Ephesians 5:11, 13-16: "And have no fellowship with the unfruitful works of darkness, but rather **reprove** them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, **Awake thou that sleepest**, and arise from the dead, and Christ shall give thee light. **See then that ye walk circumspectly**, not as fools, but as wise, Redeeming the time, because the days are evil."

The **1828 Noah Webster Dictionary** defines:

Reprove: To blame, to convince of a fault, or to make it manifest, to excite a sense of guilt.

Circumspectly: Cautiously; with watchfulness every way; with attention to guard against surprise or danger.

Matthew 24:24: "...if it were possible, they shall deceive **the very elect.**"

II Corinthians 2:11: "Lest Satan should get an advantage of us: for we **are not** ignorant of his devices."

II Chronicles 7:14: "If **my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Subterranean Secrets Revealed

"Not only is our government focused on building deep secret cities, but so are Illuminati families."

by Fritz Springmeier

The beautiful artwork in ancient Spanish caves, or the catacombs in Rome remind us that man has always had an underground presence. During the 1990's, my research repeatedly brought me in contact with individuals who stated that they had been in deep underground military bases.

Photo of United States Air Force tunnel boring machine at Little Skull Mountain, Nevada, USA, December 1982. There are many rumors of secret military tunnels in the United States. If the rumors are true, machines such as the one shown here are used to make the tunnels. (Source: U.S. Department of Energy.)

This is a \$13 million tunnel boring machine (TBM) used for tunneling at the Nevada Test Site. (Remember that Area 51 is part of the test site.) **Many other types of TBMs are used by many government agencies, including the 'nuclear powered TBM' [NTBM] that melts solid rock and leaves behind glass-like walls.**

Most tunneling activity is under military installations and all information is highly restricted. Former employees of said facilities have surfaced over the years to talk of massive underground installations in places like Area 51, the Northrop facility in Antelope Valley, California (rumored to have 42 levels), and the Lockheed installation near Edwards, California.

The 'Black Budget' currently consumes \$1.25 trillion per year. At least this amount is used in black programs, like those concerned with deep underground military bases. Presently, there are 129 deep underground military bases in the United States. They have been building these 129 bases day and night, unceasingly, since the early 1940's. Some of them were built even earlier than that. These bases are basically large cities underground connected by high-speed magneto-leviton trains that have speeds up to Mach 2. Several books have been written about this activity.

The average depth of these bases is over a mile, and they again are basically whole cities underground. They all are between 2.66 and 4.25 cubic miles in size. They have laser-drilling machines that can drill a tunnel seven miles long in one day. Dulce is probably the deepest base. It goes down seven levels and over 2.5 miles deep.

More thought-provoking images of tunnel boring equipment:

Of course a number of these are openly admitted by the American government, for instance Cheyenne Mountain. And many are not. I discovered that not only was our government focused on building deep secret cities, but the Illuminati families were also. Furthermore, they were using technology that the public was unaware existed. The idea behind it all was to create safe and secret places for themselves.

Witnesses have described elevators going miles down, super-fast trains, back-up government agencies, genetic experiments, warehouses of stock piled materials, and a non-human human hybrid project.

Gen 6:2 That the sons of God saw the daughters of men that they were fair; and they took them wives of all which they chose.

The sons of God mentioned here are fallen angels, which rebelled and sinned against God. These fallen angel are the spirits of darkness, and satan is their leader. Fallen angels saw the daughters of men that they were fair, and they took them wives.

This is what the Bible is talking here in the New Testament:

Jud 1:6 And the angels which kept not their first estate, but left their own habitation, he hath reserved in everlasting chains under darkness unto the judgment of the great day.

Jud 1:7 Even as Sodom and Gomorrha, and the cities about them in like manner, giving themselves over to fornication, and going after strange flesh, are set forth for an example, suffering the vengeance of eternal fire.

The result & fruit of this ungodly union is mentioned here:

Gen 6:4 ¶ There were giants (nephilim) in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown.

5 And GOD saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually.

After searching through the Promised Land for 40 days this was what was reported:

Num 13:30 ¶ And Caleb stilled the people before Moses, and said, Let us go up at once, and possess it; for we are well able to overcome it.

Num 13:31 But the men that went up with him said, We be not able to go up against the people; for they [are] stronger than we.

Num 13:32 And they brought up an evil report of the land which they had searched unto the children of Israel, saying, The land, through which we have gone to search it, [is] a land that eateth up the inhabitants thereof; and all the people that we saw in it [are] men of a great stature.

Num 13:33 And there we saw the giants, the sons of Anak, [which come] of the giants: and we were in our own sight as grasshoppers, and so we were in their sight.

Read Joshua 10 to understand what had to be done to these inhabitants.

In the original text is the word *nephilim*, which comes from the word *naphal*, which means to fall. The giants were descendants of fallen angels and the daughters of men. Before the Flood, the sons of God (fallen angels) had the sexual relationship with the daughters of men, who bore children to them. Text says that also after that were giants in the earth, that means that fallen angels had the sexual relationship with the daughters of men also after the Flood.

Contrast and compare this to the warning Jesus Christ gave us:

Mat 24:37 But as the days of Noe [were], so shall also the coming of the Son of man be.

Luk 17:26 And as it was in the days of Noe, so shall it be also in the days of the Son of man.

"The influences of the Spirit of God are even now in process of withdrawal, as He prepares for that departure from earth which will leave it open for Nephilim, seven fold worse than those who formerly dwelt in it, to enter, and for a short season to work their will upon the human race... Then will all the Nephilim, who are yet at liberty, be among men, and will quickly make them feel the meaning of that awful utterance, 'Woe to the inhabitants of the earth and of the sea! for the Devil is come down unto you, having great

wrath, because he knoweth that he hath but a short time."

~ G.H. Pember

As far back as the beginning of time and within every major culture of the ancient world, the astonishingly consistent story is told of "gods" who descended from heaven and materialized in bodies of flesh. From Rome to Greece—and before that, to Egypt, Persia, Assyria, Babylonia, and Sumer—the earliest records of civilization tell of the era when powerful beings known to the Hebrews as "Watchers" and in the book of Genesis as the b'nai ha Elohim ("sons of God") mingled themselves with humans, giving birth to part-celestial, part-terrestrial hybrids known as "Nephilim." When English theologian George Hawkins Pember, in his 1876 work entitled, *Earth's Earliest Ages*, analyzed the prophecy of Jesus Christ in Matthew 24 that says the end times would be a repeat of "the days of Noah," he concluded the final and most fearful sign heralding the Lord's Second Coming would be the return of the Nephilim, "the appearance upon earth of beings from the Principality of the Air, and their unlawful intercourse with the human race."

Does a curious verse in the book of Daniel validate Pember's thesis? Speaking of the last days of human government, Daniel said: "They shall mingle themselves with the seed of men: but they shall not cleave one to another, even as iron is not mixed with clay" (Daniel 2:43).

While Daniel does not explain who "they" that "mingle themselves with the seed of men" are, the personal pronoun "they" raises questions over what (or who) in the end times 'mingle with the seed of men?' Who are these non-human seed? It staggers the mind to contemplate how the same phenomenon that occurred in Genesis chapter 6, where nonhuman species or "nonseed" mingled with human seed and produced Nephilim could happen again in the end times. Yet when this verse from Daniel is coupled with Genesis 3:15, which says, "And I will put enmity between thee and the woman, and between thy seed [zera, meaning "offspring," "descendants," or "children"] and her seed," an incredible tenet emerges—that Satan has seed, that it is at enmity with Christ, and that it is set to return in these last days.

Has the time of their coming arrived?

Back to the main article:

But what continues to haunt me was the look one eyewitness gave me when he said, "Fritz, you don't have a clue. What is going on is beyond all you have thought of." And after that, there was a stoned-faced mask on his countenance.

DIAMOND

HEAD

My first experience with this subject was when I was a fifth grader in Hawaii. On one field trip we were taken inside the iconic Diamond Head volcano where the government of Hawaii had an unused facility in case they needed to flee a nuclear holocaust.

I realized the government had placed their survival on a higher priority than the people they supposedly served. The rest of us sheeple were to be left to die. Your tax dollars at work.

The American government secretly **received a boost in their abilities to build underground when they brought over Xaver Dorsh in Operation Paperclip. He was head of the Nazi's Todt Organization which built some incredibly sophisticated underground cities for the Nazis.**

Bear in mind this organization had built the Autobahn for the Nazis far in advance of our Interstate system. The American and Russian governments have kept secret how sophisticated these underground Nazi cities were.

For years, I had tried to track these Deep Underground Military Bases and their purposes, doing such things as traveling to Dulce, NM. When I met Phil Snyder (left) who had worked on these bases, I was excited to compare my discoveries/info to his firsthand knowledge.

We were able to share information several times until he was suicided the day before we were to meet again. **Phil Schneider died on January 17, 1996, reportedly strangled by a catheter found wrapped around his neck – the bizarre death being dismissed by the authorities as suicide.** If the circumstances of his death seem highly controversial, they are matched by the controversy over his public statements uttered shortly before his death.

Phil Schneider was a self-taught geologist and explosives expert. Of the 129 deep underground facilities Schneider believed the US government had constructed since World War II, he claimed to have worked on 13. Two of these bases were major, including the much rumored bioengineering facility at Dulce, New Mexico.

After Phil's murder I placed my information on the American DUMB bases in my *Deeper Insights* book in the middle of book between part 1 and part 2.

Different agencies have their own underground installations. That explains why there are so many.

The NSA, CIA, FEMA, Naval Intelligence, the Air force NORAD and others all need their own secret underground bases. Some of the work with strategic reserves, nuclear activities, secret weapons, communications and computers, and hardened defense structures are legitimate activities for underground bases; and others, genetic manipulation (like cloning), individual mind control, population control, and lethal ways to kill populations, are not. We have truly lost control over our government. If you'll pardon the pun, it is truly out of oversight.

Area 51, NV (left) and White Sands Missile base, NM

have been large tracts of land where underground installations have allowed for exotic black ops research. Unfortunately, the information that leaks out does not sound good. These black ops are not projects for the public good. Many of them are downright scary. Some are bizarre **like keeping a severed human head alive.**

Caution Extremely Disturbing--1940's Russian Head Dog Experiment - Living without a body! Watch: <http://www.youtube.com/watch?v=rSrlkUXwsNk>

And instead of being U.S. government projects, many of the levels on these bases actually belong to the Illuminati and their secret world government.

Besides vast tracts of land in sparsely populated regions, the ocean has become a grand place to locate secret bases.

What are some of these bases like? Some have facilities for growing food. Many are connected. Spokes link areas to other areas. Hi-tech camouflage and quick shutting entrances conceal the entrances. Witnesses claim non-human species inhabit the lower levels.

My personal take on these things is that this is a modern-day example of the Nephilim that were created by interbreeding in ancient times. So we are witnessing more apocalyptic signs.

The same shivers that ran down my spine as a ten year old student when I went into the underground city at Diamond Head volcano near Honolulu continue today when I contemplate these bases and their uses.

These bases are designed so the elite could survive a nuclear war or world-wide epidemic, or a natural disaster like an asteroid hit, reversal of the earth's pole, or a galactic dust cloud which they allow us to endure while they live in safety.

Whatever disaster they see coming, they are prepared.

After reading "[Subterranean Secrets](#)" by Fritz Springmeier, I want to respond to some of the comments from your readers. I know the topic about hybrids and Nephilim is pretty far out, but not so far out when explained in terms that people are accustomed to:

From [my lifetime as a former multigenerational server](#) in the organization that has been working to implement "The Plan" for the NWO, **I can tell you that large underground bases do exist and that many bizarre projects such as genetic experimentation and hybridization have taken place there for many years.**

In reference to "Jack's" comment, regarding his questioning on how so many employees of such cities or underground facilities could remain quiet about them:

There are several answers to this.

- 1) **First of all, in the military and in the organization responsible for implementing the plan for the NWO, no one is given such a responsibility unless he or she has been tested and found able to keep all activities and information secret.**
- 2) **Some military bases contract out certain projects to "civilian" companies who hire non-military personnel who are given secret clearance only after they have passed various tests, one of which is to be able to keep their work secret. My former husband worked on secret projects, yet he never divulged anything at all about the base or his work there.**
- 3) **There are people "employed" in the underground facilities who are there for life.**
- 4) **Something to keep in mind are the very real top-secret programs that existed during WWII that involved many people who were dedicated enough or fearful enough to keep it all secretive. My former father-in-law was a code breaker at a secret location known as "The Farm". **The reality to all at "The Farm" was that if there was a breach of secrecy, the whole farm with all inhabitants would be blown sky high in an instant.****

Another former friend of mine, a retired nuclear physicist, who also spent time at "The Farm", was also assigned to work on the "H" Bomb project at Los Alamos. He too has remained silent concerning his work.

To this very day, the details of the operations at those two places "The Farm" and Los Alamos, have remained obscure due to [enforcers who] make sure that the general public never receives the truth, and does not believe the truth if it is told.

Many people are talking about Nephilim, but are they ready to believe that the Nephilim are a reality? What if someone came forth to say that they know for a fact that the Nephilim are real, would this person be believed?

Consider this: Just because you can't see it, just because you can't hear it, does not mean it does not exist.

Dogs are able to hear frequencies that are not audible to our human ears. The earth looks flat, but isn't. In this physical world, there are gases we do not see, but exist. There are radio waves, microwaves and other frequencies that we do not see or hear, but they do indeed exist.

Much of what we do not understand today is not because we are not intelligent enough to understand, or that we are not spiritually "evolved" enough to grasp it.

[Jhn 3:19](#) And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil.

Jhn 3:20 For every one that doeth evil hateth the light, neither cometh to the light, lest his deeds should be reprov'd.

Jhn 3:21 But he that doeth truth cometh to the light, that his deeds may be made manifest, that they are wrought in God.

The simple truth is, we lack the necessary information for proper analysis. The information does exist and can be proven and soon will be given to the world, but it will be given in a perverted form to support a particular agenda, the agenda that a physical hierarchy of power serves, an organization some call the "Illuminati".

Have you ever had this experience? You were traveling, and as you enter a large city, you can not help but sense an air of evil hanging like a blanket over that city.

You don't see it, but you can feel it. Actually, you may not have been imagining it. Just as we have mayors and government officials in the physical world, there are in the supernatural, principalities assigned to specific regions to serve the agenda of an organized governing power. Some know this power as the kingdom of darkness.

Eph 6:11 Put on the whole armour of God, that ye may be able to stand against the wiles of the devil.

Eph 6:12 For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high [places].

2Cr 10:3 For though we walk in the flesh, we do not war after the flesh:

2Cr 10:4 (For the weapons of our warfare [are] not carnal, but mighty through God to the pulling down of strong holds;)

2Cr 10:5 Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ;

Hbr 4:12 For the word of God [is] quick, and powerful, and sharper than any twoedged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and [is] a discernor of the thoughts and intents of the heart.

Jer 23:29 [Is] not my word like as a fire? saith the LORD; and like a hammer [that] breaketh the rock in pieces?

If you sense the world is not the same place it was 20 or 30 years ago, that there seems to be a heavier and more evil presence in general, you are not imagining it.

There is indeed a heavier presence here on earth. It is for the purpose of the very last stage of "The Plan". In this last stage, **the supernatural is being combined with the physical which will culminate in a spiritual global world order.**

When Daniel was finishing interpreting Nebuchadnezzar's dream he said:

Dan 2:41 And whereas thou sawest the feet and toes, part of potters' clay, and part of iron, the kingdom shall be divided; but there shall be in it of the strength of the iron, forasmuch as thou sawest the iron mixed with miry clay.

Dan 2:42 And [as] the toes of the feet [were] part of iron, and part of clay, [so] the kingdom shall be partly strong, and partly broken.

Dan 2:43 And whereas thou sawest iron mixed with miry clay, **they shall mingle themselves with the seed of men: but they shall not cleave one to another,** even as iron is not mixed with clay.

Dan 2:44 And in the days of these kings shall the God of heaven set up a kingdom, which shall never be destroyed: and the kingdom shall not be left to other people, **[but] it shall break in pieces and consume all these kingdoms, and it shall stand for ever.**

Dan 2:45 Forasmuch as thou sawest that the stone was cut out of the mountain without hands, and that it brake in pieces the iron, the brass, the clay, the silver, and the gold; the

great God hath made known to the king what shall come to pass hereafter: and the dream [is] certain, and the interpretation thereof sure.

Many people who don't believe in the supernatural or super humans or extraterrestrials, will soon believe. This agenda is part of "The Plan", a plan that was authored many centuries ago.

A plan that my family bloodline has served for many generations. While many know God's end time plan, I have known and served the plan that is contrary to all that is of a Holy, Just and Righteous creator.

Everything I share is from my personal experience unless I state otherwise. What I will be sharing is probably different than anything you have heard. Many of you will not believe, at least at first.

The idea of "Nephilim" is the composite of hybridization, not only that of physical DNA, but that of a "spiritual" hybridization, the combining of human DNA and spirit with that of another "spirit" creation that does not appear to us to exist on this physical earth.

Comment--One source put it this way: Evidence is beginning to mount that many of the human and animal organs from mutilation victims are being used...in the construction of physical-biological 'forms' which can be 'possessed' by an insidious group of SPIRITS or SUPERNATURAL non-physical entities (AKA the 'infernals'). The LEADING EDGE Magazine for March, 1990, quoted one 'inside' source as saying that: These beings need a physical presence & generate biological structures that function as containers for them... the aliens manufacture containers for themselves... fabricate their own bodies - using biologicals gained from humans and cattle... "

<http://www.theforbiddenknowledge.com/hardtruth/cosmicconflict10.htm>

Just because our eyes do not normally see this other "spirit" creation does not mean that it does not exist, nor does it mean that it can not sometimes manifest or procreate. It is all a matter of one having the missing data for one to understand the possibility.

Someone recently asked me if I, in my lifetime have witnessed supernatural manifestations or ritual magic. My first thought was, yes, everyday from as long as I can remember, for the entire duration that I worked for the powers of darkness.

The topic of Nephilim is only a small part of my life experiences of serving in what I call "the organization". The project of creating physical bodies for a dark spiritual hierarchy is real. It was real enough and disturbing enough for me that I gave up my entire life, my identity, all that I and my family believed in and had worked for all of our lives.

The project of the creating these composites is literally where the supernatural evil rubber meets the physical road.

So, if the world feels more evil today than it did 20 or 30 years ago, you are not imagining it. The presence of evil on this earth has been stepped up for the last phase of "The Plan". This presence is greater than a supernatural evil presence one may sense, but not see. We now have among us evil representatives in physical forms that do indeed look human, but are not.

They are a combination of the human and "supernatural" that are able to operate in both realms. I know that at face value it sounds like fantasy, but in time you will be shown that it is not fantasy at all.

These evil forms are all in preparation for this last phase of "The Plan", which is much more than a physical plan for global dominance over humanity.

First Comment from Tony Blizzard

Let me add that I have an ex-step son that his mother and I put through one year of college. He met a young man around his age at that college who had been living more or less naturally (off

the land) and alone in the mountains for some time. Turns out this guy was the son of one of the really high powered money people in this country and the world.

He related to my step son that he basically ran away from all those riches and eventually told him why. Said his father was grooming him to enter the business and take it over. He was invited to a business meeting that took place in the huge room of the UN building in New York where that long table sits that is often seen in pictures of the UN.

The guy swore of the following: His father seated him in the "peanut gallery" to watch the proceedings of the meeting. Those attending were some of the top world shakers and movers. David Rockefeller was seated at one end of the long table, the high movers, including the fellow's father, on each side and the chair at the other end was empty. When all were ready, these people who rule our daily lives through economics, etc., began a chant which resulted in the devil materializing in the empty chair. After which was held an actual business meeting. My step son, of reasonable intelligence, was convinced that this young man was neither nuts nor playing him, but totally sincere.

This puts everything that goes on in a totally different perspective. Who would better know how to "destroy the world" economically than Satan? What type of person would go along with it? **Those that KNOW that evil supernatural exists and are given over to serving Satan.**

Frankly, my reaction would be similar to the son's - get as far away from it as possible - but obviously there are plenty of people in the world who are willing to serve Satan for temporary worldly gain such as his father. I serviced the vending machines at a California prison for some time and met **there an inmate who had been a devil worshiper and in prison because he and others were caught pulling people off the street into a van, killing them and doing things like eating their hearts while still beating as a way to serve the devil. When I asked him why he would do such a thing he replied: "You wouldn't believe the money, the positions, the women, whatever you wanted." But, of course, it was all short lived because here he was in prison.**

According to the way most learned students of biblical prophecy see our times, now is the time when the devil is unchained and loosed upon the earth to seduce as many souls as he can.

Certainly seems true the things are unfolding. Kind of rules out fence straddling, doesn't it?

If you take the trouble to go to Carolyn Hamlett's website and do a little reading you will discover that **the last phase of "the plan" to take over the world is really pretty simple and directly in line with Christian prophecy. The plan is to show Lucifer in all his great and overwhelming splendor to the world as Jesus Christ (or the god of any other religion for those particular believers).**

2Th 2:7 For the mystery of iniquity doth already work: only he who now letteth [will let], until he be taken out of the way.

2Th 2:8 And then shall that Wicked be revealed, whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming:

2Th 2:9 [Even him], whose coming is after the working of Satan with all power and signs and lying wonders,

2Th 2:10 And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved.

2Th 2:11 And for this cause God shall send them strong delusion, that they should believe a lie:

2Th 2:12 That they all might be damned who believed not the truth, but had pleasure in unrighteousness.
