of a dead man" — as a belt buckle. The Nazis, who slaughtered around 30 million people, were fond of the symbol. Hitler was obsessed with the occult.

Schwarzenegger has said [Hitler was a great leader](#).

In 2005, we learned that former British PM [Tony Blair and his wife Cherie](#) practice occult ceremonies. In 2004, the London Times revealed that Blair made political decisions based on New Age readings of a hidden force called "The Light," often referred to as Lucifer by occultists.

Sad but part of the reason why I have not stepped foot into a afro American church since I came to Christ. I am also African American and I thank God for that, but I do not like my culture at all. Busted up African American leadership and satanic entertainment is keeping the culture blind. I've always felt rejected from my community because I am different, I talk different, act different and I never cared for the music, films, or clothing that plagues African American youth...

What a shame Scott,

Black churches in Atlanta (especially Atlanta) have been infiltrated by "The Boule":
http://en.wikipedia.org/wiki/Sigma_Pi_Phi

If you've studied about anything Skull and Bones, you may know more about the Boule than you think. In 1904 the Skull and Bones helped the Black fraternities start the Black version of the skull and Bones called the Boule.

If you decide to take on the study of the Boule, you will have a ton of mis-information to contend with, including information that you will have to CAREFULLY navigate the Black Hebrew Israelites who are also warning people about the Boule.

I can kind of see where you would be between a rock and a hard place when it comes to warning people about the Boule, and not wanting to be called racist. I know I don't have to tell you this, but our war is not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. In related disturbing news, American Idol winner Fantasia, who sells millions of albums, did an interview where she said the reason that she wants to go to school is not for an education, but to pledge Delta:

<http://my927charlotte.com/photos/my927info/fantasia-wants-to-pledge-delta> She is convincing millions of young girls to aspire to join the Boule.

In the Satanic pyramid, the Boule and the Skull and Bones are two bricks on the same level. They work together for the same Hegelian dialectic, divide and rule cause when it comes to dividing America. Or two sides of the same coin if you will. The most diplomatic people that I can think of that can put the racial Hegelian dialectic in perspective is the Collins brothers: <http://www.conspiracyarchive.com/>

Even though I love the Collins brothers, they are friends with a Black pastor named pastor Manning. Please do not contact pastor Manning for ANYTHING. That man is crazy.

I've wanted to take on the Boule for a long time, but I'm not doing any more topical studies until I finish my "[Confession of Faith](#)" series. If there is any way that I can be of any help, let me know. I think it is more urgent to expose the Synagogue of Satan, and The Black Hebrew Israelites are one faction of the Synagogue of Satan because they (like the Hebrew Roots Movement) have a race based soteriology, and not a Jesus Centered soteriology.

I hope this information helps. It's the start to understanding the source of the problem. The real source of the problem is unbelief in the One True God and or Lord Jesus Christ. Maybe you can try to find ex-Boule members to interview. Let's pray and ask the Lord how to approach this.

Take care brother Scott and God bless,
Sincerely,
Derek

Scott,

Notice how many FAT and OBESE people are in that assembly. Forget about the music for a minute and think about how many will wag their fingers at this group and those like them, while they house the same spirit of gluttony. This is a glaring example of a people 'whose God is their belly'.

Deu 21:20	And they shall say unto the elders of his city, This our son [is] stubborn and rebellious, he will not obey our voice; [he is] a glutton, and a drunkard.
Pro 23:21	For the drunkard and the glutton shall come to poverty : and drowsiness shall clothe [a man] with rags.
Pro 23:20	Be not among winebibbers; among riotous eaters of flesh: (This phrase in red is translated from the same Hebrew word above for glutton)

Now that is small potatoes compared to this:

What about the abomination taking place right now with ‘bishop’ Eddie Long? You know well about the Roman Catholic abominations through the years, but God is now really pulling the covers off of these atrocities. Will you be speechless with regard to His sheep that are engaged in the same homosexual behavior that Eddie Long has been accused of? Have you ever stopped to wonder how many professed married Christians (husbands and wives) are engaged in oral and anal sex which is without argument a sodomy--homosexual act? God will not receive that abomination into his house so we therefore have an obligation to cry aloud and spare not! The harlot whore ‘church’ has a name written on her forehead – Mystery, Babylon the great, the mother of harlots and abominations (Leviticus 18:22) of the earth. God is telling us that this false religion is based on whores and homosexuals. This filthy wine of fornication (perversion) is being spilled on all the land and it emanates from this false ‘church’. This is the root cause of the degradation of mankind. People are being turned into the opposite of who our Creator made us to be and the leaders are even blind to it. This is the reason why He will pour out his wrath according to Romans 1. His people have ‘left the natural use’. It’s not just ‘homosexuals’ that have left the natural use – it is married (and unmarried) ‘heterosexuals’ that have left the natural use! This is where the rubber meets the road. This is the inroad that the fallen angels entered into in Genesis 6. This is how Satan has defiled mankind.

Don’t be speechless about this.

Sincerely,

Tom G

Biblical Sexual Prohibitions

Sermon Overview: In this teaching we will be looking at a subject that is rarely (if ever) preached on in modern day churches: The sexual prohibitions outlined in Leviticus 18 & 20. This is a very important study and especially needed by Christians in the day and time we live in. Truly much of the Body of Christ is being destroyed for lack of knowledge due to NOT knowing the material covered in this teaching. Unfortunately there are many things that modern day Christians are doing (many times unknowingly) that are affecting them adversely in both a spiritual and physical way. Much of what we will get into was common knowledge up to 50 years ago but has been slowly repressed since then. We will look at the shocking WHOLE definitions of sodomy, fornication and intercourse and also the New Testament text some use to justify any sexual action regarding the

marriage bed. We will also see how Biblically these types of sins defile a person in a way that other sins do not. Go to: [Biblical Sexual Prohibitions](#)

"If I regard iniquity in my heart, the Lord will not hear me: But verily God hath heard me; he hath attended to the voice of my prayer. Blessed be God, which hath not turned away my prayer, nor his mercy from me." (Psalm 66:18)

Sodomy -

From SodomyLaws.org we read: "The proscription of sodomy in the English tradition began in 1533 when King Henry VIII adopted **contemporary church doctrine into a system of laws** at the time of the English withdrawal from the Catholic Church. Sodomy became both a sin and a crime, since ecclesiastical law recognizes no distinction between the concepts of "sin" and "crime." **Sodomy included any form of non-procreative acts including self sexual gratification, oral and anal intercourse.** The original thirteen American colonies derived their laws from the English common law and continued the legal tradition in **which sodomy carried the penalty of death.** The 1683 Pennsylvania law called sodomy an "unnatural sin" and the East New Jersey law listed it among the "Offenses against God." Every state adopted some form of a sodomy law as it joined the United States, either in acceptance of an unwritten common law or in formal codification. A slow modernization of laws away from a religious doctrine into a secular system reduced penalties over time in a piece meal fashion. All states had laws against sodomy by 1960." <http://www.sodomylaws.org/history/history.htm>

The American Heritage Dictionary defines "sodomy" as "1. anal copulation of one male with another. 2. **Anal or oral copulation with a member of the opposite sex.** 3. Copulation with an animal." The same dictionary defines "sodomite" as one who engages in sodomy. **To engage in sodomy is to use ones body in a manner that is contrary to its fundamental Biblical purpose (procreation). Sodomy, then, has no social purpose or function, it is simply an activity of personal sexual self-gratification.**

"Virginia's "**Crimes Against Nature**" law, which prohibits **any act of oral or anal intercourse. The law applies to both heterosexual couples and homosexual couples.**"

<http://www.sodomylaws.org/usa/virginia/vanews31.htm>

Webster's 1828 Dictionary--A crime against nature.

Dictionary.com: Anal or oral copulation **with a member of the opposite sex; or** copulation with a member of the same sex; bestiality

Lev 18:24 ¶ Defile not ye yourselves in any of these things: for in all these the nations are defiled which I cast out before you:

Lev 18:25 And **the land is defiled:** therefore I do visit the iniquity thereof upon it, and the land itself vomiteth out her inhabitants.

Lev 18:26 Ye shall therefore keep my statutes and my judgments, and shall not commit [any] of these abominations; [neither] any of your own nation, nor any stranger that sojourneth among you:

Lev 18:27 (For all these abominations have the men of the land done, which [were] before you, and **the land is defiled;**)

Lev 18:28 **That the land spue not you out also, when ye defile it, as it spued out the nations that [were] before you.**

Rev 18:4 And I heard another voice from heaven, saying, **Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.**

A third man has come forward alleging that he was [sexually abused by the Atlanta mega-church bishop](#) already under fire in two similar lawsuits.

Jamal Parris, 23, alleged in a suit filed today that [Bishop Eddie Long](#) used his private plane to fly him around the world -- from Los Angeles to Trinidad to New York -- and sexually abused him along the way. Parris alleges in the documents, obtained by [ABC News](#), that the bishop would request he be nude while in his presence and would request "sexual massages" and "**oral sodomy**" when they traveled.

Parris joins two other young men, Maurice Robinson and Anthony Flagg, who also say the bishop recruited them into the youth ministry and then forced sex upon

Alex Jones Warning

Subject: Alex Jones Evolutionary New Age Madness!!

Greetings Dr. Johnson,

Have you seen this mess? I knew this man wasn't a Christian but I think he's gone of the deep end and has become new age. Its completely man centered. This man loves evolution and I believe he is preparing all his followers for 2012 and excepting that we were "developed" on this earth over hundred of thousands of years by the aliens. He doesn't mention aliens but he is clearing trying to hammer in the point that we developed. Could you pleaseeeeeeeee expose this man. Or at the very least mention his role in leading the people who think they are awake into excepting 2012 and the NWO. Let me know what you think after you get this email. Thank you.

Response to another Listener: ...just so you know I have warned about Alex Jones on numerous occasions in past teachings. In fact email me at drjohnson@ix.netcom.com and request my 28 page Alex Jones Warning doc.. Now much of what he covers is just rehashed mainstream news that has been analyzed from their perspective. From that standpoint there is much that can be gleaned but I warn people to not "follow" Alex Jones as he believes in some very contradictory things when it comes to the Bible. I mean I just listened to his latest video he has on his YouTube site and he kept stating & implying over and over how our "species" has been here hundreds of thousands of years and the implication was that we evolved (Darwinism) from cavemen status to what we are today and we are essentially getting ready to take our next evolutionary step which smacks heavily of what I have reported on over and over of what the New Agers predict as the coming Age of Aquarius in which the antichrist will come on the scene openly. He keeps referring to humans as a "species" which is a dehumanizing phrase & is a very common phrase elitists and new agers use to describe humanity. Listen for yourself: <http://www.youtube.com/watch?v=XmR7LPEkVxY>

At the opening session of the Rio Earth Summit Maurice Strong, the United Nations Environment Program (UNEP) Secretary-General, bemoaned the world's "*explosive increase in*

Population" and warned "*we have been the most successful species ever; we are now a species out of control. Population must be stabilized and rapidly.*" His speech also stated that "*current lifestyles and consumption patterns of the affluent middle class - involving high meat intake use of fossil fuels, appliances, home and work-place air-conditioning, and suburban housing - are not sustainable. A shift is necessary which will require a vast strengthening of the multilateral system, including the United Nations.*"

Mr Strong has since stated that "*The United States is the greatest threat to the global environment. It is guilty of environmental aggression against the planet*" and "*Isn't the only hope for the planet that the industrialized civilizations collapse? Isn't it our responsibility to bring that about?*"

Sustainable Development, as outlined in Agenda 21 and the subsequent Earth Charter, is the driving force behind what Al Gore calls a "*wrenching transformation*" that society must endure to repair what he perceives as the damage of the 20th century's Industrial Revolution. It is the same Industrial Revolution that gave us modern transportation, medicine, indoor plumbing, healthy drinking water, central heating, air conditioning, and electric light. Sustainable Development is not about environmental clean up of rivers, air and litter. It is an all-encompassing socialist scheme to combine social welfare programs with government control of private business, socialized medicine, national zoning controls of private property and restructuring of school curriculum which serves to indoctrinate children into politically correct group think.

Not one mention of Jesus Christ by Jones—He is not a Christian no matters how many times he says he is—"By their fruit ye shall know them". He says it is in "this quest towards being a better species that we will truly find our destiny" Listen to this garbage for yourself: http://www.youtube.com/watch?v=3WXen_1qURE&feature=related Albert Einstein was a Kaballist-Existentialist—and an Illuminist—whose epistemology was a Platonist. Epistemology or theory of knowledge is the branch of [philosophy](#) concerned with the nature and scope (limitations) of [knowledge](#). This has nothing to do with the Bible or our Lord Jesus Christ, it is all man centered and not Christ centered. In this video says if we just love humanity "we will live forever". This is 'another Gospel' and is the same one his buddy David Icke preaches who is a total devil, cusses like a sailor during his seminars and then has the audacity to tell everyone that we just need "Infinite love" to overcome evil even though he himself is pure evil. Listen to his interview of David Icke here: <http://www.youtube.com/watch?v=ekSG09Yv2-l&feature=related>

Jones is also good buddies with Joe Rogan, commentator on the UFC. Rogan has a website where he bragged about attending the wedding of satanist Anton LaVey's grandson Stanton where he says Hail Satan on the site several times. See Rogan and Lavey together giving the Satanic salute at: <http://pigs-in-the-parlor.blogspot.com/2009/01/alex-jones-rogan-satanic-connections.html>

Also go to: <http://www.youtube.com/watch?v=oDUMp0OniVI>

After you watch this first video then watch the other short videos regarding Jones (these videos are posted to the right of the webpage link you see above). Eric Jon Phelps (The author of: The Vatican Assassins) is an impeccable researcher.

For years I wondered how Jones did not end up with a bullet in his head. Now I know. As Phelps says most of [the low level research Jones is right, but there is a line he will not cross](#). Watch the videos to see what line he will never cross in exposing evil. (Warning there is brief profanity on some of these videos)

Also (AND MOST IMPORTANTLY) the main emotions Jones evokes through all his various videos, audios and print material is the "Fear of Man", not "Fear of God". I have

never seen him direct anyone to the Lord Jesus Christ for His intervention in all the horrific matters Jones gets into. **His solutions are all "man centered" not "God centered".**

Jeremiah 17:5: "Thus saith the LORD; **Cursed be the man that trusteth in man,** and maketh flesh his arm, and whose heart departeth from the LORD."

From a biblical perspective this is a big mistake. The solution is in the verses I have posted below:

Proverbs 29:25: "The **fear of man** bringeth a snare: but whoso putteth his trust in the LORD shall be safe."

Alex Jones (for several months) openly promoted the Catholic cult religion on his site via the link below which is on virtually every page to any of his articles. Here is just one (all of these links have since been taken down: www.Mostholyfamilymonastery.com)

Globalists Plan to Dismantle Middle Class With UN Tax

Infowars.com--Sunday, September 19, 2010--The call for a global transaction tax arrives in the aftermath of a [leaked UN blueprint](#) which outlined how elitists plan to re-brand global warming in an effort to dismantle the middle class by instituting a "global redistribution of wealth" via carbon taxes.

The aim is to "limit and redirect the aspirations for a better life of rising middle classes around the world," in other words to reduce the standard of living for the middle classes in Western Europe and America. However, as was uncovered during the Copenhagen summit, the program of "global redistribution of wealth" and transaction taxes largely centers around looting the wealth of the middle classes in richer countries and then using that money to bankroll the construction of world government. [As the leaked "Danish text" revealed](#), the money generated from consumption taxes will go directly to the World Bank, not to developing countries to lower carbon emissions or alleviate poverty.

Under the terms of this proposal, poorer countries will not simply be handed the money pillaged from richer nations, instead they will be forced to accept "green loans" in the name of combating climate change, a policy that would land the already financially devastated third world with even more debt, payable to globalist institutions such as the IMF.

Let's pay close attention to what God says about debt. We will start in Deuteronomy 28. 15 But it shall come to pass, if thou wilt not hearken unto the voice of The Lord thy God, to observe to do all his commandments and his statutes which I command thee this day, that all these curses shall come upon thee, and overtake thee...

43 The sojourner that is in the midst of thee shall mount up above thee higher and higher; and thou shalt come down lower and lower.

44 He shall lend to thee, and thou shalt not lend to him: he shall be the head, and thou shalt be the tail.

Let's pull the mask off borrowing and debt. It is clearly stated by God as a curse. Haven't we all been bit by that serpent? Let's go a bit further as we begin to "pay" attention to what God says:

**Proverbs 22:7 The rich ruleth over the poor, and the borrower is servant to the lender.
Romans 13:8 Owe no man any thing, but to love one another: for he that loveth another hath fulfilled the law.**

Deuteronomy 15:6 For the LORD thy God blesseth thee, as he promised thee: and thou shalt lend unto many nations, but thou shalt not borrow; and thou shalt reign over many nations, but they shall not reign over thee.

How many of us read those verses and really never gave it much thought at all as we financed that car, home remodel, new appliances, vacation, or whatever else our soul lusted for? http://preparehisway.com/weekly_blog/view/663/debt_and_the_the_curse

Even if you accept that global institutions who have proven to be completely corrupt time and time again should be empowered to steal from the rich and give to the poor, these proposals don't even do that. This is all about bankrolling the expansion of world government and creating a giant slush fund that will be used to **coerce smaller countries into allowing themselves to be ruled and regulated by a global bureaucracy funded by increasingly destitute taxpayers in the west.**

We warned that globalists were embarking on a global financial transaction tax back in December when Lord Monckton obtained the draft proposals for the Copenhagen summit.

As Monckton revealed at the time, the end game is to, "Tax the American economy to the extent of 2 percent GDP, to impose a further tax of 2 percent on every financial transaction....**and to close down effectively the economies of the west, transfer your jobs to third world countries.**"

The tax, which was vehemently supported by President Obama in Copenhagen, will cost American families already laboring under the greatest financial collapse for generations at least \$3,000 a year just for starters.

There can no longer be any denial that a world government is preparing to plunder the west by enforcing a myriad of different global consumption taxes, from financial levies to a carbon tax which will do absolutely nothing to address real environmental issues and will be used solely to expand the power of the World Bank, the IMF and the United Nations.

Allied to the global tax assault is the newly published **IMF strategy document that calls for the implementation of a global currency, called the "bancor"**, which will be pushed through by means of draconian regulatory measures that eviscerate sovereignty rights of nation states and hand complete economic control of the global economy over to a tiny and despotic ruling elite. The "bancor" will hand the IMF the power to manipulate exchange rates and determine the eventual collapse of the dollar.

Massive resistance must be focused around rejecting the institution of global taxes paid to the United Nations and the formation of a global currency otherwise the last tattered shreds of American sovereignty will be flushed down the toilet for good.

US House puts oceans, coasts under UN: Senate vote will seal the deal

September 22, 2010

Piece by piece, America being given away--Boogai.net By Carmen Reynolds, Paul McKain and Karen Schoen

“It’s too late; it’ll just have to be stopped in the Senate,” Tom, the young male answering the phone in [U.S. Rep. John Boehner’s \(R-Ohio\) Washington D.C. office](#), said about [HR 3534 \(CLEAR Act\)](#). This is the globalist bill designed to give away our land, oceans, adjacent land masses and Great Lakes to an international body, and makes us pay \$900 million per year until 2040.

HR 3534 is a thinly disguised permanent roadblock to American energy which drives American companies out of the Gulf, delays future drilling, increases dependency on foreign oil, implements climate change legislation and youth education programs; but most important, it mandates membership in the Law of the Sea Treaty without the required two-thirds vote to ratify it in the U.S. Senate.

The House passed the CLEAR Act (HR 3534) 209-193, July 30, 2010. This bill was originally introduced July 8, 2009, but was [resurrected by the recent Deep Water Horizon oil spill crisis](#). According to www.govtrack.us, a debate may be taking place on a companion bill in the Senate, rather than on this particular bill. No official Senate Bill number exists as of yet. <http://www.govtrack.us/congress/bill.xpd?bill=h111-3534>

Some have said this bill would be a long shot to be approved in the Senate or it will take a while to surface. [Similar assessments were made about the health-care bill. Past precedent reflects how a 2,200+-page bill can be created, printed, members held hostage, and that same bill voted on within hours to facilitate holiday recess.](#)

This bill assesses a Conservation Fee of \$2 per barrel of oil and 20 cents per million BTUs of natural gas for all leases on Federal onshore and offshore lands (Section 802). This will jettison America's energy prices for oil and gas through the roof!

Truth is, HR 3534 could have been stopped in the House and wasn't. Why? **Because 21 absent Republicans chose not to show up for this critical vote, while another REP just voted Present: U.S. Rep. Gary Miller (CA-42).** This legislation was so egregious; more than a handful of Democrats voted "nay" which makes the Republicans' absence in the House chamber for the vote even more questionable. Be reminded that 193 + 17 absent votes would have killed the bill.

The Consolidated Land, Energy, Aquatic Restoration Act of 2009 (aka: CLEAR Act, HR 3534) gives away ownership of America's oceans to the United Nations, and sectors America into nine geographic areas. This bill possesses a cap and trade/climate change component as well.

America will be forced to become a member of the UN Law of the Sea Treaty (aka: LOST), circumventing the normal two-thirds U.S. Senate vote necessary for ratification of any treaty

Re-education? NOAA tells eighth graders to eat seafood: "Oil floats. See, we've tested it." — Trying to combat worries kids hear "from their families"... more events planned

Excerpts

Gary Ott, science support coordinator with NOAA, demonstrated the basic science behind the oil spill and its cleanup for [Houma, Louisiana middle school] students using an aquarium filled with water as the Gulf of Mexico and cooking oil mixed with Hershey's cocoa powder to represent BP's spilled oil.

But Ott assured them [the seafood] was safe, and set out to explain why. Ott said the presentation was aimed at dispelling fear and rumors about the BP oil spill... **Other presentations at local schools are planned.**

"Because of fear, the wonderful people here have a lot of anxieties about the oil spill... So if I think that oil floats on water, through science, I should do an experiment to see exactly what happens..." [As] students watched the oil globs rocket to the top and stay there in a slick. "Oil floats. See, we've tested it," Ott said.

Sam Williams, [student, said]... "[N]ow I don't have to be afraid to eat seafood."... [The] principal of Oaklawn Elementary School, said **students are hearing about the spill from their families and "are part of the worry."**

Antibiotics are now on the verge of becoming virtually useless

(NaturalNews) The journal *Lancet Infectious Diseases* recently published a sobering piece about how antibiotics are becoming wholly ineffective as treatments for infection. According to the report, even the most powerful antibiotics available are largely inadequate at tackling the emerging forms of new and powerful "super" bacteria.

Antibiotic overuse has become a pandemic problem. They are used in animal feed to make animals grow more quickly and they are handed out like candy by many doctors to people with almost any ailment. And they are simply not working anymore to fight [infection](#).

Published by Professor Tim Walsh and his colleagues, the paper explains how a new gene called NDM 1 is changing the way infectious [bacteria](#) survive. The NDM 1 gene passes among bacteria like *E. Coli* and *Klebsiella pneumoniae* and makes them resistant to [antibiotics](#). Even carbapenems, the most powerful antibiotics available, are no match for these new bacteria.

"This is potentially the end. There are no antibiotics in the pipeline that have activity against NDM 1-bacteria. **We have a bleak window of maybe ten years where we are going to have to use the antibiotics we have very wisely, but also grapple with the reality that we have nothing to treat these [infections](#) with,**" explained Walsh in a recent *Guardian* piece.

Drug-resistant 'superbugs' hit 35 states, spread worldwide

September 18, 2010--Steve Sternberg--[USA Today](#)--Bacteria that are able to survive every modern antibiotic are cropping up in many U.S. hospitals and are spreading outside the USA, public health officials say.

The bugs, reported by hospitals in more than 35 states, typically strike the critically ill and are fatal in 30% to 60% of cases. Israeli doctors are battling an outbreak in Tel Aviv that has been traced to a patient from northern New Jersey, says Neil Fishman, director of infection control and epidemiology at the University of Pennsylvania and president of the Society of Healthcare Epidemiologists.

The bacteria are equipped with a gene that enables them to produce an enzyme that disables antibiotics. The enzyme is called Klebsiella pneumoniae carbapenamase, or KPC. It disables carbapenam antibiotics, last-ditch treatments for infections that don't respond to other drugs.

Dr. Johnson's Comment: Invive Mild Silver Protein is made under Pharmaceutical GMP (Good Manufacturing Practices) with double check off lists. The silver that is used is the finest available and is the same silver used in the 1938 Edition, 12th Volume of the British Encyclopedia of Medical Practice: Royal College of Physicians and Surgeons. The Compounds used to make this silver are identical as the silver compounds used in burn wards across America. As a result they can achieve uniform particle size between (.005 and .015 microns) which is something most companies have a very hard time doing. Now this particle size is much smaller than a bacterium which are approximately .5 microns. Therefore Invive silver particles can go wherever the bacteria are "because" the Invive particles are 100 times "smaller" than a bacteria, as Invive's smallest particles start at .005.

Today's modern antibiotics kill over 100,000 Americans per year, and cause horrendous liver and kidney damage, failure, and death, whereas the pre-1938 Mild Silver Protein formulation that has never caused one death.

<http://www.youtube.com/watch?v=GsbCP42BDtw&feature=related> The Vitamin D Cure

Vitamin D: importance in the prevention of cancers, type 1 diabetes, heart disease, and osteoporosis and Auto-immune diseases.

The purpose of this review is to put into perspective the many health benefits of vitamin D and the role of vitamin D deficiency in increasing the risk of many common and serious diseases, including some common cancers, type 1 diabetes, cardiovascular disease, and osteoporosis. Numerous epidemiologic studies suggest that exposure to sunlight, which enhances the production of vitamin D3 in the skin, is important in preventing many chronic diseases. Because very few foods naturally contain vitamin D, sunlight supplies most of our vitamin D requirement.

25-Hydroxyvitamin D [25(OH)D] is the metabolite that should be measured in the blood to determine vitamin D status. Vitamin D deficiency is prevalent in infants who do not receive vitamin D supplementation and in adults of all ages who have increased skin pigmentation or who always wear sun protection or limit their outdoor activities. Vitamin D deficiency is often misdiagnosed as fibromyalgia.

Studies in both human and animal models add strength to the hypothesis that the unrecognized epidemic of vitamin D deficiency worldwide is a contributing factor of many chronic debilitating diseases. Greater awareness of the insidious consequences of vitamin D deficiency is needed. Annual measurement of serum 25(OH)D is a reasonable approach to monitoring for vitamin D deficiency. The recommended adequate intakes for vitamin D are inadequate, and, in the absence of exposure to sunlight, a minimum of 1000 IU vitamin D/d is required to maintain a healthy concentration of 25(OH)D in the blood.

Recommended Product: Vitamin D-3

foundational multi-vitamin and mineral formulas are exclusively crafted from 100% whole food nutrients. The vitamins and minerals in each formula are not in an isolated state, but rather exist within a biodynamic True Active™ FoodState, whole food concentrate. True Active™ FoodState concentrates not only deliver essential vitamins and minerals, but numerous other vital constituents as well, including bioactive peptides, enzymes, food compounds and macronutrients that inherently comprise whole food. The food constituents delivered with each whole food vitamin and mineral have irreplaceable roles as co-factors in key metabolic bodily functions, and as bio-carriers that govern nutrient delivery to the cells. It is the bio-carriers that are considered to be the “intelligence” of whole food nutrients, enabling the body to readily recognize, assimilate and utilize the nutrients and other vital constituents being delivered. True Active™ FoodState nutrients therefore have a higher rate of utilization and are also retained longer in the body compared to all other forms of nutrients, particularly pure, isolated forms.

D-3 & Invive Mild Silver Protein Offer--Dr. Johnson's Comment: From the feedback I have gotten it is apparent that the high dose, foodstate Vitamin D-3 from Innate Response Formula is not available off the Internet. The highest dose available off the Internet is 400iu's and in the studies cited above (& for maximal immune system activation) much higher dosages are needed. So if interested I will be offering the high dosage, Professional Innate Response Formula-1000iu & 2000iu Vitamin D-3 tablets at the sizes and prices below (Sorry US orders only). I will also be offering the Innate Response Formula-Kid's Vitamin D-3 400iu Mini Tablets as well. These products should ship within the week once payment is received.

++For a total just reply to this email with what you would like to order & your shipping address; and a total will be emailed to you quickly. For all non US orders see the bottom of this page.

Innate Vitamin D-3 1000iu (90 tablets): 27.00

Innate Vitamin D-3 2000iu (90 tablets): 38.00

Innate Kid's Vitamin D-3 Mini Tabs 400iu (180 tablets): 36.00

++ An ideal combination is the Innate Vitamin D-3 and the Invive Mild Silver Protein 5000ppm (see the Youtube presentation below). I posted my special below and if you

order any quantity of Invive 5000ppm Silver **with the Innate Vitamin D-3 the shipping is free.**

Dr. J. Comment: Currently I have a surplus of 5000ppm Invive Mild Silver Protein. While supplies last I will be offering this surplus 5000ppm silver at 95.00 per bottle for quantities from 1-5 bottles and 85.00 per bottle for quantities of 6 or more bottles. This is a 5.00 savings per bottle at both quantity levels mentioned and for this special the shipping is free (**Sorry US orders only**) on all orders (which would be anywhere from a 15.00 to 40.00 savings over factory shipping; as when you order off my website the order goes through the Invive factory). These are the lowest prices for Invive Silver you will be able to find. This special is not available off my website. If you are outside the US you can still order the silver at: www.dr-johnson.com

Payment options:

I can take a check or money order or I can take Paypal (email me at: drjohnson@ix.netcom.com to request a Paypal link)

Subject: How long can I take the silver for.

I am treating a sinus problem. I have been taking 2000PPM for about a week. How long can I take this silver for and can I get overdosed? If I had a overdose, what would be the side effects?

Also, can I take like one teaspoon daily for a maintenance dose all the time?

LeeR
Thank you.

My Response:

LeeRay:

No you could literally take several tablespoons of the 5000ppm for months without having to worry about taking to much. There is really no such thing as overdosing on the silver as the body will eliminate 90% of excess silver via the feces and 10% via the urine. Just make sure you are drinking plenty of purified water and you need to get a nasal spray atomizer bottle (like

Afrin, etc.) and dump the medicine out and fill it with 500ppm silver (to make this just add 3 parts distilled water to the 2000ppm) and atomize/inhale this into the sinus passages several times per day and this should knock the sinus infection out quickly. This is a much more direct way of going after a sinus infection.

If you wanted to take a maintenance dosage the most economical (by far) way to do this is with the 5000ppm. 15 drops per day of the 5000ppm is a maintenance dosage and unless you are dealing with a specific issue, would be sufficient for everyday use. There are 2129 drops per 4 oz. bottle or a 142 day supply if you take 15 drops per day. 10 Reasons To Become Self-Sufficient And Ways To Get There

We are now three to five generations removed from the rural backbone that strengthened America. The world at large has undergone a similar transformation as the promise of easier work has created a migration to big cities. These mega-cities could be seen as an experiment gone awry, as general well-being has declined, with suicide rates increasing across the world.

Crowded conditions and economic strife have led to rampant crime, pollution, corporate malfeasance, and a dog-eat-dog type of competition that can be described as a temporary insanity. The economic crisis we are living through has been the final straw for many people, as promises of a better, easier, and more creative life seem to have been sold to us by carnival-style tricksters who are laughing all the way to (their) bank. Here are the top reasons for becoming self-sufficient; these are based on fundamental, systemic concerns for why undertaking this life change will not be a fly-by-night fad, but rather a long-lasting means for personal independence...

Grow your own food in your backyard year-round!

There is no weeding, tilling, kneeling, or getting dirty! The Tower Garden™ is a plug and play vertical garden. There is no need to have a “green thumb.” The Tower Garden™ Pro Series comes with everything you need to start growing. It is easy to assemble and fun for the whole family to watch your food grow from seed to an abundant harvest ready to eat for dinner. Tower Gardens fit easily on urban patios or rooftop gardens.

Growing with a Tower Garden™!

The Tower Garden™ uses a closed system technology to recycle 100% of the nutrients and water. This means the plants only use 5%–10% of the nutrients and water that is commonly used in conventional and organic farming. The Tower Garden™ is made in the USA and is the only vertical growing system made from USDA approved food grade plastic that has been UV stabilized for years of outdoor use.

Save money by growing your own food!

The Tower Garden™ can save you hundreds of dollars a year in healthy food that is also clean, safe, pesticide free, and highly nutritious. Your vegetables will grow in at least half the time it would normally take in the soil! Grow everything from gourmet lettuces and herbs, to edible flowers, to beautiful vine ripened tomatoes.

The world's first, one of a kind, patented Tower Garden™

- Grows 20 plants per tower
- Purchase add-on kits and grow up to 36 plants!
- Grow almost any vegetable, herb or flower
- Requires 5%-10% of traditional growing nutrients & water
- Fast growing, produces crops in half the time of traditional soil
- With a submersible heater, grow in colder climates
- No growing experience necessary

California Welfare Disaster: I don't have an article for this, just boots-on-the-ground intel in the middle of the welfare mess in California. We have 12% of the nation's population and 39% of all it's welfare recipients. Fresno County is in the process of hiring 86 more eligibility workers to handle the huge influx of applications being taken on a daily basis. I work in the large metro (ghetto) area and we take 100 new apps a day now, just at this location. The Regional Centers and outstations take an additional 100 per day and probably another 100 per day of just Medicaid and Food Stamps. The average caseload is now double what is manageable, so we are currently hiring to handle about 6 months' worth of new applicants. About 5 months ago we recruited for this same position and for every qualified applicant that tested and passed, only 1 in 4 actually showed up for their interview. We scraped the bottom of the barrel to get 53 people to come do this work, and here we are hiring again, and all this amidst mandatory furloughs and promotion freezes. This is going to get ugly. We do not have the office space, parking or waiting room capacity to handle more bodies and the stress levels of everyone on both sides of the desk is off the charts. I had one “client” tell me that, based on what he hears on the streets, not to come to work if ever they don't get the checks out on time, you can fill in the blanks. Here's a [link](#) to the job announcement, which closes 9/28/10. Our kids and grandkids have made the move to MT this summer and don't plan to come back. We are trying to sell and get out but are prepared to abandon ship and head north when the situation presents itself, sale or no sale. We'd covet your prayers on the sale and God's provision for our relocation.

[The Ominous Silent Canary & Gold and Silver](#)

By: Jim Willie CB, GoldenJackass.com

....The gold & silver prices have broken out to new highs. Tremendous heights will be achieved. We will see \$2000 gold, then later \$3000 gold. We will see \$40 silver, then later \$70 silver. It is pre-ordained. It is written. It will be done...Each round of economic stimulus pushes the gold & silver price higher. Each round of big bank bond redemption pushes the gold & silver price higher. Each round of sanctioned official debt monetization pushes the gold & silver price higher. Each round of inaction from political delay or stalemate pushes the gold & silver price higher. The only lack of satisfaction from the leaps higher in precious metal prices comes from knowing that the world as we know it will change, as the landscape shows evidence of economic scars. Supply chain disruption, price inflation, lost financial security, social unrest, and growing chaos will make it difficult to enjoy the strong purchasing power from a high gold & silver price from personal holdings in investment. But the alternative is so much worse than not holding them in investment. Gold & silver are a vote of no confidence in the paper system. Gold & silver are vast life boats during a tsunami. Gold & silver are a stake in the future.

Gold Breaks Psychological Barrier

Infowars.com--September 23, 2010--Gold has continued its astronomical ascent, reaching a new record-breaking high of \$1,300 an ounce today. This is the fourth day of record high gold prices.

Earlier in the week, the [precious metal surged](#) after Federal Reserve boss Bernanke said the banksters will provide extra "monetary stimulus" to boost the collapsing economy.

The Fed announced it will manipulate the money supply — i.e., it will crank up the printing machines, known in polite circles as quantitative easing — in a concerted effort to create inflation. The Fed says it is [artificially creating inflation](#) in response an unemployment rate that is beginning to rival that of the Great Depression.

Skyrocketing gold prices are "happening for a reason," writes [James Turk](#), co-author of *The Collapse of the Dollar* and publisher of the Free Gold Money Report. "The precious metals are sensitive to changes in inflation, both actual as well as future expectations."

Subject: **Silver Investment Question**

Hey Dr. Scott,

Went to the "contending for truth" site. Looking for a recommendation for silver tender-ABLE coins. Any reference you may offer. Thanks

Reply: I don't have a document on this but my general recommendations are to buy from someone local or semi-local so you can actually go to them to buy the silver. Preferably do nothing online or anything that leaves a paper trail. Flea markets are usually the best place to buy as it is easier to be confidential and they have low overhead at flea markets so you can usually get better deals. Recommend buying a mixture of 1 oz. 99.9% silver rounds, junk silver coins like poor condition (made in 1964 and before) quarters, half dollars, dimes. War nickels are also good (see below). These are denominations that can be bartered with easier, as you can make change with them whereas you would not be able to do this if all you had was 1oz.

silver rounds or even harder 1 oz. gold rounds. Older United States silver coins (made in 1964 and before) are now in demand because of their silver content. (Many were melted down years ago.) At one time these were referred to as - junk silver - because they had no special collector value at the time. [Junk silver](#) is still used today to refer to old silver coins. However, times have changed. Today's "junk silver coins" are becoming harder to find.

\$1.00 worth (face value) of silver dimes weighs the same (and has the same silver content) as a \$1.00 in silver quarters, which also weighs the same as \$1.00 in silver half dollars. For example, 10 dimes, 4 quarters, or 2 halves all have the same weight and are 90% pure silver composition.

[Silver "War" Nickels 1942 - 1945](#)

Silver "War" nickels were produced by the United States from mid-1942* through 1945. The coins were manufactured from 56% copper, 35% silver and 9% manganese. This allowed the saved nickel metal to be shifted to industrial production of military supplies during World War II.

Silver nickels are distinguished by a slightly different coloration than ordinary nickels and by the appearance of a large mintmark above Monticello's dome on the reverse side of the coin. The marks are "S" for the San Francisco mint, "D" for the Denver mint and "P" to indicate production at the Philadelphia mint, being the first coin to feature the Philadelphia initial, as no mint mark was the usual designation for Philadelphia mintage before 1979.

* Note that some 1942 nickels were produced without silver content. These will have a small "D" or "S" mint mark to the right of Monticello on the reverse or in the case of Philadelphia minted coins, no mint mark at all.
