## Islam & Yasser Arafat and their Obsession with tiny little Israel: IN THEIR OWN WORDS

"Soon Islam will become the dominating force in the world, occupying first place in the number of followers amongst all other religions...We don't shy away from declaring that Islam is ready to rule the world" - **Mahmoud Ahmadinejad, President of Iran**

"Peace initiatives, the so-called peaceful solutions, and the international conferences to resolve the Palestinian problem, are all contrary to the beliefs of the Islamic Resistance Movement." - **Hamas Charter 1987, Article 13**

"Believers (Muslims), take neither Jews nor Christians to be your friends: they are friends with one another. Whoever of you seeks their friendship shall become one of their number, and God does not guide (those Jewish and Christian) wrong-doers." - **The Quran, Sura 5:51**

"Israel will exist and will continue to exist until Islam will obliterate it, just as it obliterated others before it" - **Hassan al-Banna, founder of the Muslim Brotherhood**

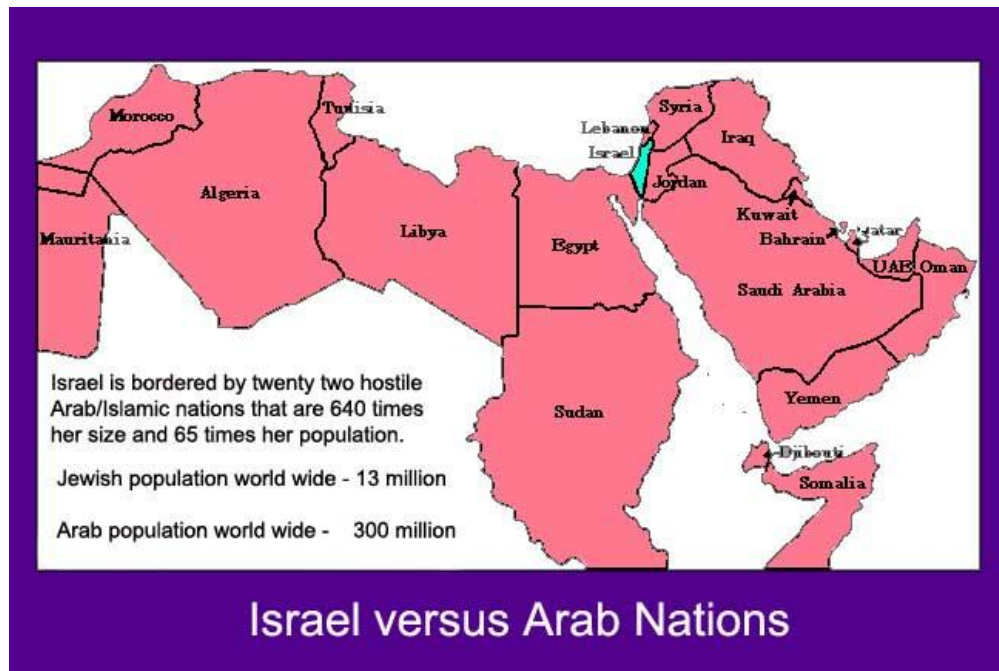

"Sons of Islam everywhere, the jihad is a duty - to establish the rule of Allah on earth and to liberate your countries and yourselves from America's domination and its Zionist allies, it is your

battle - either victory or martyrdom." - **Sheikh Ahmed Yassin, Hamas co-founder and spiritual leader**

"If the refugees return to Israel, Israel will cease to exist." - **Former Egyptian President Gamal Abdel Nasser, a key player in the Six Day War who openly advocated the destruction of Israel**

Most Americans - and even most Christians - have no real awareness of the nature of Islam: its origin, its agenda, and its methods. To learn more about the growing threat posed by Islamic extremists we encourage you to watch the film [Obsession: Radical Islam's War Against the West](http://store.khouse.org/store/catalog/enews.html?mv_pc=ENEWS) (click on this link: [http://store.khouse.org/store/catalog/enews.html?mv\\_pc=ENEWS](http://store.khouse.org/store/catalog/enews.html?mv_pc=ENEWS)) This new documentary has been described as "required viewing" and "one of the most important films of our time." It contains an "insider's view" of the true nature and agenda of radical Islam.

**Now let's look at Yasser Arafat and his condemnation of the Israelites for not giving up enough land to make the Palestinians.**

<http://www.jewishindy.com/modules.php?name=News&file=article&sid=9488>

Israel is a Jewish nation 1/19th the size of California, and is one of the smallest nations on the face of the earth. With only about 8,000 sq. miles of land mass it is **roughly two times the size of Rhode Island**. Israel is 260 miles at its longest, has a 112-mile coastline, is 60 miles at its widest, and between 3 and 9 miles at its narrowest. **The nation of Israel is surrounded by twenty-two hostile Arab/Islamic dictatorships that are 640 times her size and 60 times her population.** Arab propagandists call Israel "expansionist." There is **NO** truth to this statement as Israel, occupies **one-sixth of one percent of the lands called Arab.** There are **13 million Jews in the world (almost 5 million fewer than they were in**

1939) and 300 million Arabs and 1.4 billion Muslims.

Arab propagandists and biased irresponsible news services call Israel "expansionist" and the "aggressor" against Arab peoples. Israel has fought only defensive wars; to the Arabs, Israel's resistance to *their* aggression — which would lead to Israel's total destruction if allowed to go unchecked — is illogically viewed as an "act of aggression." Is "illogical" the proper term to be using here? Of course it is. **But is logic really a considered factor in much of today's news propaganda?**

~ [Yasser Arafat quotes](#) (Palestinian President of the Palestinian Authority from 1996. Nobel Peace Prize in 1994. 1929-2004)

"We plan to eliminate the state of Israel and establish a purely Palestinian state. We will make life unbearable for Jews by psychological warfare and population explosion. . . . We Palestinians will take over everything, including all of Jerusalem."

"The victory march will continue until the Palestinian flag flies in Jerusalem and in all of Palestine."

"Whoever stands by a just cause cannot possibly be called a terrorist"

"Our law is a Jordanian law that we inherited, which applies to both the West Bank and Gaza, and **sets the death penalty for those who sell land to Israelis.**"

"We will not bend or fail **until the blood of every last Jew from the youngest child to the oldest elder is spilt to redeem our land!**"

**"Peace for us means the destruction of Israel. We are preparing for an all-out war, a war which will last for generations."**

**Some opinions of Arafat:**

"Arafat contradicts himself every five minutes. He always plays the double-cross, lies even if you ask him what time it is."

[Oriana Fallaci](#)

"It is not surprising, then, that in the decade since Oslo began, Arafat used all the resources placed at his disposal to fan the flames of hatred against Israel."

"Arafat rejected the deal because, as a dictator who had directed all his energies toward strengthening the Palestinians hatred toward Israel, Arafat could not afford to make peace."

[Natan Sharansky](#)

---

**Islamic Resurrection dependent on Muslims killing Jews**

Hamas spokesman, Dr. Ismail Radwan:

"The Hour [of Resurrection] will not take place until the Muslims fight the Jews and the Muslims kill them, and the rock and the tree will say: 'Oh, Muslim, servant of Allah, there is a Jew behind me, kill him!' We must remind our Arab and Muslim nation - its leaders and people, its scholars and students - remind them that Palestine and the Al-Aqsa Mosque will not be liberated through summits nor by international resolutions; rather, it will be liberated through the rifle."

[http://palwatch.org/main.aspx?fi=676&fld\\_id=676&doc\\_id=1736](http://palwatch.org/main.aspx?fi=676&fld_id=676&doc_id=1736)

---

## **Pres. Bush shows deep respect for the Organization of the Islamic Conference (OIC)**

ON Wednesday in the US capital, **President George W. Bush** paid a visit to the Islamic Center of Washington and made an important announcement: for the first time, the United States will appoint a special envoy to the Organisation of the Islamic Conference.

The announcement is exciting news and a clear affirmation of the US government's **deep respect for OIC member states**. The United States views the OIC as a leading voice for the diverse Muslim states around the world, and the OIC's current chairman, Prime Minister Abdullah Ahmad Badawi, as a champion of reason and tolerance.

Eisenhower welcomed the Islamic Center into the community of American places of worship with the promise that "under the American Constitution, under American tradition, and in American hearts," Muslims in the US would always be free to worship.

Those words are just as true today, as millions of American Muslims worship in **over 1,200 mosques in all 50 US states**. Freedom of religion is the first protection offered in America's Bill of Rights.

**"This is the promise of our Constitution, and the calling of our conscience, and a source of our strength," President Bush said on Wednesday.**

**"Today we gather, with friendship and respect, to reaffirm that pledge – and to renew our determination to stand together in pursuit of freedom and peace.**

**"We come to express our appreciation for a faith that has enriched civilization for centuries.** We come in celebration of America's diversity of faith and our unity as free people. And we hold in our hearts the ancient wisdom of the great Muslim poet, Rumi: 'The lamps are different, but the light is the same.'"

---

## **Rick Warren, Bill Hybels, Brian McLaren and other Contemplative/Emerging Leaders Invite Muslims to Love God, Neighbors Together**

**Source: *Miscellaneous News Source***

<http://www.lighthouse trailsresearch.com/blog/index.php?p=891&more=1&c=1>

**LTRP Note:** *The Christian Post* article below is regarding a response by a significant number of evangelical leaders who have said that Christians and Muslims need to come together because they worship a common God. The response is to a document by Muslim leaders titled "[A Common Word Between Us and You](#)". Some of those who signed the Christian response are Rick Warren, Brian McLaren, Bill Hybels, Leith Anderson and many others. One thing most of the signers have in common, and that is their propensity towards contemplative and/or emerging spiritualities.

By Ethan Cole  
*Christian Post* Reporter

Christian leaders across denominational lines responded to the unprecedented open letter signed last month by 138 representative Muslim leaders with their own letter, calling on the two Abrahamic faiths to love God and neighbors together.

Muslim Letter Spurs Little Christian Action

Call for Muslim-Christian Unity 'Very Encouraging', Says Vatican Interfaith Head

Muslim Peace Call to Christians Welcomed

Over 100 theologians, ministry leaders, and prominent pastors have thus far signed the response letter issued by the Yale Center for Faith and Culture.

“Given the deep fissures in the relations between Christians and Muslims today, the task before us is daunting. And the stakes are great. The future of the world depends on our ability as **Christians and Muslims to live together in peace,**” the letter added. **“If we fail to make every effort to make peace and come together in harmony you correctly remind us that ‘our eternal souls’ are at stakes as well.”**

The letter’s main emphasis is the “absolutely central” commonality **between both religions: love of God and love of neighbor.**

Signers include Jim Wallis, president of Sojourners; Rick Warren, founder and senior pastor of Saddleback Church; John Stott, rector emeritus of All Souls Church in London; and Leith Anderson, president of the National Association of Evangelicals....

Christian leaders urged for an interfaith dialogue that moves beyond "polite" ecumenical talks between selected leaders. Instead, leaders of both faiths should hold dialogues to build relations that will "reshape" the two communities to **"genuinely reflect our common love for God and for one another," the Christian letter state.** Click here to read the entire Christian Post article: [http://www.christianpost.com/article/20071123/30194\\_Christian\\_Leaders\\_Invite\\_Muslims\\_to\\_Love\\_God%2C\\_Neighbors\\_Together.htm](http://www.christianpost.com/article/20071123/30194_Christian_Leaders_Invite_Muslims_to_Love_God%2C_Neighbors_Together.htm)

### **Pope Kissing the Islamic Koran**

A quote from the Catholic Catechism: (841) “The plan of salvation also includes those who acknowledge the Creator, in the first **place amongst whom are the Muslims; these profess to hold the faith of Abraham, and together with us they adore the one, merciful God, mankind’s judge on the last day.**” (**Catholic Catechism, pgs. 242, 243**)

---

### **Twisted Logic: THE POOR MUSLIMS - THEY GET INSULTED - WE GET BEHEADED**

- A. Muslims claim to be the murders of at least 3,000 innocents in New York and expect no criticism.
- B. Muslims murder 202 tourists in Bali and expect no criticism.
- C. Muslims murder 333 school children and their teachers in Beslan and expect no criticism.
- D. Muslims murder 292 innocents, mainly Kenyans and Tanzanians at two US Embassies and expect no criticism.
- E. Muslims murder 241 US and 58 French peacekeepers in Beirut and expect no criticism.
- F. Muslims fire 4,000 Katyusha rockets into Northern Israel killing over 50 innocent civilians and expect no criticism.
- G. Muslims murder 52 in London and 191 in Madrid and expect no criticism.
- H. Muslims murder 200 in Mumbai and expect no criticism.
- I. Muslims behead Western hostages in Iraq, Buddhist monks in Thailand and Christian schoolgirls in Indonesia and expect no criticism.

J. Muslims murder 500,000 in Darfur and expect no criticism.

K. Muslims regard Jews as 'sons of pigs and monkeys', and vow to nuke Israel and expect no criticism.

L. Muslims force women to wear hideous sacks, stone to death women for getting raped and for leaving the home unescorted, engage in honor killings of sisters and daughters for unapproved dating, and expect no criticism.

M. Muslims danced in the streets and handed out sweets to their kids to celebrate the 9/11 atrocity, and still expected no criticism.

N. Since 9/11 Muslims have killed over 26,000 and wounded over 50,000 in terrorist attacks worldwide since 9/11 and expect no criticism. Since 9/11 Muslims have committed terrorist attacks in Afghanistan, Algeria, Bangladesh, Belgium, Chad, Chechnya, Dagestan, Denmark, East Timor, Egypt, England, Eritrea, Ethiopia, France, Germany, India, Indonesia, Ingushetia, Iran, Iraq, Israel, Jordan, Jordan-Iraq, Kabardino-Balkans, Kenya, Kosovo, Kuwait, Kyrgyzstan, Lebanon, Mauritania, Morocco, Netherlands, Nigeria, Pakistan, Gaza-Palestinian Authority, Philippines, Qatar, Russia, Saudi Arabia, Scotland, Somalia, Spain, Sri Lanka, Sudan, Syria, Tajikistan, Thailand, Tunisia, Turkey, United Arab Emirates, United Arab Republic, United States, Uzbekistan and Yemen, and still expect no criticism.

Muslims have carried out over 5,800 fatal terrorist atrocities since 9/11 and countless thousands since Islamic conquest began in 623 AD and expect no criticism. But if anyone dares to tell the truth about Islam or Danes publish cartoons about Mohammed, then let the outpourings of Islamic hate and outrage begin. Keep this one going.....

Can a good Muslim be a good American? This question was forwarded to a friend who worked in Saudi Arabia for 20 years.  
The following is his reply.

Theologically - no -- Because his allegiance is to Allah, The moon God of Arabia .

Religiously - no -- Because no other religion is accepted by His Allah except Islam (under pain of death). (Quran, 2:256)(Koran)

Scripturally - no -- Because his allegiance is to the five Pillars of Islam and the Quran.

Geographically - no -- Because his allegiance is to Mecca , to which he turns in prayer five times a day.

Socially - no -- Because his allegiance to Islam forbids him to make friends with Christians or Jews .

Politically - no -- Because he must submit to the mullahs (spiritual leaders), who teach annihilation of Israel and destruction of America, "the great Satan".

Domestically - no -- Because he is instructed to marry four Women and beat and scourge his wife when she disobeys him (Quran 4:34)

Intellectually - no -- Because he cannot accept the American Constitution since it is based on Biblical principles and he believes the Bible to be corrupt.

Philosophically - no -- Because Islam, Muhammad, and the Quran does not allow freedom of religion and expression.

Democracy and Islam cannot co-exist. Every Muslim government is either dictatorial or autocratic.

Spiritually - no. . . Because when we declare 'one nation under God,' the Christian's God is loving and kind, while Allah is NEVER referred to as "Heavenly Father", nor is he ever called "love" in the Quran's 99 excellent names.

Therefore, after much study and deliberation --

Perhaps we should be very suspicious of ALL MUSLIMS in this country. Not necessarily intolerant. And not mean or ugly. Just justifiably suspicious.

If they truly practice what their religion teaches, they obviously cannot be both 'good' Muslims and good Americans.

Call it what you wish, it's still the truth. The more we understand this, the better it will be for our country and our future. The religious war is bigger than we know or understand. And they have a history of taking no prisoners . . . who survive.

And Barack Hussein Obama, a Muslim, wants to be our President? Is this, perhaps, the "change" about which he speaks?

---

## Uncle Sam Wants US Muslims to Serve

**The Pentagon builds Islamic prayer rooms and hires imams to make military life more appealing.**

By Richard Whittle 12/27/06 <http://www.csmonitor.com/2006/1227/p03s01-usmi.html>

**Excellent Tract:**

[http://www.chick.com/reading/tracts/1031/1031\\_01.asp?wpc=1031\\_01.asp&wpp=b](http://www.chick.com/reading/tracts/1031/1031_01.asp?wpc=1031_01.asp&wpp=b)

The Islamic bible/Quran **commands muslims to kill "Infidels"**. In Islam, the Arabic word kafir (كافر) refers to **non-Muslims**, often in a derogatory sense [2], and is usually translated into English as **"infidel" or "unbeliever"**.

**So now lets look at some quotes from the Islamic Koran.**

Allah has cursed the **unbelievers** and proposed for them **a blazing hell**. - **Sura 33:60**

**Unbelievers** are enemies of Allah and they **will roast in hell**. - **Sura 41:14**

Fight **unbelievers** who are near to you. **Sura 9:123** (another translation reads:

**Believers! Make war on the infidels** who dwell around you. Let them find harshness in you. (another source reads: ) **Ye who believe! Murder those of the disbelievers....**

**WASHINGTON** - As US troops battle Islamic extremists abroad, the Pentagon and the armed forces are reaching out to Muslims at home.

**An underlying goal is to interest more Muslims in the military**, which needs officers and troops who can speak Arabic and other relevant languages and understand the culture of places like Iraq and Afghanistan. The effort is also part of a larger outreach. Pentagon officials say they are striving for mutual understanding with Muslims at home and abroad and to win their support for US war aims. Among the efforts to attract and retain Muslim cadets:

"West Point and the other service academies have opened Muslim prayer rooms, as have military installations.

**\*\*Note: Interspaced throughout this report I have posted pictures of Muslims who marched through the streets of London during their recent *Religion of Peace Demonstration* on the 3rd of February 2006.**

**Slay them** (the unbeliever) wherever ye find them and drive them out of the places whence they drove you out, for persecution is worse than slaughter. - **Sura 2:191**

Fight against them until idolatry is no more and **Allah's religion** reigns supreme. **Sura 2:193 and 8:39**

These Muslims will do and say anything in order to advance Allah's Agenda: **Qur'an (3:54)** - *"...Allah schemed against them (the unbelievers): and Allah is the best of schemers."* The Arabic word used here for scheme (or plot) is *makara*, which literally means deceit. If Allah is deceitful toward unbelievers, then there is little basis for denying that Muslims are allowed to do the same. (See also **8:30** and **10:21**) From another Muslim "holy" writing "The Hadith" we read: **Bukhari (52:269)** - *"The Prophet said, 'War is deceit.'"* The Muslims have proclaimed Jihad or 'holy War' against the Jews and America. A major part of this war is deceit. They are liars and admit to this in their own writings and 'holy books'!

Muslims are allowed to lie to unbelievers in order to defeat them. The two forms are:

1) **Taqiyya** - Saying something that isn't true.

2) **Kitman** - Lying by omission.

"Imams serve full- and part-time as chaplains at the academies and some bases.

"Top non-Muslim officers and Pentagon officials have taken to celebrating religious events with Muslims overseas and here in the US.

"There is a message here, and that is that Muslims and the Islamic religion are **totally compatible with Western values**," says Deputy Defense Secretary Gordon England in an interview.

For the past two years, Mr. England has hosted an *iftar*, the feast that ends the daytime fast during the Muslim holy month of Ramadan, at the Army Navy Country Club in Arlington, Va. His guests have included ambassadors, leaders of the Muslim-American community, and Muslims who serve in the US armed forces.

**President Bush's own words:** "When some in my country speak in an ill-informed and insulting manner **about the Muslim faith**, their words are heard abroad and do great harm to our cause in the Middle East."

Allah is an enemy to unbelievers. - **Sura 2:98**

On unbelievers is *the curse of Allah*. - **Sura 2:161**

President Bush also hosted an *iftar* at the White House in October, as he has done for several years. Gen. Robert Magnus, the assistant commandant of the Marine Corps, held one the same month at the Marine Corps Barracks in Washington for defense attachés from predominantly Muslim nations.

The US armed services don't recruit by religion, but the Pentagon estimates at least 3,386 Muslims were serving in the US military as of September. No precise figures are available because, while US service members are surveyed on their religion, they aren't required to disclose it. Advocacy groups put the number at 15,000, saying many are reluctant to reveal their religion. African-Americans represent the largest share of Muslims in uniform, they add.

**If you should die or be killed in the cause of Allah, His mercy and forgiveness would surely be better than all they riches they amass. If you should die or be killed, before Him you shall all be gathered. - Sura 3:157-8**

**O believers, take not Jews and Christians as friends; they are friends of each other. Those of you who make them his friends is one of them. God does not guide an unjust people. - Sura 5:54**

However uncertain the progress, **the military is intensifying its outreach.**

On June 6th the anniversary of D-Day, he notes Mr. England helped **dedicate a new Islamic prayer center** at the Quantico Marine Corps Base near Washington, whose 6,100 marines include about 24 Muslims, according to Lt. Cmdr. Abuhena Saifulislam, a Navy chaplain who serves as their imam.

Allah will humble the **unbelievers**. Allah and His apostle are free from obligations to idol-worshippers. Proclaim a woeful punishment to the **unbelievers**. - **Sura 9:2-3**

Muhammad is Allah's apostle. Those who follow him **are ruthless to the unbelievers** but merciful to one another. Through them, Allah seeks to enrage the **unbelievers**. - **Sura 48:29**

Muslim troops say misunderstandings and friction with non-Muslims in uniform arise sometimes, but practicing Islam in a military at war with extremists who profess the same faith isn't a burden, they add.

The **unbelievers** are impure and **their abode is hell**. **Sura 9:29** (another source: ) Humiliate the **non-Muslims** to such an extent that they surrender and pay tribute.

When you meet the **unbelievers**, **smite their necks, then when you have made wide slaughter among them**, tie fast the bonds, then set them free, either by grace or ransom, until the war lays down its burdens. -**Sura 47:4**  
(different translation: ) When you meet the **unbelievers** in the battlefield, **strike off their heads**, and when you have laid them low, bind your captives firmly.

Petty Officer Third Class Nicholas Burgos, a Sunni Muslim training to be a Navy SEAL, or commando, says instructors sometimes goad him by calling him "Osama bin Burgos" or asking if he's training to help the Taliban. But "it's all in good fun," he insists.

His father, Asadullah Burgos, is the part-time imam at the US Military Academy at West Point, N.Y., whose roughly 4,000 cadets include 32 Muslims, 12 of whom are foreign students.

**Make war on the unbelievers and the hypocrites. Be harsh with them. Their ultimate abode is hell, a hapless journey's end.** - **Sura 9:73**  
**Make war on the unbelievers and the hypocrites and deal sternly with them. Hell shall be their home, evil their fate.** - **Sura 66:9**

**The unbelievers among the People of the Book and the pagans shall burn forever in the fire of hell. They are the vilest of all creatures.** - **Sura 98:51**

**People of the Book** (Arabic: **أهل الكتاب**) 'Ahl al-Kitāb) is a term used to designate non-Muslim adherents to faiths which have a book of prayer.<sup>[1]</sup> The two faiths that are mentioned in the **Qur'an** as *people of the book* are **Judaism** and **Christianity**.

Col. John Cook, the senior chaplain at West Point, says that after media reports about the academy's new Muslim prayer room, he got a call from a self-described "concerned citizen" who fretted that "the Muslims are taking over the world."

"I told him, **'I'm a Christian chaplain, but I have the responsibility to provide for other faith groups,**' " Colonel Cook says. Protestant, Catholic, and Jewish cadets all have their own

chapels at West Point, he notes.

"It is not a direct recruiting program," says Sergeant Baadani, but its goal is to educate recruiters to **avoid cultural no-nos** and foster good relations with Arab-American communities. The "overall objective ... is to develop solid relationships with the Arab and Muslim communities for the 21st and 22nd centuries. This isn't something that's just a Band-Aid treatment."

---

## **The Muslim religion in the fastest growing religion per capita in the United States, especially in the minority races!!!**

Allah or Jesus? By Rick Mathes

Last month I attended my annual training session that's required for maintaining my state prison security clearance. During the training session there was a presentation by three speakers representing the Roman Catholic, Protestant and Muslim faiths, who explained each of their beliefs.

I was particularly interested in what the Islamic Imam had to say. The Imam gave a great presentation of the basics of Islam, complete with a video.

After the presentations, time was provided for questions and answers. When it was my turn, I directed my question to the Imam and asked:

**"Please, correct me if I'm wrong but I understand that most Imams and clerics of Islam have declared a holy jihad [Holy war] against the infidels of the world and, that by killing an infidel, (which is a command to all Muslims) they are assured of a place in heaven. If that's the case, can you give me the definition of an infidel?"**

**There was no disagreement with my statements and, without hesitation, he replied, "Non-believers!"**

**I responded, "So, let me make sure I have this straight. All followers of Allah have been commanded to kill everyone who is not of your faith so they can have a place in Heaven. Is that correct?"**

**The expression on his face changed from one of authority and command to that of "a little boy who had just been caught with his hand in the cookie jar." He sheepishly replied, "Yes".**

**I then stated, "Well, sir, I have a real problem trying to imagine Pope John Paul commanding all Catholics to kill those of your faith or Dr. Stanley ordering all Protestants to do the same in order to guarantee them a place in Heaven!"**

**The Imam was speechless.**

I continued, "I also have problem with being your 'friend' when you and your brother clerics are telling your followers to kill me! Let me ask you a question. Would you rather have your Allah, who tells you to kill me in order for you to go to Heaven, or my Jesus who tells me to love you because I am going to Heaven and He wants you to be there with me?"

You could have heard a pin drop as the Imam hung his head in shame.

Needless to say, the organizers and/or promoters of the 'Diversification' training seminar were not happy with Rick's way of dealing with the Islamic Imam and exposing the truth about the Muslims' beliefs.

In twenty years there will be enough Muslim voters in the U.S. to elect the President! I think everyone in the US should be required to read this but with the liberal justice system, liberal media, and the ACLU, there is no way this will be widely publicized.

Please pass this on to all your e-mail contacts.

This is a true story and the author, Rick Mathes, is a well known leader in prison ministry!

---

### **Close-Up Footage of Muslim "Free Gaza" Flotilla/Mavi Marmara Passengers Attacking IDF Soldiers**

idfnadsk — May 31, 2010 — Video taken by IDF naval boat shows the passengers of the Mavi Marmara, one of the ships in the 'Free Gaza' Flotilla, violently attacking IDF soldiers who were trying to board the ship after having sent repeated requests for the boat to change course. Large groups of passengers surrounded soldiers and beat them with metal poles and chairs, and threw one soldier over the side of the ship. Some passengers grabbed pistols from the IDF soldiers and opened fire. As a result of the attacks, seven IDF soldiers were injured, and nine of the passengers were killed. The 'Free Gaza' Flotilla had publicly insisted on their non-violent intentions, **however their violent attack on the IDF soldiers was clearly premeditated. They had knives, metal rods, firebombs and other items ready to use.**

## Flotilla Using Children as Human Shields

5/31/10--Organizers of the flotilla intended to break Israel's naval blockade of Gaza are using children as human shields to keep Israel from attacking the boats. Chairman Bulent Yildirim of the Turkish group IHH said so during an interview on the group's website, in which he was seen **holding a baby that was on board the boat Mavi Marmara**. Organizers have expressed a wish that any confrontation between the boats and the Israeli navy take place during the day, **for better media coverage**. They expected the confrontation to take place during daylight hours Monday morning, but the Israeli navy intercepted the lead ship late Sunday night. <http://www.israelnationalnews.com/News/Flash.aspx/187173>

## Hamas Uses Children, UN, Press As Human Shields In Gaza

1-15-09--In order to avoid civilian casualties, Israel sends warning messages before attacking terrorist targets advising civilians to leave. Israel prefers to attack empty buildings used to manufacture rockets, even taking into consideration that the terrorists too will be warned and their lives spared.

**Hamas, on the other hand, calls on civilians to come and to protect with their bodies the precise locations they expect Israel to attack. Since they know that Israel will usually strike from the air, they send the children to the roofs to prevent the air force from targeting that building.**

Four U.N. officials were killed in Lebanon by an apparent Israel airstrike. Within hours of the event, former U.N. Secretary Kofi Annan announced his belief that Israel had deliberately targeted the U.N. personnel. Annan demanded that "any further attack on U.N. positions and personnel must stop."

Yesterday, strong evidence came to light suggesting that Hizbollah was effectively using the U.N. position as a shield, conducting attacks against Israel, knowing that any Israeli response was likely to hit the U.N. post. The *New York Sun* reports that one of the U.N. officials killed in the attack had earlier sent e-mails saying that Hizbollah was "all over" his position. The recipient of those e-mails, a former major-general in the Canadian military named Lewis MacKenzie, described their contents:

"What he was telling us was Hezbollah fighters were all over his (The U.N.) position and the IDF were targeting them, and that's a favorite trick by people who don't have representation in the U.N. They use the U.N. as shields knowing that they cannot be punished for it." **To Hezbollah, civilians and U.N. positions are strategic assets**. The terrorist group routinely launches attacks from residential areas and near U.N. posts. Hizbollah knows that this puts Israel in a bind: if Israel decides to respond, that response will provide a tear-jerking scene for the evening news where the headline will be "Israeli Bomb Kills Civilians," or "U.N. Officials Killed in Israeli Airstrike." But if Israel backs down out of a fear of how the media will report the story, then Hizbollah gets a safe haven where they can launch attacks with impunity. Hizbollah wins either way, with a propaganda victory or a military one.

Ambassador Gabriela Shalev, Permanent Representative of Israel recently told the UN: "For eight years the citizens of southern Israel have suffered the trauma of almost daily missile attacks from Gaza. For eight years more than 8,000 rockets and mortar shells have targeted Israeli towns and villages. For eight years the residents of these towns have had a bare 15 seconds to hurry, with their children and their elderly, to find cover before rockets and missiles land on their houses and schools.

15 seconds would not give the members of this UN Council time to leave this room. No State would permit such attacks on its citizens. Nor should it."

" Hamas has no interest in making peace with the enemy; for Hamas peace is the enemy. Its only interest is in establishing a regime of tyranny for Gazans and of terror for Israelis.

---

## **Joys of Muslim Women**

*by Nonie Darwish*

In the Muslim faith a Muslim man can marry a child as young as 1 year old and have sexual intimacy with this child. Consummating the marriage by 9.

The dowry is given to the family in exchange for the woman (who becomes his slave) and for the purchase of the private parts of the woman, to use her as a toy.

Even though a woman is abused she can not obtain a divorce.

To prove rape, the woman must have (4) male witnesses.

Often after a woman has been raped, she is returned to her family and the family must return the dowry. The family has the right to execute her (an honor killing) to restore the honor of the family. Husbands can beat their wives 'at will' and he does not have to say why he has beaten her.

The husband is permitted to have (4 wives) and a temporary wife for an hour (prostitute) at his discretion.

The Shariah Muslim law controls the private as well as the public life of the woman.

In the West World ( America ) Muslim men are starting to demand Shariah Law so the wife can not obtain a divorce and he can have full and complete control of her.. It is amazing and alarming how many of our sisters and daughters attending American Universities are now marrying Muslim men and submitting themselves and their children unsuspectingly to the Shariah law.

By passing this on, enlightened American women may avoid becoming a slave under Shariah Law.

Cruel and Usual Punishment is her latest book just released in most bookstores.

<http://www.amazon.com/Cruel-Usual-Punishment-Terrifying-Implications/dp/1595551611>

Ripping the West in Two.

Author and lecturer Nonie Darwish says the goal of radical Islamists is to impose Shariah law on the world, ripping Western law and liberty in two.

She recently authored the book, Cruel and Usual Punishment: The Terrifying Global Implications of Islamic Law.

Darwish was born in Cairo and spent her childhood in Egypt and Gaza before immigrating to America in 1978, when she was eight years old, her father died while leading covert attacks on Israel . He was a high-ranking Egyptian military officer stationed with his family in Gaza .

When he died, he was considered a "shahid," a martyr for jihad. His posthumous status earned Nonie and her family an elevated position in Muslim society.

But Darwish developed a skeptical eye at an early age. She questioned her own Muslim culture and upbringing. She converted to Christianity after hearing a Christian preacher on television.

In her latest book, Darwish warns about creeping sharia law - what it is, what it means, and how it is manifested in Islamic countries.

For the West, she says radical Islamists are working to impose sharia on the world. If that happens, Western civilization will be destroyed.

Westerners generally assume all religions encourage a respect for the dignity of each individual, Islamic law (Sharia) teaches that non-Muslims should be subjugated or killed in this world. Peace and prosperity for one's children is not as important as assuring that Islamic law rules everywhere in the Middle East and eventually in the world.

While Westerners tend to think that all religions encourage some form of the golden rule, Sharia teaches two systems of ethics - one for Muslims and another for non-Muslims. Building on tribal practices of the seventh century, Sharia encourages the side of humanity that wants to take from and subjugate others.

While Westerners tend to think in terms of religious people developing a personal understanding of and relationship with God, Sharia advocates executing people who ask difficult questions that could be interpreted as criticism. It's hard to imagine, that in this day and age, Islamic scholars agree that those who criticize Islam or choose to stop being Muslim should be executed. Sadly, while talk of an Islamic reformation is common and even assumed by many in the West, such murmurings in the Middle East are silenced through intimidation.

### ***The Archeology of The Middle East***

The religion of Islam has as its focus of worship a deity by the name of "*Allah*." The Muslims claim that Allah in pre-Islamic times was the biblical God of the Patriarchs, prophets, and apostles. The issue is thus one of continuity. Was "*Allah*" the biblical God or a pagan god in Arabia during pre-Islamic times? The **Muslim's claim of continuity is essential to their attempt to convert Jews and Christians for if "*Allah*" is part of the flow of divine revelation in Scripture, then it is the next step in biblical religion.** Thus we should all become Muslims. But, on the other hand, if Allah was a pre-Islamic pagan deity, then its core claim is refuted. Religious claims often fall before the results of hard sciences such as archeology. We can endlessly speculate about the past or go and dig it up and see what the evidence reveals. This is the only way to find out the truth concerning the origins of Allah. As we shall see, the hard evidence demonstrates that the god Allah was a pagan deity. In fact, he was the Moon-god who was married to the sun goddess and the stars were his daughters.

The moon-god from all four sides. Note the crescent moon carved on his chest.

See [The reader must know that Ismael was a Hebrew.](#)

## **Archaeologists have uncovered temples to the Moon-god throughout the Middle East.**

From the mountains of Turkey to the banks of the Nile, the most wide-spread religion of the ancient world was the worship of the Moon-god. In the first literate civilization, the Sumerians have left us thousands of clay tablets in which they described their religious beliefs. As demonstrated by Sjöberg and Hall, the ancient Sumerians worshipped a Moon-god who was called many different names. The most popular names were Nanna, Suen and Asimbabbar. His symbol was the crescent moon. Given the amount of artifacts concerning the worship of this Moon-god, it is clear that this was the dominant religion in Sumeria. **The cult of the Moon-god was the most popular religion throughout ancient Mesopotamia.** The Assyrians, Babylonians, and the Akkadians took the word Suen and transformed it into the **word Sin as their favorite name for the Moon-god (Wow! how appropriate is that).** As Prof. Potts pointed out, "*Sin is a name essentially Sumerian in origin which had been borrowed by the Semites.*"

In ancient Syria and Canaan, the Moon-god Sin was usually represented by the moon in its crescent phase. At times the full moon was placed inside the crescent moon to emphasize all the phases of the moon. The sun-goddess was the wife of Sin and the stars were their daughters. For example, Istar was a daughter of Sin. Sacrifices to the Moon-god are described in the Pas Shamra texts. In the Ugaritic texts, the Moon-god was sometimes called Kusuḥ. In Persia, as well as in Egypt, the Moon-god is depicted on wall murals and on the heads of statues. He was the Judge of men and gods. The Old Testament constantly rebuked the worship of the Moon-god (see: Deut. 4:19; 17:3; II Kings. 21:3,5; 23:5; Jer. 8:2; 19:13; Zeph. 1:5, etc.) When Israel fell into idolatry, it was usually the cult of the Moon-god. As a matter of fact, everywhere in the ancient world, the symbol of the crescent moon can be found on seal impressions, steles, pottery, amulets, clay tablets, cylinders, weights, earrings, necklaces, wall murals, etc. In Tell-el-Obeid, a copper calf was found with a crescent moon on its forehead. An idol with the body of a bull and the head of man has a crescent moon inlaid on its forehead with shells. In Ur, the Stela of Ur-Nammu has the crescent symbol placed at the top of the register of gods because the Moon-god was the head of the gods. Even bread was baked in the form of a crescent as an act of devotion to the Moon-god. The Ur of the Chaldees was so devoted to the Moon-god that it was sometimes called Nannar in tablets from that time period.

A temple of the Moon-god has been excavated in Ur by Sir Leonard Woolley. He dug up many examples of moon worship in Ur and these are displayed in the British Museum to this day. Harran was likewise noted for its devotion to the Moon-god. In the 1950's a major temple to the Moon-god was excavated at Hazor in Palestine. Two idols of the moon god were found. Each was a stature of a man sitting upon a throne with a crescent moon carved on his chest. The accompanying inscriptions make it clear that these were idols of the Moon-god. Several smaller statues were also found which were identified by their inscriptions as the "daughters" of the Moon-god. What about Arabia? As pointed out by Prof. Coon, "*Muslims are notoriously loath to preserve traditions of earlier paganism and like to garble what pre-Islamic history they permit to survive in anachronistic terms.*"

During the nineteenth century, Audaud, Halevy and Glaser went to Southern Arabia and dug up thousands of Sabeian, Minaean, and Qatabanian inscriptions which were subsequently translated. In the 1940's, the archeologists G. Caton Thompson and Carleton S. Coon made

some amazing discoveries in Arabia. During the 1950's, Wendell Phillips, W.F. Albright, Richard Bower and others excavated sites at Qataban, Timna, and Marib (the ancient capital of Sheba). Thousands of inscriptions from walls and rocks in Northern Arabia have also been collected. Reliefs and votive bowls used in worship of the "daughters of Allah" have also been discovered. The three daughters, al-Lat, al-Uzza and Manat are sometimes depicted together with Allah the Moon-god represented by a crescent moon above them. The archeological evidence demonstrates that the dominant religion of Arabia was the cult of the Moon-god.

In Old Testament times, Nabonidus (555-539 BC), the last king of Babylon, built Tayma, Arabia as a center of Moon-god worship. Segall stated, "*South Arabia's stellar religion has always been dominated by the Moon-god in various variations.*" Many scholars have also noticed that the Moon-god's name "*Sin*" is a part of such Arabic words as "*Sinai*," the "*wilderness of Sin*," etc. When the popularity of the Moon-god waned elsewhere, the Arabs remained true to their conviction that the Moon-god was the greatest of all gods. While they worshipped 360 gods at the **Kabah in Mecca, the Moon-god was the chief deity. Mecca was in fact built as a shrine for the Moon-god.**

This is what made it the most sacred site of Arabian paganism. In 1944, G. Caton Thompson revealed in her book, *The Tombs and Moon Temple of Hureidha*, that she had uncovered a temple of the Moon-god in southern Arabia. The symbols of the crescent moon and no less than twenty-one inscriptions with the name Sin were found in this temple. An idol which may be the Moon-god himself was also discovered. This was later confirmed by other well-known archeologists.

The evidence reveals that the temple of the Moon-god was active even in the Christian era. Evidence gathered from both North and South Arabia demonstrate that Moon-god worship was clearly active even in Muhammad's day and was still the dominant cult. **According to numerous inscriptions, while the name of the Moon-god was Sin, his title was al-ilah, i.e. "the deity," meaning that he was the chief or high god among the gods. As Coon pointed out, "The god Il or Ilah was originally a phase of the Moon God." The Moon-god was called al-ilah, i.e. the god, which was shortened to Allah in pre-Islamic times.** The pagan Arabs even used Allah in the names they gave to their children. For example, both Muhammad's father and uncle had Allah as part of their names.

**The fact that they were given such names by their pagan parents proves that Allah was the title for the Moon-god even in Muhammad's day. Prof. Coon goes on to say, "Similarly, under Mohammed's tutelage, the relatively anonymous Ilah, became Al-Ilah, The God, or Allah, the Supreme Being."**

This fact answers the questions, "*Why is Allah never defined in the Qur'an? Why did Muhammad assume that the pagan Arabs already knew who Allah was?*" Muhammad was raised in the religion of the Moon-god Allah. But he went one step further than his fellow pagan Arabs. **While they believed that Allah, i.e. the Moon-god, was the greatest of all gods and the supreme deity in a pantheon of deities, Muhammad decided that Allah was not only the greatest god but the only god.**

In effect he said, "Look, you already believe that the Moon-god Allah is the greatest of all gods. All I want you to do is to accept that the idea that he is the only god. I am not taking away the Allah you already worship. I am only taking away his wife and his daughters and all the other gods." This is seen from the fact that the first point of the Muslim creed is not, "Allah is great" but "Allah is the greatest," i.e., he is the greatest among the gods. Why would Muhammad say that Allah is the "greatest" except in a polytheistic context? The Arabic word is used to contrast the greater from the lesser. That this is true is seen from the fact that the pagan Arabs never accused Muhammad of preaching a different Allah than the one they already worshipped. This "Allah" was the Moon-god according to the archeological evidence. Muhammad thus attempted to have it both ways. To the pagans, he said that he still believed in the Moon-god Allah. To the Jews and the Christians, he said that Allah was their God too. But both the Jews and the Christians knew better and that is why they rejected his god Allah as a false god.

Al-Kindi, one of the early Christian apologists against Islam, pointed out that Islam and its god Allah did not come from the Bible but from the paganism of the Sabeans. They did not worship the God of the Bible but the Moon-god and his daughters al-Uzza, al-Lat and Manat. Dr. Newman concludes his study of the early Christian-Muslim debates by stating, "Islam proved itself to be...a separate and antagonistic religion which had sprung up from idolatry." Islamic scholar Caesar Farah concluded "There is no reason, therefore, to accept the idea that Allah passed to the Muslims from the Christians and Jews." The Arabs worshipped the Moon-god as a supreme deity. But this was not biblical monotheism. While the Moon-god was greater than all other gods and goddesses, this was still a polytheistic pantheon of deities. Now that we have the actual idols of the Moon-god, it is no longer possible to avoid the fact that Allah was a pagan god in pre-Islamic times. Is it any wonder then that the symbol of Islam is the crescent moon? That a crescent moon sits on top of their mosques and minarets? That a crescent moon is found on the flags of Islamic nations? That the Muslims fast during the month which begins and ends with the appearance of the crescent moon in the sky?

## CONCLUSION

**The pagan Arabs worshipped the Moon-god Allah by praying toward Mecca several times a day; making a pilgrimage to Mecca; running around the temple of the Moon-god called the Kabah; kissing the black stone; killing an animal in sacrifice to the Moon-god; throwing stones at the devil; fasting for the month which begins and ends with the crescent moon; giving alms to the poor, etc.**

**The Muslim's claim that Allah is the God of the Bible and that Islam arose from the religion of the prophets and apostles is refuted by solid, overwhelming archeological evidence. Islam is nothing more than a revival of the ancient Moon-god cult. It has taken the symbols, the rites, the ceremonies, and even the name of its god from the ancient pagan religion of the Moon-god. As such, it is sheer idolatry and must be rejected by all those who follow the Bible.**

---

## Pagan Origins of Islam

### **Issue of Continuity:**

"Whenever someone tells them: 'Believe in what God has sent down;' they say: 'We believe [only] in what has been sent down to us,' while they disbelieve in what has come after that, even though **it is the Truth confirming** what they already have." (Qur'an 2:87 )

- Muslims claim that Allah is the same God of the Bible, and the message of the Koran is consistent with that of the Bible.
- Therefore, their claim for converting Jews or Christians to Islam rests on this issue, otherwise if their deity is a different 'god' with a different message, their claims are refuted.

### **Who is Allah?**

The word Allah was derived from al-ilah which had become a generic title for whatever god was considered the highest god. Each Arab tribe used Allah to refer to its own particular high god. This is why Hubal, the Moon god, was the central focus of prayer at the Kabah and people prayed to Hubal using the name Allah. (Dr. Robert Morey; <http://www.cultbusters.com/allah.htm>)

"Islam also owes the term "Allah" to the heathen Arabs. We have evidence that it entered into numerous personal names in Northern Arabia and among the Nabatians. It occurred among the Arabs of later times, in theophorous names and on its own."

Ibn Warraq, *Why I Am Not A Muslim*,  
(Prometheus, Amherst, 1995) p. 42.

- The worship of the Moon-god "Suen" (also called Nanna or Asimbabbaar) was the most wide-spread religion in the Middle East (Hall, Mark. 1985, *A Study of the Sumerian Moon-god*, Nanna/Suen; University of PA)
- The symbol of this Moon-god was the crescent moon, and was constantly found on ancient pottery or artifacts of worship. Islam adopted the crescent moon as its religious symbol.
- In Mesopotamia the word "Suen" was transformed into the word "Sin" by the Sumerians as their favorite name for the Moon-god by the Sumerians (Austin Potts, 1971, *The Hymns and Prayers To The Moon-god, Sin*, Dropsie College, p. 2)
- The Old Testament rebuked the worship of the Moon-god (Deut. 4:19; 17:3; II Kings 21:3,5 etc.) because it often caused Israel to commit idolatry.
- While the name of the Moon-god was "Sin," his title was "al-ilah" meaning "the deity." "Ilah" is a generic Arabic word for "god" or "deity."
- "The god Il or Ilah was originally a phase of the Moon God." (Coon, Carleton S.; 1944. *Southern Arabia*, Washington D.C.: Smithsonian, p. 398)
- The pre-Islamic Arabs shortened 'al-ilah' to Allah. They used 'Allah' in the names of their children. For instance, Muhammed's father and uncle had Allah as part of their names.

- "Similarly, under Muhammed's tutelage, the relatively anonymous Ilah, became Al-Ilah, The God, or Allah, the Supreme Being." (Coon, p. 399)
- **Mohammed never defined "Allah" in the Qur'an because he assumed that the pagan Arabs already knew who Allah was.**
- Mohammed rejected all the deities of Ancient Arab such as Ilah's wives and daughters. But he kept the black stone which represented Allah.

### ***Arabic Pagan Worship***

- Islam's origins and practices have been tracked back by scholars to the ancient fertility religion of the moon god of Arabia.

"The moon god was worshipped by praying toward Mecca several times a day, making an annual pilgrimage to the Kabah which was a temple of the moon god, running around the Kabah seven times, caressing an idol of a black stone set in the wall of the Kabah, running between two hills, making animal sacrifices, gathering on Fridays for prayers, giving alms to the poor, etc. These were pagan rites practiced by the Arabs long before Mohammed was born." (Dr. Robert Morey; <http://www.cultbusters.com/aorigin.htm>)

"The Forms of Pagan Worship... It will be noticed that the sun and the moon and the five planets got identified with a living deity, god or goddess, with the qualities of its own.

Moon worship was equally popular in various forms...It may be noted that the moon was a male divinity in ancient India; it was also a male divinity in ancient Semitic religion, and the Arabic word for the moon (qamar) is of the masculine gender. On the other hand, the Arabic word for the sun (shama) is of the feminine gender. The pagan Arabs evidently looked upon the sun as a goddess and the moon as a god. If Wadd and Suwa represented Man and Woman, they might well represent the astral worship of the moon and the sun...

The Pagan deities best known in the Ka'ba and round about Mecca were Lat, Uzza and Manat...They were all female goddesses." (Yusuf Ali: pgs. 1619-1623)

- In his explanation of why the Qur'an swears by the moon in Surah 74:32, "Nay, verily by the Moon," Yusuf Ali comments, "The moon was worshipped as a deity in times of darkness." (fn. 5798, pg. 1644)
- Muhammad commanded his followers to participate in these pagan ceremonies while the pagans were still in control of Mecca. (See Yusuf Ali, fn. 214, pg. 78.)
- Islam went on to adopt these pagan religious rites.

*"...the whole of the [pagan] pilgrimage was spiritualized in Islam..."* (Yusuf Ali: fn. 223 pg. 80)

- Al-Lat, al-Uzza and Manat called "the daughters of Allah". Yusuf Ali explains in fn. 5096, pg. 1445, that Lat, Uzza and Manat were known as "the daughters of God [Allah]".
- The stars were used as pagan symbols of the daughters of Allah.
- The Qur'an at one point told Muslims to worship al-Lat, al-Uzza and Manat in Surah 53:19-20.

- Those verses have been "abrogated" out of the present Qur'an. They were called "The Satanic Verses."
- The Arab tribes gave the Moon-god different titles: Sin, Hubul, Ilumquh, Al-ilah.
- The title "al-ilah" (the god) was used for the Moon-god.
- The word "Allah" was derived from "al-ilah."
- The pagan "Allah" was a high god in a pantheon of 360 deities worshipped at the Kabah.
- Allah was only one of many Meccan gods in the Kabah.
- The Muslims placed a statue of Hubul on top of the Kabah, at that time Hubul was considered the Moon-god by the Arabs.
- The Kabah was the "house of the Moon-god" and the name "Allah" eventually replaced that of Hubul as the name of the Moon god.
- They called the Kabah the "house of Allah."

*"Historians like Vaqqidi have said Allah was actually the chief of the 360 gods being worshipped in Arabia at the time Mohammed rose to prominence. Ibn Al-Kalbi gave 27 names of pre-Islamic deities...Interestingly, not many Muslims want to accept that Allah was already being worshipped at the Ka'bah in Mecca by Arab pagans before Mohammed came. Some Muslims become angry when they are confronted with this fact. But history is not on their side. Pre-Islamic literature has proved this." (G.J.O. Moshay, Who Is This Allah? Dorchester House, Bucks, UK, 1994, pg. 138)*

### **ROME MADE ISLAM (to desecrate Jerusalem)**

**Posted by Tony Clayton in [Islam](#).**

**At the least, what you will understand from this post is that the Roman Catholic Institution is an empire which spans centuries, and has been, and CONTINUES TO BE the most influential organisation of all time.**

- 1. Why did a Roman Catholic Monk meet Mohammed when he was 9 years old, telling him to beware of the Jews, and also telling him that he will be great?**
- 2. Did Mohammed have any unpublished works, revealing an interest in the Roman Catholic "Early Church Father" Saint Augustine?**
- 3. Why were Mohammed's in-laws Roman Catholics, including his wife Khadija and her cousin Waraquah who helped write the Koran by interpreting the revelations?**
- 4. Why did Negus, the Roman Catholic King of Ethiopia receive Mohammed and his followers when he retreated from Mecca the first time, before he established Islam?**
- 5. Why did the Pope issue bulls (signed and sealed documents) granting the Arab generals permission to invade and conquer the nations of North Africa?**

6. Why did the North African Arab generals in their conquests leave the Augustinian Monks and Roman Catholics untouched?
7. Why is there a strong presence of Muslims and mosques in Roman Catholic countries, such as France, Spain, Portugal?
8. Why did the Pope grant the Muslims Turkey in exchange for Lebanon becoming Roman Catholic? Francis of Assisi (1181 – 1226) (Italy)
9. Why do Roman Catholic churches flourish in Islamic countries, even though Roman Catholic churches are the most idolatrous?
10. Why was the apparition of the Virgin Mary staged in Fatima, Portugal 1917 and called “Our Lady of Fatima”, Mohammed’s most holy daughter?
11. Spain 1936, why were Muslim troops used in Roman Catholic Spain to fight Communism?
12. Remember how the Arab world softened towards the Pope after he forgave his staged Muslim assassin in 1981?

### **How the Vatican created Islam**

**The astonishing story from an ex-Jesuit priest, Alberto Rivera, which was told to him by Cardinal Bea while he was at the Vatican.**

By Alberto Rivera from "The Prophet"

"The Destruction of the Temple at Jerusalem" by Nicolas Poussin (1637)

This information came from Alberto Rivera, former Jesuit priest after his conversion to Protestant Christianity. It is excerpted from "The Prophet," published by Chick Publications, PO Box 662, Chino CA 91708. Since its publication, after several unsuccessful attempts on his life, he died suddenly from food poisoning. His testimony should not be silenced. Dr. Rivera speaks to us still ...

"What I'm going to tell you is what I learned in secret briefings in the Vatican when I was a Jesuit priest, under oath and induction. A Jesuit cardinal named Augustine Bea showed us how desperately the Roman Catholics wanted Jerusalem at the end of the third century. Because of its religious history and its strategic location, the Holy City was considered a priceless treasure. A scheme had to be developed to make Jerusalem a Roman Catholic city.

"The great untapped source of manpower that could do this job was the children of Ishmael. The poor Arabs fell victim to one of the most clever plans ever devised by the powers of darkness. Early Christians went everywhere with the gospel setting up small churches, but they met heavy opposition. Both the Jews and the Roman government persecuted the believers in Christ to stop their spread. But the Jews rebelled against Rome, and in 70 AD, Roman armies under General Titus smashed Jerusalem and destroyed the great Jewish temple which was the heart of Jewish worship...in fulfillment of Christ's prophecy in Matthew 24:2.

"On this holy place today where the temple once stood, the Dome of the Rock Mosque stands as Islam's second most holy place. Sweeping changes were in the wind. Corruption, apathy,

greed, cruelty, perversion and rebellion were eating at the Roman Empire, and it was ready to collapse. The persecution against Christians was useless as they continued to lay down their lives for the gospel of Christ.

"The only way Satan could stop this thrust was to create a counterfeit "Christian" religion to destroy the work of God. The solution was in Rome. Their religion had come from ancient Babylon and all it needed was a face-lift. This didn't happen overnight, but began in the writings of the 'early church fathers'.

"It was through their writings that a new religion would take shape. The statue of Jupiter in Rome was eventually called St. Peter, and the statue of Venus was changed to the Virgin Mary. The site chosen for its headquarters was on one of the seven hills called 'Vaticanus', the place of the diving serpent where the Satanic temple of Janus stood.

"The great counterfeit religion was Roman Catholicism, called 'Mystery, Babylon the Great, the Mother of Harlots and Abominations of the Earth'- Revelation 17:5. She was raised up to block the gospel, slaughter the believers in Christ, establish religions, create wars and make the nations drunk with the wine of her fornication as we will see.

"Three major religions have one thing in common - each has a holy place where they look for guidance. Roman Catholicism looks to the Vatican as the Holy City. The Jews look to the wailing wall in Jerusalem, and the Muslims look to Mecca as their Holy City. Each group believes that they receive certain types of blessings for the rest of their lives for visiting their holy place. In the beginning, Arab visitors would bring gifts to the 'House of God', and the keepers of the Kaaba were gracious to all who came. Some brought their idols and, not wanting to offend these people, their idols were placed inside the sanctuary. It is said that the Jews looked upon the Kaaba as an outlying tabernacle of the Lord with veneration until it became polluted with idols.

The Kaaba, Mecca.

"In a tribal contention over a well(Zamzam) the treasure of the Kaaba and the offerings that pilgrims had given were dumped down the well and it was filled with sand - it disappeared. Many

years later Adb Al-Muttalib was given visions telling him where to find the well and its treasure. He became the hero of Mecca, and he was destined to become the grandfather of Muhammad. Before this time, Augustine became the bishop of North Africa and was effective in winning Arabs to Roman Catholicism, including whole tribes. It was among these Arab converts to Catholicism that the concept of looking for an Arab prophet developed.

"Muhammad's father died from illness and sons born to great Arab families in places like Mecca were sent into the desert to be suckled and weaned and spend some of their childhood with Bedouin tribes for training and to avoid the plagues in the cities.

"After his mother and grandfather also died, Muhammad was with his uncle when a Roman Catholic monk learned of his identity and said, "Take your brother's son back to his country and guard him against the Jews, for by god, if they see him and know of him that which I know, they will construe evil against him. Great things are in store for this brother's son of yours."

"The Roman Catholic monk had fanned the flames for future Jewish persecutions at the hands of the followers of Muhammad. The Vatican desperately wanted Jerusalem because of its religious significance, but was blocked by the Jews.

"Another problem was the true Christians in North Africa who preached the gospel. Roman Catholicism was growing in power, but would not tolerate opposition. Somehow the Vatican had to create a weapon to eliminate both the Jews and the true Christian believers who refused to accept Roman Catholicism. Looking to North Africa, they saw the multitudes of Arabs as a source of manpower to do their dirty work. Some Arabs had become Roman Catholic, and could be used in reporting information to leaders in Rome. Others were used in an underground spy network to carry out Rome's master plan to control the great multitudes of Arabs who rejected Catholicism. When 'St Augustine' appeared on the scene, he knew what was going on. His monasteries served as bases to seek out and destroy Bible manuscripts owned by the true Christians.

"The Vatican wanted to create a messiah for the Arabs, someone they could raise up as a great leader, a man with charisma whom they could train, and eventually unite all the non-Catholic Arabs behind him, creating a mighty army that would ultimately capture Jerusalem for the pope. In the Vatican briefing, Cardinal Bea told us this story:

*'A wealthy Arabian lady who was a faithful follower of the pope played a tremendous part in this drama. She was a widow named Khadijah. She gave her wealth to the church and retired to a convent, but was given an assignment. She was to find a brilliant young man who could be used by the Vatican to create a new religion and become the messiah for the children of Ishmael. Khadijah had a cousin named Waraqaah,, who was also a very faithful Roman Catholic and the Vatican placed him in a critical role as Muhammad's advisor. He had tremendous influence on Muhammad.*

*'Teachers were sent to young Muhammad and he had intensive training. Muhammad studied the works of St. Augustine which prepared him for his "great calling." The Vatican had Catholic Arabs across North Africa spread the story of a great one who was about to rise up among the people and be the chosen one of their God.*

*'While Muhammad was being prepared, he was told that his enemies were the Jews and that the only true Christians were Roman Catholic. He was taught that others calling themselves Christians were actually wicked impostors and should be destroyed. Many Muslims believe this. Muhammad began receiving "divine revelations" and his wife's Catholic cousin Waraquah helped interpret them. From this came the Koran. In the fifth year of Muhammad's mission, persecution came against his followers because they refused to worship the idols in the Kaaba. Muhammad instructed some of them to flee to Abyssinia where Negus, the Roman Catholic king accepted them because Muhammad's views on the virgin Mary were so close to Roman Catholic doctrine. These Muslims received protection from Catholic kings because of Muhammad's revelations.*

*'Muhammad later conquered Mecca and the Kaaba was cleared of idols. History proves that before Islam came into existence, the Sabians in Arabia worshiped the moon-god who was married to the sun-god. They gave birth to three goddesses who were worshipped throughout the Arab world as "Daughters of Allah" An idol excavated at Hazor in Palestine in 1950's shows Allah sitting on a throne with the crescent moon on his chest.*

*'Muhammad claimed he had a vision from Allah and was told, "You are the messenger of Allah." This began his career as a prophet and he received many messages. By the time Muhammad died, the religion of Islam was exploding. The nomadic Arab tribes were joining forces in the name of Allah and his prophet, Muhammad.*

*'Some of Muhammad's writings were placed in the Koran, others were never published. They are now in the hands of high ranking holy men (Ayatollahs) in the Islamic faith.'*

"When Cardinal Bea shared with us in the Vatican, he said, these writings are guarded because they contain information that links the Vatican to the creation of Islam. Both sides have so much information on each other, that if exposed, it could create such a scandal that it would be a disaster for both religions.

"In their "holy" book, the Koran, Christ is regarded as only a prophet. If the pope was His representative on earth, then he also must be a prophet of God. This caused the followers of Muhammad to fear and respect the pope as another "holy man."

"The pope moved quickly and issued bulls granting the Arab generals permission to invade and conquer the nations of North Africa. The Vatican helped to finance the building of these massive Islamic armies in exchange for three favors:

- 1. Eliminate the Jews and Christians (true believers, which they called infidels).*
- 2. Protect the Augustinian Monks and Roman Catholics.*
- 3. Conquer Jerusalem for "His Holiness" in the Vatican.*

"As time went by, the power of Islam became tremendous - Jews and true Christians were slaughtered, and Jerusalem fell into their hands. Roman Catholics were never attacked, nor were their shrines, during this time. But when the pope asked for Jerusalem, he was surprised at their denial! The Arab generals had such military success that they could not be intimidated by the pope - nothing could stand in the way of their own plan.

"Under Waraquah's direction, Muhammad wrote that Abraham offered Ishmael as a sacrifice. The Bible says that Isaac was the sacrifice, but Muhammad removed Isaac's name and inserted Ishmael's name. As a result of this and Muhammad's vision, the faithful Muslims built a mosque, the Dome of the Rock, in Ishmael's honor on the site of the Jewish temple that was destroyed in 70 AD. This made Jerusalem the 2nd most holy place in the Islam faith. How could they give such a sacred shrine to the pope without causing a revolt?"

### Doom of the Rock

"The pope realized what they had created was out of control when he heard they were calling "His Holiness" an infidel. The Muslim generals were determined to conquer the world for Allah and now they turned toward Europe. Islamic ambassadors approached the pope and asked for papal bulls to give them permission to invade European countries.

"The Vatican was outraged; war was inevitable. Temporal power and control of the world was considered the basic right of the pope. He wouldn't think of sharing it with those whom he considered heathens.

"The pope raised up his armies and called them crusades to hold back the children of Ishmael from grabbing Catholic Europe. The crusades lasted centuries and Jerusalem slipped out of the pope's hands.

"Turkey fell and Spain and Portugal were invaded by Islamic forces. In Portugal, they called a mountain village "Fatima" in honor of Muhammad's daughter, never dreaming it would become world famous.

"Years later when the Muslim armies were poised on the islands of Sardinia and Corsica, to invade Italy, there was a serious problem. The Islamic generals realized they were too far extended. It was time for peace talks. One of the negotiators was Francis of Assisi.

"As a result, the Muslims were allowed to occupy Turkey in a "Christian" world, and the Catholics were allowed to occupy Lebanon in the Arab world. It was also agreed that the Muslims could build mosques in Catholic countries without interference as long as Roman Catholicism could flourish Arab countries.

"Cardinal Bea told us in Vatican briefings that both the Muslims and Roman Catholics agreed to block and destroy the efforts of their common enemy, Bible-believing Christian missionaries. Through these concordats, Satan blocked the children of Ishmael from a knowledge of Scripture and the truth.

"A light control was kept on Muslims from the Ayatollah down through the Islamic priests, nuns and monks. The Vatican also engineers a campaign of hatred between the Muslim Arabs and the Jews. Before this, they had co-existed peacefully.

"The Islamic community looks on the Bible-believing missionary as a devil who brings poison to the children of Allah. This explains years of ministry in those countries with little results.

"The next plan was to control Islam. In 1910, Portugal was going Socialistic. Red flags were appearing and the Catholic Church was facing a major problem. Increasing numbers were against the church.

"The Jesuits wanted Russia involved, and the location of this vision at Fatima could play a key part in pulling Islam to the Mother Church.

"In 1917, the Virgin appeared in Fatima. "The Mother of God" was a smashing success, playing to overflow crowds. As a result, the Socialists of Portugal suffered a major defeat.

"Roman Catholics world-wide began praying for the conversion of Russia and the Jesuits invented the Novenas to Fatima which they could perform throughout North Africa, spreading good public relations to the Muslim world. The Arabs thought they were honoring the daughter of Muhammad, which is what the Jesuits wanted them to believe.

"As a result of the vision of Fatima, Pope Pius XII ordered his Nazi army to crush Russia and the Orthodox religion and make Russia Roman Catholic." A few years after he lost World war II, Pope Pius XII startled the world with his phoney dancing sun vision to keep Fatima in the news. It was great religious show biz and the world swallowed it.

"Not surprisingly, Pope Pius was the only one to see this vision. As a

result, a group of followers has grown into a Blue Army world-wide, totaling millions of faithful Roman Catholics ready to die for the blessed virgin.

"But we haven't seen anything yet. The Jesuits have their Virgin Mary scheduled to appear four or five times in China, Russia, and major appearance in the U.S.

"What has this got to do with Islam? Note Bishop Sheen's statement: "Our Lady's appearances at Fatima marked the turning point in the history of the world's 350 million Muslims. After the death of his daughter, Muhammad wrote that she "is the most holy of all

Lucia de Santos, Francisco Marco and Jacinta Maro in 1917.

women in Paradise, next to Mary."

"He believed that the Virgin Mary chose to be known as Our Lady of Fatima as a sign and a pledge that the Muslims who believe in Christ's virgin birth, will come to believe in His divinity.

"Bishop Sheen pointed out that the pilgrim virgin statues of Our Lady of Fatima were enthusiastically received by Muslims in Africa, India, and elsewhere, and that many Muslims are now coming into the Roman Catholic Church."

## **MUSLIM DANGERS AROUND THE WORLD**

### **By Percentages of the Population**

**From Pastor Jason Barlow**

**Received December 3, 2009**

Adapted from Dr. Peter Hammond's book: Slavery, Terrorism and Islam: The Historical Roots and Contemporary Threat

Islam is not a religion, nor is it a cult. In its fullest form, it is a complete, total, 100% system of life.

Islam has religious, legal, political, economic, social, and military components. The religious component is a beard for all of the other components.

Islamization begins when there are sufficient Muslims in a country to agitate for their religious privileges.

When politically correct, tolerant, and culturally diverse societies agree to Muslim demands for their religious privileges, some of the other components tend to creep in as well.

Here's how it works:

As long as the Muslim population remains **around or under 2%** in any given country, they will be for the most part be regarded as a peace-loving minority, and not as a threat to other citizens.

This is the case in:

United States -- Muslim 0.6%

Australia -- Muslim 1.5%

Canada -- Muslim 1.9%

China -- Muslim 1.8%

Italy -- Muslim 1.5%

Norway -- Muslim 1.8%

At 2% to 5%, they begin to proselytize from other ethnic minorities and disaffected groups, often with major recruiting from the jails and among street gangs. This is happening in:

Denmark -- Muslim 2%  
Germany -- Muslim 3.7%  
United Kingdom -- Muslim 2.7%  
Spain -- Muslim 4%  
Thailand -- Muslim 4.6%

From 5% on, they exercise an inordinate influence in proportion to their percentage of the population. For example, they will push for the introduction of halal (clean by Islamic standards) food, thereby securing food preparation jobs for Muslims. They will increase pressure on supermarket chains to feature halal on their shelves -- along with threats for failure to comply. This is occurring in:

France -- Muslim 8%  
Philippines -- 5%  
Sweden -- Muslim 5%  
Switzerland -- Muslim 4.3%  
The Netherlands -- Muslim 5.5%  
Trinidad & Tobago -- Muslim 5.8%

At this point, they will work to get the ruling government to allow them to rule themselves (within their ghettos) under Sharia, the Islamic Law. The ultimate goal of Islamists is to establish Sharia law over the entire world.

When Muslims approach 10% of the population, they tend to increase lawlessness as a means of complaint about their conditions. In Paris, we are already seeing car-burnings. Any non-Muslim action offends Islam and results in uprisings and threats, such as in Amsterdam, with opposition to Mohammed cartoons and films about Islam. Such tensions are seen daily, particularly in Muslim sections in:

Guyana -- Muslim 10%  
India -- Muslim 13.4%  
Israel -- Muslim 16%  
Kenya -- Muslim 10%  
Russia -- Muslim 15%

After reaching 20%, nations can expect hair-trigger rioting, jihad militia formations, sporadic

killings, and the burnings of Christian churches and Jewish synagogues, such as in:

Ethiopia -- Muslim 32.8%

At 40%, nations experience widespread massacres, chronic terror attacks, and ongoing militia warfare, such as in:

Bosnia -- Muslim 40%

Chad -- Muslim 53.1%

Lebanon -- Muslim 59.7%

From 60%, nations experience unfettered persecution of non-believers of all other religions (including non-conforming Muslims), sporadic ethnic cleansing (genocide), use of Sharia Law as a weapon, and Jizya, the tax placed on infidels, such as in:

Albania -- Muslim 70%

Malaysia -- Muslim 60.4%

Qatar -- Muslim 77.5%

Sudan -- Muslim 70%

After 80%, expect daily intimidation and violent jihad, some State-run ethnic cleansing, and even some genocide, as these nations drive out the infidels, and move toward 100% Muslim, such as has been experienced and in some ways is on-going in:

Bangladesh -- Muslim 83%

Egypt -- Muslim 90%

Gaza -- Muslim 98.7%

Indonesia -- Muslim 86.1%

Iran -- Muslim 98%

Iraq -- Muslim 97%

Jordan -- Muslim 92%

Morocco -- Muslim 98.7%

Pakistan -- Muslim 97%

Palestine -- Muslim 99%

Syria -- Muslim 90%

Tajikistan -- Muslim 90%

Turkey -- Muslim 99.8%

United Arab Emirates -- Muslim 96%

100% will usher in the peace of 'Dar-es-Salaam' -- the Islamic House of Peace. Here there's

supposed to be peace, because everybody is a Muslim, the Madrasses are the only schools, and the Koran is the only word, such as in:

Afghanistan -- Muslim 100%  
Saudi Arabia -- Muslim 100%  
Somalia -- Muslim 100%  
Yemen -- Muslim 100%

Unfortunately, peace is never achieved, as in these 100% states the most radical Muslims intimidate and spew hatred, and satisfy their blood lust by killing less radical Muslims, for a variety of reasons.

'Before I was nine I had learned the basic canon of Arab life. It was me against my brother; me and my brother against our father; my family against my cousins and the clan; the clan against the tribe; the tribe against the world, and all of us against the infidel. -- Leon Uris, 'The Haj'

It is important to understand that in some countries, with well under 100% Muslim populations, such as France, the minority Muslim populations live in ghettos, within which they are 100% Muslim, and within which they live by Sharia Law. The national police do not even enter these ghettos. There are no national courts, nor schools, nor non-Muslim religious facilities. In such situations, Muslims do not integrate into the community at large. The children attend madrasses. They learn only the Koran. To even associate with an infidel is a crime punishable with death. Therefore, in some areas of certain nations, Muslim Imams and extremists exercise more power than the national average would indicate.

Today's 1.5 billion Muslims make up 22% of the world's population. But their birth rates dwarf the birth rates of Christians, Hindus, Buddhists, Jews, and all other believers. Muslims will exceed 50% of the world's population by the end of this century.

Adapted from Dr. Peter Hammond's book: Slavery, Terrorism and Islam: The Historical Roots and Contemporary Threat

Today we are letting the fox guard the henhouse. The wolves will be herding the sheep as Obama has appointed two devout Muslims to Homeland Security posts. Obama and Janet Napolitano appoint Arif Alikhan, a devout Muslim, as Assistant Secretary for Policy Development. DHS Secretary Janet Napolitano also swore in Kareem Shora, a devout Muslim who was born in Damascus, Syria, as ADC National Executive Director as a member of the Homeland Security Advisory Council (HSAC).

NOTE: Has anyone ever heard a new government official being identified as a devout Catholic, a devout Jew or a devout Protestant...?

Devout Muslims being appointed to critical Homeland Security positions? Doesn't this make you feel safer already??

Was it not a Devout Muslim who killed 13 at Fort Hood? Please forward this important information to any who care about the future of our respective countries.

In His service  
Pastor Jason Barlow

### **Muhammad had a 6-year-old Wife**

Issue Date: May/June 2010--While many Muslim practices grate the nerves of Westerners, the committing of pre-teen girls to older men as brides seems especially revolting. More "advanced" Muslim countries claim to discourage the practice. Yet it is common even in Saudi Arabia.

News agencies recently told of a Saudi 12-year-old who managed to obtain a divorce from her 80-year-old husband. The case sparked a campaign to raise the marriageable age to 16, but Muslim leaders point out that Muhammad consummated a "marriage" to a 9-year-old while married to several other women.

In Yemen, another 12-year-old recently bled to death after 3 days in labor trying to deliver a stillborn. She had been forced by her family to marry a 24-year-old who paid a large dowry to her parents.

Muhammad limited his followers to four wives, but obtained approval from Allah for at least 20 for himself. In addition, he was known to pick and choose among captured slave women. One of his favorite wives was Aisha, whom he chose in **marriage at age six and bedded when she was nine.**

Islam's view and treatment of women today reflects the 7th century tribal customs where Islam was born. Like most pagan-based religions, Islam is highly sexualized. Women are "owned" by a husband or other dominant males in the family and allowed only limited liberties. Severe punishment is exacted for even casual contact with other men.

Yet the Muslim male has almost total freedom, sexually. Besides allowing up to four wives, some sects allow temporary contractual marriages call Mubah. The "contract" can be for as little as a few hours and provides for a "dowry" given to the woman by the man. After the contract

expires, both are free to go on their way, no ceremony or divorce proceedings needed. Sounds like prostitution to me.

Certain moral standards are prescribed for relations with Muslim women, but no such restrictions apply to infidels. Even today, sexual conquest is part of the spoils of war wherever Muslims are fighting for control of a country or region. Unbelievers are to be killed or converted and attackers are free to rape the women at will before they are killed or enslaved.

Muhammad's world consisted primarily of robbery and sex. All women were slaves at one level or another. Wives were the highest level with captured women serving as direct sex slaves and/or household servants. Since Muhammad's life style forms the example for all Muslims, men obsessed with sex and conquest are the ideal disciples. And what does the man get, who achieves "martyrdom" by sacrificing his life to destroy infidels? Immediate entry into paradise where his sexual strength is unlimited and a minimum of 72 perpetual virgins are at his continual disposal.

Ghazoli's book, and **Who is this Allah?** by G.J.O. Moshay, describe in detail the lifestyle of Muhammad and his teachings in the Qur'an. They will be a great help to the soul winner who wishes to be well informed on the beliefs of the Muslims he is witnessing to.

The new tract, **Is Allah Like You?** shows clearly the Muslim treatment of women, the contrast between the Bible and the Qur'an, and the difference between Jehovah and Allah. The tract is built around a gripping story that will hold the reader until it delivers these messages along with the gospel.

**Sickening Islamic Child/baby head cutting ritual**

---

Parental love is instinctive both in animals and in humans. These pictures are to show the level of brainwashing that it takes to make a parent harm and mutilate his own toddler to appease his imaginary deity.

A **Shiite** mother rejoices after inflicting wounds on the head of her toddler

A loving father teaching "religious values" to his son, Islamic way.

A proud mother watching her son bleed. The more pain the greater the reward. After this she is assured of paradise.

Some Shiites believe cutting children honors a 7th-century Muslim leader

- Kids as young as a month old and men as old as 100 are slashed
- **Ashura marks the decapitation of their most revered Saint Imam Hussein**
- **Rite continues despite being banned in Lebanon**

Young Iraqi Shiite boys have their foreheads slashed to honor the Ashura, the tenth day of Muharram when Imam Hussein was killed in the Battle of Karbala in the year 680.

**NABATIYEH, Lebanon** (AP) -- The 6-year-old boy screamed and shook his head to avoid the razor blade. But his father held him firmly as Hajj Khodor parted the boy's black hair and sliced his forehead three times with the blade.

Ali Madani's cries became more violent as blood gushed from the wound, covering his small, terrified face.

His father and a few other men, waving daggers, broke into a religious chant, **recalling how the 7th-century Shiite Muslim saint, Imam Hussein, was decapitated, his head placed on a lance.** ([Watch Shiites flagellate themselves as part of an Ashura ritual](#) 📺)

In marking the holiest day of Ashura, some Shiites believe children should learn at an early age about Hussein's suffering, which is at the heart of their faith.

Lebanon's top Shiite cleric, **Ayatollah Mohammed Hussein Fadlallah, has banned bloodletting during Ashura, even for adults.**

**Clerics in mainly Shiite Iran forbid it as well, saying the practice is un-Islamic because it harms the body.**

But traditions die hard, especially in a rite as fervent and emotional as Ashura, marked Tuesday by Shiites across the Islamic world. ([Attacks on Shiite pilgrims kill 38 in Iraq](#))

### **Toddlers and babies cut**

In the southern Lebanese town of Nabatiyeh, hundreds of nervous young boys -- ranging from early teens to toddlers -- were ushered by their fathers into a hall hung with black banners and paintings of Hussein's last moments.

Hajj Khodor, a businessman and organizer of the Ashura ceremonies, and several other men wiped blades with alcohol before swiping each boy three or four times on the forehead.

Some boys cried and resisted, but the cutting proceeded.

"We're used to it," said Mahmoud Jaber, 43, who brought his five boys and two girls for the ritual. "We've been doing this since we were kids. I started when I was 3. It doesn't hurt because the cry of pain goes away with the faith."

Hussein Shihab, 13, wrapped in a white sheet symbolizing Hussein's burial shroud, said he felt a burning

sting -- "from the alcohol" -- as the blade hit.

His father, Jaber Shihab, told Hussein not to be "a wimp," and to "be brave" as a reporter photographed him after the cut.

**It was "for the sake of Hussein" that he had his head cut, the boy said. "Because blood came from Hussein's head. They cut his head off and blood flowed."**

**For their blood, cookies and juice**

In the Ashura rites, Shiites march in huge processions, beating their chests in mourning for Hussein's martyrdom at Karbala -- a city in present-day Iraq -- in A.D. 680. The most fervent cut themselves with swords or razors or lash themselves with razor-lined chains to draw blood.

**The bloodletting is a reminder of Hussein's suffering, as well as punishment for the failure of Muslims to help Hussein in his battle against Islamic ruler Yazid, leader of what became the majority Sunni branch of Islam.**

**Hussein was the son of Ali, the Prophet Muhammad's cousin, who Shiites believe should have been his rightful successor.** The loss at Karbala effectively consigned Shiites to minority status in the Islamic world -- and it became a symbol of the sense of oppression that runs through the sect's beliefs. Women in Ashura processions usually confine themselves to striking their chests with their fists, without drawing blood. But in Shiite areas of Lebanon, Saudi Arabia, Pakistan, India and elsewhere, processions of men marched drenched in blood -- along with boys.

In the Nabatiyeh hall, splashes of bright red blood covered the floor from the cutting. Some of the children held back tears and tried to put on a brave face as Hajj Khodor sliced the skin of their foreheads. Their reward was fruit juice and cookies.

A father shoved a pacifier into his toddler's screaming mouth, the boy's forehead stained with blood.

Ali Madani's screams did not save the 6-year-old from the razor blade. His father, Bilal Madani, said his son was crying because the smell of blood scared him.

Afterward, Ali said he was happy he had gone through with it -- "for Hussein's sake."

What did he expect in return?

"God will make me do well in school," he said, sipping juice from a straw.

Hajj Khodor, wrapped in white and wearing a white turban, said he has done cuttings on boys as young as 1-month-old and men as old as 100.

Asked if it was difficult for him to hurt the children, he said: "The child doesn't understand what's going on. The parents are faithful and believe by doing this, their children will be protected and will enjoy a long life."

Hind Abinabi, a 52-year-old Shiite woman and mother of four, said to maim children was not only cruel, but also against the religion.

"When the rest of the world is going to the moon, look where these people are -- still drawing blood from their heads," she said.

One boy's screams and resistance Tuesday did pay off.

"No, no, I don't want it," the terrified boy kept yelling at the top of his voice.

After a few failed attempts, his mother quietly walked him down the stairs and out of the hall
