

Exposing The Strong Delusion: E.T.'s, Aliens, UFO's, The Nephilim & The Grenada Treaty

Dr. Scott Johnson

Sermon Overview: Matthew 24:38 & Luke 17:26 say: “And as it was **in the days of Noe (or Noah), so shall it be also in the days of the Son of man.**”. What is the significance of this statement and how does it relate to the Nephilim, UFO and/or Alien Agenda? The flood epic of Genesis 6 begins with a strange account of the **"sons of God" (or angels in the Old Testament)**, taking human wives. Gen 6:4: “There were giants in the earth in those days; **and also after that**, when the sons of God came in unto the daughters of men, **and they bare children to them**, the same became mighty men which were of old, men of renown.” The Hebrew word which is translated, "giants" is "Nephilim", which means, "The fallen ones". Jude describes them as "angels, having left their first estate". These fallen angels came to earth for their own purposes & to corrupt **the seed** of humanity and ultimately destroy the human civilization so as to **negate** the Biblical statement made below **by God himself**. **Genesis 3:14-15:** "And the LORD God said **unto the serpent**, Because thou hast done this, thou art cursed above all cattle, and above every beast of the field; upon thy belly shalt thou go, and dust shalt thou eat all the days of thy life: And I will **put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head**, and thou shalt bruise his heel." **Ronald Reagan - Threat of Aliens** Ronald Reagan talks about an alien presence or possible threat to human kind and the necessity for nations to get closer if it would happen... **Speech from the 42d Session of the United-Nations General Assembly, N.-Y. 09/21/1987:** "In our obsession with antagonisms of the moment, we often forget how much unites all the members of humanity. Perhaps we need some **OUTSIDE, UNIVERSAL THREAT** to make us recognize this common bond. I occasionally think how quickly our differences worldwide would vanish if we were facing an **ALIEN THREAT** from outside this world."

Demons in Alien's Clothing?

As we enter the 21st century and a new millennium, Satan has devised the delusion that mankind is entering into an important evolutionary phase - a New Age. The push for "global enlightenment" has now extended to the vast reaches of the universe, into what could be deemed as a "space" religion. However, once

this nebulous veil is lifted, a definite correlation emerges between the UFO/Alien phenomenon and occultic/satanic activity... Many of these revered and feared entities were described as looking like winged-reptilians or dragons. Similarly, Satan and his minions were depicted in an identical manner, as seen in artwork throughout the centuries. A monograph entitled, Reality of the Serpent Race, by Branton, reveals, "In Genesis 3 we read about the 'Nachash'; Hebrew word for 'Serpent'. The original Nachash was not actually a snake as most people believe, but an extremely intelligent, cunning creature, possessed with the ability to speak and reason." Another significant parallel from the Holy Bible is shown in Jeremiah 8:17, "Behold, I will send serpents, cockatrices among you, which will bite you, saith the Lord." The definition of a cockatrice is a reptilian bird-like creature or winged-serpent. This could very well represent the Phoenix, described in Egyptian mythology.

"Quotes from a lecture given by Philip Schneider in September, 1995:

"Back in 1954, under the Eisenhower administration, the federal government decided to circumvent the Constitution of the United States and form a treaty with alien entities. It was called the 1954 Grenada Treaty, which basically made the agreement that the aliens involved could take a few cows and test their implanting techniques on a few human beings, but that they had to give details about the people involved."

Reasons Why Vatican Astronomer Said 'Belief In E.T.'s OK--Ashtar's Response: "We are Getting Ready For Mass Divine Intervention!"

It was very interesting, though actually not surprising, when the Vatican astronomer recently stated--publicly-- "believing in aliens is OK and does not contradict one's faith in God". This I say is "interesting" because as both a UFO researcher, as well as one termed a "contactee" with very spiritually evolved benevolent human appearing-angelic-"Elohim" E.T.'s, I have a very unique perspective regarding this whole reality. I am very aware of numerous events connected with UFO's and E.T.'s, that I also have reason to believe that the Vatican and the Catholic Church have actually always known of this reality. As a researcher, I have spoken to two people in years past that stated to me, very seriously, they were both allowed to go through the Vatican Libraries and Records that no outsider is usually allowed to visit, and each told me basically the same exact thing, "The Vatican Records contain the biggest UFO and metaphysical library in the entire world", of numerous things historically, from very ancient, to more modern day events, which have been suppressed from the masses. For example, when Mother Mary appeared at Fatima, to the three small children, evidence appears to suggest that some or part of the phenomena that was seen and experienced that day up in the sky also involved very spiritually evolved human appearing "angelic" E.T.'s and their space ships (otherwise referred to as 'UFO's'.) In fact for many years, the Vatican has sent their own investigators out around the world to personally investigate these type of events, and they have stored their findings in the Vatican Libraries along with all the other things they have discovered.

Also, a couple of specific incidents occurred in which the Catholic Church had direct personal involvement relating to UFO's and extraterrestrial contact I, myself, have investigated, and I am truly convinced did, in fact occur, and both of those individuals I referred to earlier were also given confirmation of this when they explored the Vatican Library.

One of these events, occurred on the date of Feb. 20/21 1954, (this event is thoroughly documented at this web site: www.exopolitics.org/Study-paper-8.htm) This historical event, which was covered up for 'National Security' reasons, was that President Eisenhower and members of his staff, along with members of a delegation of community leaders representing the religious, spiritual, economic and newspaper cross segments of society, actually met with extraterrestrials at Edward's Air Force Base (previously known as Muroc Field). Even though this event was covered up, and the official explanation of President Eisenhower's sudden absence for that time period was an "emergency visit to the dentist because he had broken a tooth cap", the facts are verified from more than one source; those who were actually there, and others who knew some of those who were there, and it has been confirmed. I feel this event did in fact take place. The person who "represented" the religious portion of earth's society was a well known Cardinal, and I quote from this research paper: "Cardinal James Francis MacIntyre was the Bishop and head of the Catholic Church in Los Angeles at the time (1948-1970), for it was theorized that he would have been an important gauge for the possible reaction from religious leaders generally, and in particular from the most influential and powerful religious institutions on the planet - the Roman Catholic Church. In particular, Cardinal MacIntyre would have been a good choice as a representative for the Vatican since he was appointed the first Cardinal of the Western United States by Pope Pius XII in 1952."

The second incident involved a visit to the Vatican of an individual who I believe, both through my own research, as well as having been given strong confirmation in communication from my own space contacts, that this was another very authentic fellow "contactee" who also had many contacts, just as I have. These very same type of benevolent and spiritually evolved human appearing E.T.'s (referred to as the "Space Brothers [a term of respect], were also the same type of E.T.'s who landed at Edward's Air Force Base). This individual known as George Adamski, actually met with Pope John XXIII, at the Vatican, on May 31, 1963, a few days before the Pope's death, and actually gave the Pope a "sealed package" given to him from his space contacts to be given specifically to the Pope. Two books, which describe and document this very historical event, are "*George Adamski, The Untold Story*", by Lou Zinsstag and Timothy Good, and the other is "*UFO... George Adamski, Their Man On Earth*", also by Lou Zinsstag. In the first book, there is an actual photograph of the specific medallion which was given to Adamski by Pope John XXIII. This medallion, by the way, is a very special medallion and very rare, and has only been given to a very few people through the years. It is known as the Ecumenical Council medallion. Zinsstag, the author, who also happened to be the niece of the famous Swiss psychiatrist, Carl Jung, helped sponsor Adamski for well over 10 years, was there in Rome with another witness, as they watched him go through a special entrance into the side of the Vatican into the private audience with the Pope and then watched him return back outside after his meeting with the Pope. In final analysis, it is my opinion as stated, based both on my own research, as well as my own personal experiences, that one of the reasons that the Vatican's chief astronomer is coming out openly now to make this statement, and the fact

that the governments of this planet (as even mentioned on Fox and CNN) have recently been releasing vast amounts of formerly classified documents about UFO's and extraterrestrial contacts, is they all now believe that this planet will soon be experiencing much more open UFO sightings and what some might have traditionally have termed "Divine Intervention" of these very spiritually advanced beings, who are members of a "Intergalactic Confederation or Universal Federation".

In both of my physical experiences aboard what I refer to as the Merkabah Light Ships, the communications shared with me in person by these "Space Brothers" of the Ashtar Command, and also many other times they have stated very strongly, that they must Intervene soon because our free will getting out of control and could end up destroying the Earth if they do not more openly step in. In fact, just as I was being guided to share this posting with others on the internet, I felt that familiar "vibrational signal" which alerted me to one of the main beings who has been communicating through me most of my present Earth life, Lord Ashtar, indicated that he was going to send a "Transmission-Channeling through me to share with everyone else, in regard to these latest developments with the Vatican.

Lord Ashtar Channeling-Transmission, through Michael Ellegion:

"Greetings in the Light of our Radiant One [God], this is Lord Ashtar of the Ashtar Command, Intergalactic Confederation/Universal Federation,. I want to comment upon what this channel and many others have recently heard, regarding the official public statement, by the Vatican astronomer, about a belief in our existence, and we from other worlds is not in conflict to one's belief or your relationship with our Divine Creator of this and all universes.

"This is only one of the more recent and important steps that --some--of the officials of government and those in positions of power on Earth realize must be done. It is true, we of the Federation, have been attempting to influence those in positions of power on Earth for many years to allow the masses, all peoples on Earth, to have access to us and the vast amount of help we can offer you very quickly to solve the numerous challenges you have been facing.

"Yes, in the decade of the '50's, we of the Federation openly appeared over the capitol building of the U.S. on two weekends straight, [July 19th and the 26th, '52], to make it clear to the officials that we are a benevolent presence. We have also attempted diplomatic relations with the officials on more than one occasion, and sending down a Federation ship to land openly at Edward's Air Force Base [Feb. 20th/21st '54] was one of the more documented attempts.

"It is also true, despite this attempt to officially establish diplomatic relations, we of the Federation were turned down because our representatives made it very clear that we were not about to share our very advanced technologies with the Earth leaders which could be used for more advanced weapon systems and would have unfortunately been used as such by those in positions of power, We made it very clear that we were willing to share more advanced technologies with the leaders if they were willing to also share this information with all the people's of the Earth rather than just the power elite having access to it. We also made it clear, that as a gesture of peace, as a type of "litmus test" the real intent of the

technology we would share would, beyond any shadow of a doubt, be very advanced technologies to be used only for peaceful and humanitarian purposes. Our representatives stated very clearly and precisely, that we of the Federation demanded that nuclear weapons on Earth to immediately be made obsolete. Also, that all the people on this planet must be made aware of this situation, with no cover-ups or so-called “conspiracies of silence”. This would prove the real intent and motives of those in positions of power. If they only have positive or benevolent intent, they would not hesitate to allow this sharing for the mutual benefit of all the people on this planet, rather than, those who have tended to abuse their power and positions upon this planet.

“This offer of open, mutual Intergalactic Cultural Exchange, with these very important requirements, were of course turned down. It was obvious that humanitarian and moral demands were not as important or of the same priority as it was to keep their power and not to share this with everyone else upon this planet. We of the Federation had actually suspected the more official overtures of Intergalactic diplomacy and peace would probably not turn out as we had hoped, but we at least felt we had to officially go through the “Diplomatic Formality”, especially since our representatives also warned President Eisenhower and all those present, of another group, a group we have considered as “renegades” those termed the “greys”, Because the greys are not willing to abide by Federation policies, that strictly forbid activities of taking advantage of the vulnerabilities of those living on Earth, they planned to abduct many Earthians, just using them for genetic material, without respecting their sovereignty and “Cosmic Civil Rights.”

“Yes, millions of “Cosmic Civil Rights” violations have occurred by these entities abducting millions of earth humans. These entities are “on the back curve of evolution” and are a dying species, who have refused our own offers to them, in times past, if they would agree to Federation policies--just as we demanded of Earth human officials, the cabal. That is to live up to and respect the sacred principles and laws of creation by not forcing themselves upon other species, and allowing us to share certain genetic knowledge with them. They could have gotten themselves off this “back curve” and would have returned to a more “progressively balanced evolution” once again. Of course, just like Earth’s leaders, they were not willing to respect and uphold these requirements, and chose to break Federation rules of “Non-interference” which forbids these abductions that have occurred.

“This so-called Treaty, which the Earth officials made with these renegade aliens, and was made without the will of the people, we have always considered Illegal and immoral, in the sense that unlike other worlds, our planetary leaders are also members and/or represent our Higher Councils, and are first of all, leaders because of their level of integrity and spiritual wisdom and their respecting of Truth and the needs of their peoples. They are always in touch with their people’s concerns and there are no cover-ups or so-called hidden agendas; everything is above board, period.

“But on this planet, as our fellow Space Brother of Light, Commander Voltra, a Cosmic Psychotherapist, who has been affectionately nicknamed, “the Dr. Phil of

the Intergalactic Realms”, has stated, other than the greys and negative reptilians, who we are Cleansing from the Heavens, Earth which has been the most Dysfunctional planet in the entire Universe. Many of you may need “Cosmic Psychotherapy”--and Voltra is available “24/7” for those of you who want some compassionate “counseling and emotional and psychological analysis” on how to handle all your “Earthly codependencies” that seems so extremely prevalent upon Earth. Voltra is just one of literally millions of fellow Cosmic Psychotherapists on aboard our vast fleets and Commands of the Federation, which surround this planet in Guardian Action. They are ready to start counseling all of you who wish to release and transmute all your earthly traumas and emotional imbalances.

My friend, and fellow Ascended Master, of the Spiritual Hierarchy, St. Germain, appeared before the Forefathers and gave that short inspiring speech about Freedom and sovereignty, and he ended it with the admonition” So sign that document!”--and they did. The original organic U.S. Constitution, a truly Divinely Inspired Document, documents the “Rule of Law” on Earth, so too, the “Intergalactic Rule of Law”. We of the Ashtar Command and the entire Federation have been instrumental in allowing a much more recent opportunity for all the people’s of Earth. Every soul’s Higher Over Soul Self, to participate in a Full Planetary Vote, of allowing all the souls presently living upon Earth to participate. This Voting Process for a new, more fair and planetary Treaty, allows the people’s of this planet to now have their Official vote. Unlike the continuous manipulation of the votes that have occurred in most recent major elections in the U.S. and other corrupt countries, we on these higher levels never manipulate any of these votes, because “The Majority Rules”. Even though there were a few negative votes against this new, more fair Treaty, by those members of the cabal and some more backward Laggard souls who had been stuck on the old Wheel of Karma”--what this channel refers to as “Cosmic Isolationists”, by and large most souls, when given the opportunity--VOTED UNANIMOUSLY TO ALLOW US, THE FEDERATION, TO OPENLY DIVINELY INTERVENE, HERE ON EARTH VERY SHORTLY, as soon as our Divine Creator gives us the imminent “green light and official Cosmic Go ahead!

“And as this channel also has been getting ready, as we have guided him to do so, is very shortly publishing an insightful book that helps to powerfully Prepare all humanity in more detail to what, just exactly, we will truly be doing when what some have termed “First Contact” does in fact occur! I was also honored to have channeled through a fellow Volunteer soul in Earth embodiment, the great sister and dedicated soul of Light, Lady Tuella, while she was still alive on Earth. Lady Tuella, has been back here amongst us since she returned to the higher realms at the end of her Earth mission. I wish to state for the record, as I and others of the Federation channeled through her and was documented in her book, “*Project: World Evacuation By the Ashtar Command*,” that information is still basically just as accurate now, as it was then, back in 1982, when it was first published by Tuella through Guardian Action Publications”. Even though over two and half decades of 3-D earth time have come and gone and even though we had changed our plans of the exact time factor, of when, just exactly, we would ultimately make

our move, I still refer to this “First Contact” scenario as a “Secret Wave” of Evacuation” because it is “secret” only in the sense of not openly and officially announcing a specific or exact date and time of our mass appearance over this planet. Not secret nor ever has been “secret” of our eventual plans to make a more open and mass planetary appearance. This first of a series of more open and mass appearances and landings, does include worldwide “evacuations.” These “evacuations” are not at this stage really so much emergency scenarios, as they are more “Cosmic R. & R.” vacations for a period of approximately 2 to 3 weeks (of Earth time) for the returning Volunteers in Earth embodiment and the later waves of evacuation for anyone else who’s physical bodies are high enough in vibrations to handle the higher energies aboard our Merkabah Light Ships. And as it does occur, then all on Earth will know that Intergalactic Cultural Exchange has finally been allowed.

“We are looking forward to this upcoming Intergalactic Fellowship, and as so many fellow Channels and contactees have known for many years, that once this First Contact does occur, we of the Federation and those of you in Earth embodiment who are members of our Extended Cosmic Families, will have such a wonderful Cosmic Family Reunion, yes great parties and Celebrations, that we all have been looking forward to. So get your lives in order, anything that needs to be resolved or taken care of, any karmic things that need to be released, and if you need any help, call upon us, and also Invoke the “Cosmic Law of Grace’ to help resolve any and all conditions on Earth which would have blocked this wondrous and awesome reuniting of Earth and all world’s of the Federation/Intergalactic Confederation throughout the universe. Blessings to all, and Keep Your Eyes on The Skies, as we Prepare For this most momentous of occasions! Adonai Vassu Berogus!”

Michael: Wow, that was great, and I could feel Ashtar’s great feelings of joy that this great cover-up of the reality of their very benevolent existence is finally about to come to a close, and I Am very excited also, because as he referred to the fact that, yes, I have been working for awhile on a book that will, in fact, as he stated, powerfully Prepare everyone in a much more specific way, for not only why this event has to occur, but all the details of this plan. This plan is actually a Sacred Promise--as I have shared with others. Because I have had conscious memories since my birth, of having been in the Higher Councils and a member of the Federation prior to taking Earth embodiment. And while there in the Councils, and later right before I remember leaving my Higher density Elohim E.T. body in storage while I beamed down into my Earth biological mother’s womb, I remember in “Debriefing” of them reminding us Volunteers of this Sacred Promise, of them ultimately sometime during our present Earth lifetime, of openly Divinely Intervening in their Light Ships and beaming up all of us Volunteers as well as anyone else who was ready to Graduate from Earth. And in both of my physical encounters, of being physically taken on board, both times these Elohim E.T.’s of the Ashtar Command and Federation, reminded me in their physical presence of this same plan. So when I hear other so-called “pragmatic” individuals who criticize this scenario, and infer that it is just some “pie in the sky

fantasy” that those of us who Know from Within (AND WITH MYSELF OF ACTUALLY REMEMBERING THIS PLAN FIRST HAND) by making such negative statements, like some “disempowering mantra” and “If you think that the benevolent Space Brothers are going to come down and save you, well, you're just not facing reality”--such a statement just shows me how out of touch with REAL REALITY THEY ACTUALLY ARE, and are part of that “Cosmic Isolationist crowd” that Ashtar has referred to a number of times.
